Fall Plowing Is Held Up Due To Lack Of Rains

By MRS. NEIL KNIGHT
(Observer Correspondent)

LOWER COVE, Ore. (Special) Owing to the continued dry weather no fall plowing can be done. Pastures are very dry and farmers are feeding their dairy cattle. Potato crops are a complete failure.

T. B. Johnson and family spent Sunday visiting with relatives and friends in Ladd Canyon.

Mrs. Mary Porter returned to her home in La Grande after a three weeks' stay at the Neil Knight home.

The school board of Frosty district No. 16, held a meeting Saturday night for the purpose of purchasing necessary supplies for the school.

R. J. Baker and E. T. Boswell are in the mountains loking for their range cattle.

Nathan Daron returned from a trip to Idaho last week. Mrs. Daron and daughter, Marie remained in Idaho while Mr. Daron returned to make arrangements to have a sale.

Roscoe Eversole is picking apples in Palmer, Idaho.

Mrs. J. T. Beem, Misses Gladys and Florence Beem and Teddy Beem visited at the Neil Knight home last Sunday.

T. B. Johnson is installing a lighting plant on his farm.

Mr. and Mrs. John Chadwick, of Union, visited at the home of their niece, Mrs. Neil Knight, Sunday.

Mrs. Harlan Koger and son, La-Von, were in La Grande Thursday.

DINNER AND DANCE ENDS ROTARY MEET

(Continued from Page 1)

Glen Whitney, Edward Ruby, and Glen Cross, with Kennard Sexton as accompanist. Mr. Armstrong was soloist and Mr. Cross gave a short talk in which he stressed the necessity of the leading men in every community obeying the law, even though they do not agree with its provisions.

The next part of the program was given by the smallest club in the district, Milton-Freewater. Homer Shangle gave a brief address in which he expressed delight in being a member of the new club and stated that already the club had done much to consolidate public spirit of the two towns, Milton and Freewater. Bob McNight sang a couple of novelty songs, which were of a different type than ordinarily offered. Mrs. McQuary and Mrs. Munsell sang a duet, accompanied by Mrs. Fullerton.

Two Fine Features

The next part of the program was given by the Pendleton club, featuring two very fine offerings. Mrs. Philo Rounds, accompanied by Miss Anne Shell at the piano, gave the audience a rare treat with several violin numbers. She exhibited extraordinary ability and her numbers were highly appreciated.

Mac Hoke, agriculturist, former school teacher and county agent, and who now claims he is a lowly sheepherder from Pendleton, gave a masterful address on "International Relations," which is the sixth object of Rotary. Mr. Hoke, coming at the end of the program, held his audience spellbound while he went into the past, present and future problems between nations. The speaker had made an intense study of his subject and is especially well versed in the covenant of the league of nations.

The program was followed by a very enjoyable dance, which concluded the meeting.

Presidents of the clubs introduced by Dr. Murphy follow: Sprague Carter, of Pendleton; John Crawford, of Walla Walla, and Dick Monahan, of Milton-Freewater.

juvenile court, was called as the second defense witness. She stated that she had examined Miss Pringle at the request of the juvenile bureau on the evening of the alleged assault.

"And did you find any evidence?" asked Ford, "to support the girl's assertions?"

"No," replied Dr. Beatty.

Prosecution Wins Point

Efforts of Ford to elicit information regarding the past life of Pantages' accused by questions asked the witness were objected to by Fitts and sustained by the court. The argument over the admissibility of the testimony reached a point where the jury was excused while opposing lawyers wrangled.

Dr. Beatty was on the stand when court adjourned and will resume her testimony today.

SHERWOOD MAY SEE ACTION IN SATURDAY TILT

WHEAT HEAVY AND 4 CENTS LOWER TODAY

CHICAGO, Oct. 16 (AP) Wheat prices took a downward swing today largely as a result of an official summary showing favorable conditions for domestic winter wheat. Liverpool wheat quotations were lower, and lack of storage space for new receipts was said to be causing pressure to sell. Opening ¼ to ⅝c down, Chicago wheat later showed a material farther drop. Corn and oats were also easier, with corn starting unchanged to ⅝c off, and subsequently declining all around. Provisions were firm.

Wheat closed heavy, 3⅞ to 4¼c a bushel lower than yesterday's finish; corn closed 1⅝ to 1¾c down; oats ⅝ to 1¼c off, and provisions varying from 17 cents decline to a rise of two cents.

VICTORIA, B. C., Oct. 16 (AP) The Canadian Pacific liner Empress of Canada, which ran aground near Albert Head near here Sunday in dense fog, entered the Esquimalt dry dock for repairs late last night a preliminary estimate of the damage to her bottom placed cost of rehabilitation at approximately $125,000.

The Canada was pulled off the rocks yesterday and steamed slowly under her own power to Royal Roads, near the entrance of Esquimalt harbor.
