### THEATERS

**Alan Hale Has Leading Part In New Talkie**

Since the motion picture screen became audible there has been a great dearth of comedies. For that reason the theater-going public of La Grande should hail with pleasure the announcement that "Sailor's Holiday," an all-talking comedy feature with Alan Hale in the chief role, will be shown here Friday. It will be shown at the Arcade for two days and, judging from advance reports, it carries a great cargo of laughs, riddles and kuffaws.

"Sailor's Holiday" was built for laughing purposes only. It is claimed that there isn't a dull moment in it, and that when you're not laughing, you're either holding your sides from a previous laugh or catching your breath in preparation for the next.

This story deals with two of Fido Sam's naughtiest nephews, whose efforts to stay out of the brig when on shore leave, get them into one little of hot water after another. Their escapades carry them into a sailors' dance hall, through an amusement park where some tremendously thrilling scenes that has romance and heart-throb cleverly mixed in it for diversions.

er they will have to tell anyhow.

"What time is it, little girl?" asked a woman passing alone the street.

"I don't know, but it can't be 4 o'clock yet."

"Why not?"

"Because mother told me to be home at 4 o'clock and I'm not home yet."

### GABBY STREET NEW MANAGER OF CARDINALS

ST. LOUIS, Oct. 21 (AP)—Charles "Gabby" Street, who caught Walter Johnson's first fast ball while a member of the Washington Senators from 1907 to 1911, was named manager of the St. Louis Cardinals for 1930 by President Sam Breadon last night. Street left his home in Joplin yesterday for St. Louis to sign a contract.

The former catcher, who once caught a ball tossed from the Washington monument, has been coach of the Cardinals for the past season and toward the end of the season was acting manager in Bill McKechnie's absence. He started in professional ball in 1900 at the age of 16 and was in the majors for about ten years with the Cincinnati Reds, Washington Senators and New York Yankees. Through the 1920 to 1928 seasons he managed minor league clubs and finished out of first division only one time.

as much as Frank Catlin's yearlings, the coming game takes on greater proportions of helping to decide the freshmen grid championship of the northwest.

The Indians have won five victories—Albany college, Chemawa, Salem high school, Eastern Oregon Normal and St. Martin.

**OLD CORNS COME OFF BY THOUSANDS**

Our clerks are demonstrating how easily "END-O-CORN" removes the most stubborn old corns or calluses. All this and next week hundreds of men and women will profit from the demonstration being given at our stores about END-O-CORN. You who have become discouraged by the poor results obtained from the use of so-called "corn cures" should come in TODAY to hear about the ONLY remedy that will surely remove all corns and calluses quickly and without pain.

If you live too far away write to END-O-CORN LABORATORIES, 4 Garfield Blvd., Chicago who will see that you receive a jar promptly.

As a rule, salt water is bluer than fresh water. Pure ocean water has a clear blue color because salt water does not absorb the blue rays of sunlight as it does the red rays.
