

CELEBRATION TO BE HELD HERE NOV. 11

Armistice Day Plans Are Being Completed by American Legion.

PARADE TO OPEN DAY'S PROGRAM

Sports Events to Include Football Game and Boxing Card—Dances Will End Day.

With Armistice day only a little more than a week in the future, the American Legion of La Grande is entering into final preparations for the annual celebration.

The tentative program includes a parade in the morning, a luncheon for ex-service men at noon, a football game between La Grande and Pendleton high schools at 2 o'clock in the afternoon, a boxing card at 7:30 p. m. in Rex hall, which has been approved by the La Grande boxing commission, and dances in the evening.

The parade, as always, will be one of the feature events of the day, with two or three drum and bugle corps, the American Legion members and the auxiliary, other patriotic organizations, the local company of the Oregon national guard, etc.

The afternoon football game will be one of the most important in the Tigers quest for the Eastern Oregon championship, and it will bring together two schools who have battled for supremacy in athletics for many years.

The football game alone, without the many other attractions, would serve to bring hundreds of out-of-town people to La Grande, particularly from Pendleton and Union and Wallowa county towns.

The boxing card is being arranged by F. N. Ford, local matchmaker, and will feature George Luceros, 142-pounder, of Astoria and Del Allen, 143 pounds, of La Grande, in the 10-round headliner.

These two fighters have met several times before with little chalking up victories. In a way, this battle is expected to definitely decide who is the best of the two.

Arnold Westover, 141 pounds, of Vernonia, who has fought in Portland and other coast cities, is matched against Kid Alabama, 142 pounds, of La Grande, in the 10-round main event. Local fans are expected to bring a heavy crowd to the fight.

Two standing four-round preliminary bouts will be featured.

EIGHTH GRADE CLASS ADOPTS NEW METHODS

In accordance with the new state course of study, the eighth grade girls are now given a survey course of home economics instead of actual cooking practice. It is hoped by this new method that the girls will become more worthy home members, that they will have a greater respect and regard for the home, and that they will be better able to take a part in its many activities.

Such problems as learning to care for younger brothers and sisters, learning to do for the best interest of health, and learning to take care of their own clothes and to spend their own allowance wisely are discussed and practiced in class.

The girls may, if she finds herself interested, continue home economics work in high school by electing courses in food selection and preparation of clothing construction.

The first term high school girls are now beginning the daily serving of breakfasts, in the small dining room as a regular part of class work. Upon the completion of this work the second term girls who have served both breakfast and luncheons will begin working with dinner menus. The girls enjoy having anyone interested come and watch them. It is reported.

Pantages Must Remain In Jail Until Saturday

LOS ANGELES, Nov. 2 (AP)—Alexander Pantages, multi-millionaire showman, must remain in the county jail at least until November 9, the date set by Superior Judge Charles Fricke for arguments on his motion for a new trial and pronouncement of the sentence of from one to fifty years in prison, which the theater magnate faces as the result of his conviction on charges of a criminal attack brought by Eunice Pringle, co-ed dancer.

Reports of private detectives and members of the family that anonymous telephone calls and letters had been received by Carmen Pantages, 19-year-old daughter of the convicted man, resulted in an armed guard being thrown about the Pasadena home. Private operatives investigating some of the mysterious messages, said they believed an attempt was being made to kidnap the girl. The letter, written in a feminine hand, urged Miss Pantages to come to a certain address where she would receive information of great value. Investigators said the address was fictitious.

A statement of District Attorney Huron Pitts that his investigators had discovered that Pantages had planned to escape into Mexico by airplane brought forth an emphatic denial from the theater man.

YALE BOWL, New Haven, Conn., Nov. 2 (AP)—With a crowd of more than 70,000 football mad persons looking on, Yale defeated Dartmouth this afternoon 16 to 12. The crowd made a new record by at least 16,000 for the Yale and Dartmouth game. Yale could not gain after receiving the opening kick off and had to punt. The Green was stopped by the Blue and Marsters tried to punt back. Greene blocked the kick. Marsters recovering on Dartmouth's 20-yard line, he kicked a punt back to the 40-yard line after Hall had made a second attempt to punt. Marsters kicked a 25-yard line, but a lateral pass, Hall to Dunn got the distance back. With the ball on the Green's 20-yard line Booth was sent in for Yale.

Booth Kicks Goal A penalty gave Yale five yards and at once Booth made 11 yards down on Dartmouth's 13-yard line. Booth made a goal from the field from the 15-yard line and the score was Yale 3; Dartmouth 0.

Marsters took the Yale kick-off and ran 42 yards to midfield. Two running plays failed and Marsters dived outside on the 20-yard line. Dartmouth stopped Yale but was off side on the punt and Booth then ran a first down in two plays. Booth took Marsters' punt line in the first period and ran it back 44 yards to Dartmouth's 38 yard line. He added a first down on the Green's 24-yard line just as the teams changed goals.

Dartmouth rallied at the start of the second period and took the ball on downs on its 15 yard line. The Green added five yards. Booth kicked from his own goal line and after the ball struck Yale fans' hands a Dartmouth player caught it in the air for a 12-yard gain. Marsters, however, was stopped, and he had to kick to Yale's 44 yard line.

Yale Shifts Tactics Yale suddenly shifted its line. Dartmouth stopped Yale out on a punt, placed upon him, Booth added five yards. Booth and Ellis then combined to make it first down. Cole caught Booth behind the line of scrimmage and a pass failed. Booth then kicked over the goal line. Dartmouth however, soon had to kick back.

The remainder of the second period was uneventful with no serious scoring threat by either team. Marsters was removed in the middle of the period in favor of Longnecker and Lemham of Yale was carried from the field on a stretcher. Booth was bottled up in the last minutes.

Yale Scores Yale made a touchdown early in the third period when Marsters fumbled and Dean recovering in the air, ran 30 yards without a hand being placed upon him. Booth kicked the goal and the score was Yale 10; Dartmouth 0.

Booth with a 29-yard run immediately after the kick-off to start the second half, placed the ball in Dartmouth territory. The Green stopped Booth's running attack and he tried for a goal from the field from the 40 yard line. Dartmouth took the ball and the fumble soon led to Yale's touchdown.

Green Breaks Through Dartmouth linked three great passes to score a touchdown in the third period. Taking a Yale punt on the Dartmouth 17 yard line, Marsters ran back to his goal line and passed to Boema who fell on the ball in midfield.

Marsters then passed to McCall on Yale's 35 yard line and he passed to McCall left him with an unimpeded path to the goal line. Wolff missed the try for the extra point and the score was Yale 10; Dartmouth 0.
