Big Three Face Tough Contests On Grid Field

NEW YORK, Oct. 25 (AP)—It is no new thing for Yale, Harvard or Princeton to enter an October game in the city of another, and all three will be in the role tomorrow...

Yale will deploy against the coaches in the Yale bowl with the leading Warner offense on a half masted and depending upon an air attack to turn in a possible upset. Even with Bob Tuck's absence from his post at center, Harvard will present a favored fourth month eleven for more of a problem than Columbia was able to offer last week.

WILL FIGHT TONIGHT EUGENE, Ore., Oct. 25 (AP)—Joe Siegf, Seattle and Chuck Borden, Eugene, will headline tonight's fight card here in a ten round event.

COAST GIANTS TO CLASH TOMORROW

Stanford-Trojan Football Game Looms as Most Important of Year

SAN FRANCISCO, Oct. 25 (AP)—The giants of Pacific coast grid-irons, Southern California and Stanford, will meet in Palo Alto tomorrow in the most important game to be played in the west thus far this year.

Two other conference engagements are on tomorrow's bill of fare as well as four non-conference clashes, but they fade into a second rate position before the battle of Palo Alto.

The Trojans left Los Angeles last night for Palo Alto and the Stanford squad moved out to a second country club to get away from vacationing spectators. Every seat in the stadium, over 8,000, was sold out last Wednesday, and tomorrow's battle will mark the first time in Cardinal history that the big bowl has been filled to capacity for a mid-season game.

Leading the list of non-conference encounters is the game at Berkeley between the University of California and the Olympic club. The Bears returned home Wednesday from a successful mid-season sixteen invasion, and will take on the children tomorrow in a preliminary to their important contest with Southern California next week.

Contests between Washington State and Whitman at Pullman, C. C. L. A. and Bonanza at Los Angeles and Montana at Montana State at Pullman will be the activities of the conference team.

IDAHO ELEVEN ON WAY TODAY TO CORVALLIS

MORGOW, Ida., Oct. 25 (AP)—A chastened crew of Idaho Vandals celebrated last night on their second Oregon invasion, as the season to meet the Oregon State college football team at Corvallis Saturday.

All week Coach Leo Culand and his crew have worked hard not to let little white they attempted to eliminate the defects that caused Idaho to lose, 24 to 6, to Oregon last week, and to work out some plan of attack that would upset the Beaver Orange-men. In the absence of a statement by Culand, it was presumed that rejuvenated aerial offense and defense would be exhibited Saturday.

Twenty eight men, including an irregular left last night.

SENTENCED TO 10 YEARS ASTORIA, Ore., Oct. 25 (AP)—Warren Colby, Astoria junkman, convicted on a statutory charge involving a minor girl, was sentenced to serve 10 years in the state prison by Judge Howard K. Zimmerman.

BEHAVIOR BIG TAX CHECK BALEM, Ore., Oct. 25 (AP)—The state treasury today received a check for \$127,554.21 in inheritance tax payment from the estate of the late Henry Long of Portland. It is the total tax and the third largest inheritance payment ever received in Oregon.

Oregon to Play Without Three Grid Regulars

SEATTLE, Wash., Oct. 25 (AP)—The University of Oregon football team, due here today from Eugene, Ore., will probably be without three of its regulars when it meets the University of Washington eleven Saturday.

George Stadelman, line center, broke his ankle in the Oregon-Idaho game last week and remained in Eugene. He will be out for the remainder of the season. Bobby Robinson, fullback, and Austin Colbert, also were injured and may not see action against the Huskies.

The likely starting lineup will include Eric Foresta at center, Irving Schulz instead of Elbert at left tackle and Al Brown instead of Robinson at left half. Foresta, Schulz and Brown are all sophomores. With Erdby at left end and Mosler at fullback, who also are sophomores, the well-oiled team is comparatively green. Captain Mason is the only player to have had two years experience.

A different backfield combination than any the Washington team has had to date will prob-
