THE GUARDIAN BUILDING & LOAN ASSOCIATION

Of Portland, Oregon

Announces the Purchase of THE LA GRANDE BUILDING & LOAN ASSOCIATION

*With the Intention of Maintaining a Branch Office
in La Grande for the Convenience of
the Depositors and Stockholders*

The purpose of the purchase is to develop every possible angle of the Building and Loan business to benefit Union County. This purchase will add strength to the local depositors and the field by giving larger capital securities and diversification of securities by having loans all over the state.

The Guardian assets now approximate over One Million Dollars and are pledged to absorb other associations throughout the state thereby giving every county the opportunity to participate in the growth of the Guardian.

Every Guardian depositor now receives 6% interest compounded semi-annually on all deposits. Thru a more thorough understanding of the Guardian Association advantages, depositors may use this service for building a home or setting up a life endowment.

The Guardian Association embodies all elements of sound business principal for saving and the securing of money. You may deposit one dollar or a million. We have sufficient outlet for all monies available and guarantee 6% on all deposits.

The office and staff welcome all depositors of the La Grande Association and hope that all people of Union County will cooperate with them in making the La Grande branch the largest in the state. It is the intention of this association to have at least one thousand depositors paying into the La Grande branch. To this end it is hoped that all persons residing in Union County will avail themselves of the opportunity of starting a 6% saving account with safety.

To every person starting a saving account of one dollar or more we will present a beautiful gift. We feel that the average wage earner and investor has little time to go about looking for a place to invest a small sum every month. You may accomplish this with safety through Building and Loan. Fundamentally Building and Loan is safe. There is no record of a failure in the state of Oregon and it is participated in by over Twelve Million people in the United States.

We wish all the people in this community to become acquainted with us. We invite you to come in and meet us.

Nearly fourteen millions (14,000,000) of people in the United States use Building & Loan to save money. It is the only way because it is systematic.

You too should take advantage of this opportunity of starting a savings account at 6% interest.
