"On With Show" Now Showing At The Arcade

Last night's audience at the Arcade theater uproariously acclaimed "On With the Show." The first 100 per cent musical color, talking, singing, dancing picture a Warner Bros. Vitaphone production (in technicolor). The color is soft and glamorous

and has none of the eye-offending razziness which has marred other and earlier attempts at reproducing the hues of nature. Vitaphone, per se, in rendition of the speech and songs and music of "On With the Show," is given marvelous credit by this innovation. The story has to do with a company of stranded troupers, who, while their amusing adventures go on, are playing a musical fantasy known as "The Chastity Lover." The cast includes such screen favorites as Betty Compson, Arthur Lake, Sally O'Neil, Joe E. Brown, Louise Fazenda, Ethel Walter, William Bakewell, Fairbanks Twins, Sam Hardy, Lee Moran, Wheeler Oakman, Harmonie Temperley, Quartet and a dancing beauty chorus of one hundred.
