Liberty School Budget Adopted By Directors

By Mrs. Charles Spencer, (Observer Correspondent)

GRANDE HALL, (Special)—A budget prescribing the amount of money to be expended for the maintenance of the school, was planned when the board of directors of Liberty school held a meeting preceding the business meeting of the Parent-Teacher association, when that organization met at Blue Mt. Grange Hall. A short business session which followed the directors' meeting was held by the association during which time, Mrs. Bert Grant, the president, made her committee appointments for the year, and the decision was made that the association change its regular meeting night to the third Friday of each month. The committees appointed are as follows:

Programs—Mrs. Carrie Spencer, Mrs. Inez Jenkins and Mrs. Mamie Hughes; social—Mrs. Nellie Spencer, Mrs. Fannie DeLong and Charles Spencer; welfare—Mrs. Harriet Macarty, C. B. Tolson and George Hughes. The entertainment of the evening was provided by the "lowers" in a contest that was held during a party given recently at Blue Mt. Grange hall in honor of Mrs. Inez Jenkins, teacher of the school, Ernest DeLong and Mrs. Jenkins being the leaders of the contesting sides, with Mr. DeLong's side losing. The program was as follows: Recitation, Philip Johnson; violin number, Fay Spencer, accompanied at the piano by Mildred Spencer; recitation, Alma DeLong; song, Frank Johnson. At the conclusion of the evening's enjoyment, Mr. DeLong and his assistants served doughnuts and cider. At the next meeting, Nov. 15, the young folk of the community, headed by Miss Mildred Spencer, will have charge of the program.

Mrs. Bert Grant and Mrs. George Hughes will entertain the Country Club, the afternoon of Thursday, Oct. 31, at the home of the former.

When Blue Mt. Grange met Saturday, the meeting was dismissed shortly after dinner because a large number of the members wished to attend the funeral of Mrs. J. M. Smith which was held at the Sumnerville chapel.

Mrs. Albert Spencer and Mrs. George Hughes will be hostesses to the members of the Birthday Dinner club next Friday at the Spencer home in La Grande.

Several members of the Union County Pomona Orange met Sunday with members of Blue Mt. Grange at their hall to make arrangements for the special meeting of the Oregon State Orange that will be held in La Grande Saturday.

The net result was that settings for the entire production, other than a cotton field which was found in Northern California, were built either at the Fox studios in Hollywood or the outdoor location at Fox Hills in Westwood, and those who possess firsthand knowledge of the local area invited to pick flows, if they can. The settings proved to be charming in the extreme.

LONDON, (AP)—One of the new automobiles being shown at the motor show here this year is a car that carries its engine in the rear, where most motorists would hang the spare tire.

Tank, carburetor and everything are there, and the power is applied almost directly to the back wheels. The makers claim more speed, less noise and a complete absence of engine fumes inside the car as the chief advantages of this departure from the customary method of engine-mounting.

She's Ambitious

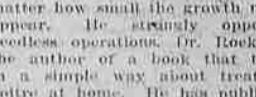

Lots of women are becoming airplane pilots but few of them are striving for a transport pilot's license, which qualifies the holder to fly the biggest passenger liners. Nevertheless, Laura Ingalls, 24, above, has set that as her goal. A student at Universal's St. Louis Flying School, she has already qualified for a limited commercial pilot's license.

Goitre Not a Disease

Milwaukee Doctor Makes Remarkable Discovery

MILWAUKEE, Wis. — It has been brought to light by scientific research that goitre is not a disease and is not to be treated as such. Dr. A. A. Rock, Dept. B-23, Box 757, Milwaukee, Wis., a prominent goitre specialist for over 24 years, has perfected a different method of treatment for his patients that has proved remarkably successful. This same method is now being used for a home treatment of goitre cases all over the country with astonishing results. The doctor states that goitre is a condition which grows worse with neglect and recommends immediate attention on matter how small the growth may appear. He actually opposes needless operations. Dr. Rock is the author of a book that tells in a simple way about treating goitre at home. He has published this book at his own expense and will send a copy free to anyone interested.
