BAKER GIVEN SUSPENSION FOR SEASON

Athletic Board Upholds La Grande's Protest at Grid Hearing.

FOOTBALL GAMES ARE CANCELLED

Players in Question Are Found to Be Ineligible—Corvallis Also Enters Testimony.

Baker high school was suspended from the Oregon State High School Athletic association for the remainder of the football season at the conclusion of a hearing held before the association's board of control in Portland Saturday.

The decision of the board follows the board of control of the O. H. S. A. in its session Saturday, October 25, 1929, in court house, Portland, Oregon, to hear protests from La Grande and Corvallis high schools against Baker high school, report the following findings:

The certain players used in games by Baker high school were ineligible; that Baker has disregarded the principles of good sportsmanship and has failed to take ordinary precaution in the enforcement of eligibility rules laid down by the State High School Athletic association.

The board of control therefore declares Baker high school suspended from membership in the O. H. S. A. until the next annual meeting of the association, signed: B. H. Conkle, chairman; Harold G. Henson, and Roy E. Cannon, secretary-treasurer.

The above findings automatically prevent any Baker high school athletic team from playing an interscholastic game until the next meeting of the association, which is scheduled for December. The order is interpreted here to mean that Baker, in order to be reinstated in the association, will be required to make a report at the December meeting.

Affairs Wide Attention The Associated Press, in a news story today, stated that revolutionaries were charging up and down the state today as a result of the suspension of Baker. "It was widespread around Portland today that other high schools of the state might feel the weight of the protest," the story said.
