

Local News In Brief

Rabbit Men to Meet

The Superior rabbit association will meet tonight at the La Grande Printing company office. The association which is new here, is growing rapidly and anyone raising rabbits or desiring to do so are invited to attend and become members. A market has been secured, both locally and in Portland, for all the rabbit meat that can be raised and at a price that will return a fair profit, it is said. Work is now being done on the fine marketing part of the industry, both raw and manufactured. Through wholesale buying of feed, and cooperative selling of meat, the association hopes to build the enterprise into one of benefit not only to the members but to the community. Their meeting night was formerly Friday but has been changed to Wednesday evenings.

Prominent Club Woman Likes Air-Way

Mrs. C. H. Brownfield, president of the Women's Republican club of Idaho Island is most enthusiastic in her endorsement of Air-Way. In a recent letter to the Providence branch Mrs. Brownfield said: "Replying to the leaflet sent to me by you, I am glad to say that our Air-Way is in as perfect condition as when we purchased it, about two years ago. It takes the best care of it possible, though it never needs any attention. The parts are in fine shape; it works perfectly; never overheats or hiccups; never overheats nor grows hot; never gives out. We wouldn't change it for a thousand of any other make, even though we could sell them all the next day; and we have plenty of this new dust container." "Much as we would like to trouble you with complaints, they don't seem to be any chance of us doing." "Being human, naturally we are apt to worry, to fret, and to fret with something or someone; but what these women do is to take advantage of every opportunity to smile." "If your doctors talk up the Air-Way to customers, an enthusiastic as we speak of it to our friends and acquaintances. Your sales should be enormous." "These things for demonstration." "Ed. Ah."

THE TRUTH ABOUT CANDY

To Be Moderate Is Not to Gorge or to Undereat

A noted food authority states that attacks on candy lack a background of scientific insight. He reminds us that in addition to sugar, the best candies and confections of the present day contain also many other foods. He enumerates nuts, milk, cream, butter, gelatine, chocolate, and fruits, as being used along with sugar in delicious, modern candies, and he says that good candy as a dessert may become a whole some part of a meal. Who, he asks, would deprive the world of one of its most delicious desserts?

Science and common sense are restoring sanity to the nation today. Don't gorge. Don't undereat. Prepare a great variety of all healthful foods. Flavor these so that they will be delightful to the taste. Those are some of the present-day precepts that will guide us to a better diet.

If a dash of sugar will encourage your family to eat cereals, fresh, canned and stewed fruits, and milk in the form of milk drinks and milk desserts, then—in the name of health—use a dash of sugar. Try a dash of sugar when cooking vegetables in a small amount of water, and you will be surprised at how much fresher, more colorful and more delicious the vegetables are. A little sugar sprinkled here and there throughout the meal will encourage children and adults to eat. A varied diet that is so necessary to health. Most foods are more delicious and nourishing with sugar. Good food promotes good health. The Sugar Institute.

OPINION ON DRINKING

NEW YORK, Oct. 16 (AP)—Drinking for smokability's sake is regarded by Dr. Hurrell C. Cram as less serious than "the current abuse of smoking," the one is in fact responsible for only a very exceptional functional gastroduodenal disturbance; as to the other, many highly excitable and nervous states are founded upon excessive cigarette consumption; the possible effects of which are heartburn, hyperacidity, nervous constipation, insomnia, duodenal and gastric ulcer. Dr. Cram spoke at the New York academy of medicine.

OREGON STATES' ROOKS HERE FRIDAY

(Continued from Page 1)

husky Tigers—who are also preparing for a weekend contest, against Enterprise here Saturday afternoon at 2 o'clock.

While the Normal team was carrying the ball Quinn took this opportunity to spring some of his new plays, and most of them made it. On the defense, the Normal forwards presented a stiff and almost unbreakable front, although Faus played through for the blue and white occasionally for a few yards.

Only one man is definitely on the injured list for Friday, Miles of Union, a guard. Irwin Barrett and Brown are all rounding into shape, although it is not expected that Irwin will play more than a part of the game as his shoulder is still troubling him. The rest of the squad is in tip-top condition, and anxious to score another victory.

25 Rooks Coming

Fredman Coach Dick Newman is to bring a squad of 25 Rooks to La Grande, probably arriving during Thursday night, and most dangerous of the bunch is Ward, of The Dalles, who is hailed as a real find in Corvallis. The team that

Bad Stomach Cause of Bad Skin

You can't expect to have a good clear fresh-looking complexion if your stomach is weak and disordered. Underdigested food sends poisons through your whole body, pimples appear in your face, skin grows yellow and muddy and loses its color. Your tongue becomes coated, breath most unpleasant. But these troubles will end quickly and skin clear up if you will start today taking that simple herbal compound known to druggists as Talcin.

Talcin contains nothing but herbs, barks and roots which have a cleansing, healing effect on a poor upset stomach. Just a teaspoonful before each meal stimulates the digestion naturally so that you can eat what you want without fear of distress. And when your stomach is in good shape again see how much quicker your appetite is—watch how quickly skin begins to grow free of disfiguring eruptions. The cost of Talcin is less than 2c a dose. Get a bottle from your druggist today. Money back if it doesn't help you.

can stop Ward will do much to ward winning the game. It is said, and the Normal school team hopes to accomplish this. Ward, however, isn't the only yard-gainer on the visit eleven, Les Ketter, of La Grande, being one of several other backs who are strong ball-carriers.

The game will be called at 2:30 o'clock at the high school field with Charles Reynolds as referee. Jimmy Rosenbaum will be umpire and George Scott, Baker high school coach, is to be head linesman.

Expect Tough Game

At that, the rooks are expecting a tough
