ELKS '49 SHOW WILL OPEN HERE TOMORROW NIGHT

(Continued from Page 1)

staccato bursts from thirty six shooters, will start the '49 show all four nights—Wednesday, Thursday, Friday and Saturday. It will form at the Elks lodge and cut a wide swath down through the business section to the entrance to the ballroom—just off the banner that is strung across Adams avenue. The American Legion drum and bugle corps will play in the parade the first and third nights, and the second and fourth will find the municipal band doing its stuff.

Free dancing will be held from 8 to 8:30 o'clock, and by that time, the evening's fun fest will be in full swing.

A Reminder of Xmas Behind it all, however, is a more serious purpose. Every cent above bare expenses that is taken in during the four-night show will

go into the lodge's Christmas fund and this fund pays for the giant community Christmas tree for the kiddies each Christmas day, and in addition provides needy families in this district with baskets of provisions during the Yuletide season. The local lodge has gained national distinction for its Christ-

mas tree and charity work and the '49 show and the big Christmas party for the kiddies are regarded as one of the most worthwhile movements in the state.

New features are included in this year's '49 show, even in the prizes, which have among other things, a nifty elephant for the table or

what not—not the dinner table, however! Beginning tomorrow night at 7:45 o'clock, the Elks will make whoopee—and how!
