SECONDS DEFEAT UNION TEAM 50-0

Bobcat Squad Outclassed by Heavier, More Versatile Tiger Eleven.

Gaining almost at will, a heavier La Grande second team defeated the Bobcats from Union here yesterday afternoon 50 to 0 in the first game of the season for the local reserves.

The seconds scored two touchdowns each in the first and second periods, V. Patton carrying the ball over in each instance. Try points after touchdown found only one successful, the half ending 25 to 0.

The third quarter found the Union team showing stubborn resistance, although the Tigers chalked up several first downs. It was in final game, however, that the works occurred. Three more touchdowns were smashed over, aided by successful aerial thrusts, in short order.

Torrence scores on kick-off. The fourth touchdown in the second half was the result of a 60-yard dash through the Union team by Willie Torrence, who received the kick-off on his 40-yard line and took off three or four Bobcat tackles before he broke clear to outrun the remainder of the Maroon eleven.

Sheppard, Cochran, Patten and Sullivan alternated in carrying the ball, all making consistent yardage, and both ends—Torrence and Ellen—were on the receiving end of forward passes. Cochran nearly scored off a touchdown from mid-field in the last quarter but was fumbled a few yards short, finally carrying it over a few plays later. Sullivan scored one of the touchdowns on a forward pass from the five-yard line.

Unable to Gain Consistently. In most cases, Union was forced to punt after getting possession of the ball, but a few times made yardage sufficient for first downs, completing forward passes a few times. Crossland was able to crash the Tiger line for gains occasionally but the better forwards were unable to hold the La Grande defensive thrusts in abeyance consistently enough for any sustained march.

It is with a traffic early to liberate any combination another "Four Horsemen" even when it happens to be so compact and mobile a quartet as Caridge, Elder, Brill and Mulline or Savoldi, this year's first-string product of Prof. Hoekness. The professor himself scarcely would encourage the comparison at this early stage of the exhibition proceedings, where it will take the November "push" to determine the ratings for 1929.

Great backfield combinations such as the Stubbendor-Crowley-Miller-Layden quartet of Hoekness's teams of 1922-23-24 and put together about once in a purple moon. A Nevers, Oberlander, Grange, Harley, Drury, Carroll, Cagle or Clark may come along to set off the individual fireworks but it is rare when any combination develops the smoothness, coordinated action, power and versatility of the famous "Notre Dame" "Four Horsemen." They are in a class by themselves as far as post-war football is concerned.

Corr-H had a great set of backs when Kaw, H'ann, Cassidy, and H'anney were flipping opposites to set off the individual fireworks but it is rare when any combination develops the smoothness, coordinated action, power and versatility of the famous "Notre Dame" "Four Horsemen." They are in a class by themselves as far as post-war football is concerned.

It will be worth noting what Harry Heilmann, one of the last of the old guard of Detroit sages, can do against National League pitching most seasons in the uniform of the Cincinnati Reds. Old "Doc" led the American league four times in his unique odd-year campaign and he was up around 250 this year even though he didn't lead the pack again.

In the senior circuit the American league batting king of 1921-22-23-24, George Sisler, to make it look like a converted driver on the National league boxcar. After the way the latter have been manhandled in the last three world's series, it would be rubbing it in for Heilmann to grab off the National league batting crown.

Ed Delahanty is the only slugger with the distinction of leading both major leagues at bat. The Ed. then with the Phillies, topped the National league with

NORTHWEST GRID TITLE AT STAKE

Two Oregon Teams and Washington State Are Tied for Leadership.

By Frank G. Gorrie
(Associated Press Sports Writer)

PORTLAND, Ore., Nov. 2 (AP)—The football championship of the northern section of the Pacific coast conference was the object of both Washington State college and Oregon State college grid elevens in their annual battle on a neutral sand-dust field here today. The Oregon State Beavers were considered slight favorites by virtually everyone in this city last night except the band of Cougar followers who journeyed down here from Eastern Washington. The visiting Washingtonians could see nothing but a Cougar victory.

Three teams—Oregon, O. S. C. and W. S. C.—are tied for first place in the Northern division and the Oregon-University of California at Los Angeles contest at Eugene and the Beaver-Cougar battle here today made up the semi-finals of the title race. All three elevens have lost one game each. Oregon and O. S. C. both fell before the onslaught of the Stanford Cardinals and W. S. C. dropped its first conference tilt to California.

How It Stands. Victories for both Oregon and Oregon State today would result in the two elevens battling for the northern championship at Eugene November 16. A Cougar win this afternoon would give the Pullman eleven a claim for the title in the event that it hurdles Idaho and Montana later this month. W. S. C. and Oregon do not meet this year.

Both the Beaver and Cougar combinations were in good condition for the fracas and a torrid battle was predicted.

Dry weather was forecast for today and a large crowd was expected to witness the game.

OREGON PLAYING UCLA TEAM

UNIVERSITY OF OREGON, Eugene, Nov. 2 (AP)—The University of Oregon Webfoot and the Bruins from the University of California at Los Angeles were matched here today in the annual "Dude Day" football game.

Odds heavily favored Oregon to win, but Coach John J. McKwan was prepared to send in his first team. He planned to experiment with his reserves in preparation for the game with Oregon State college here on November 16, should the opportunity present itself, however.

The UCLA were here in full force with the exception of Don Jacobson, who was injured in the first game of the season, and Bob Ramus, who has been out of the last two contests with a severe cold.

A mark of 408 in 1899. Three years later, with the Washington team, he led the American league with 356.

High Waters in Hialeah, Fla.

Torrential autumn rains and overflowing streams turned the area about Hialeah, a Miami, Fla., suburb, into a chain of lakes. The striking aerial view shows how the town of 10,000 population, noted for its race track and amusement centers, and the surrounding region of the Everglades, were inundated by the unceasing cloudbursts and rising waters. Streets were converted into rivers and hundreds of families fled their homes.

Smith Maintains Lead In Oregon Golf Tourney

PORTLAND, Ore., Nov. 2 (AP)—With six important strokes separating the leader from his nearest rival, the third and final round of the annual Oregon open golf championship was set in progress on the Columbia country club course here at 8 a. m. today. Eighteen holes were to be played by the 51 remaining contestants in the morning and 18 after noon. Bill McDermid, Seattle; Cecil Van Derford, Portland, and William Palmberg, Astoria, Ore., were to tee off first. They were to be followed at five minute intervals by the rest of the field.

In case of ties, the championship, for which cash prizes totaling \$1200 have been posted, will be played off tomorrow.

Horton Smith, young professional from Joplin, Mo., is the shotmaker who has found the hazards and traps of the Columbia course so much to his liking. Smith, in two brilliant performances, circled the lengthened championship course in 67s, bettering an unusually difficult par by five strokes on each occasion. Added to the physical hazards of the course yesterday were a high wind, which took other contestants' shots everywhere save where they belonged, and, at times, a virtually impenetrable fog.

Smith's powerful drive, many of which carried over 300 yards, defeated the wind, however, and his cautious advance study of the course served to nullify the fog handicap.

The young professional's approach shots and putts added to his superb game. His putting was described by many as perfect and one-putt greens for him were the rule rather than the exception.

Next to Smith in low scores were Mortie Dutra, Tacoma, and Walter Hagen of Detroit, with 140s. Dutra shot a 69 on the first round Thursday and 71 yesterday while Hagen's longest a 71 first and a 65 yesterday.

Lightnings Harry Cooper, Jurfalo, N. Y., with 141 was two under Olin Dutra, Los Angeles, Tommy Amour, Detroit, and Ed Dudley, Delaware, all with 143s.

Frank Dolp, Portland, led the amateurs with a 146 and was followed by Dr. O. F. Willing, also of this city, with a 148.

HUSKIES TRIM PUGET SOUND IN NIGHT TILT

TACOMA, Wash., Nov. 2 (AP)—The University of Washington football team defeated the College of Puget Sound 73 to 0 in the first after dark football game ever staged in the northwest here last night.

The night game attracted 20,000 fans to the Tacoma stadium and the experiment was considered a success although a fog that rolled in during the closing considerably interfered with visibility.

Two Seasons Of Grid Supremacy To Be Settled

By Paul H. Zimmerman
(Associated Press Sports Writer)

LOS ANGELES, Nov. 2 (AP)—Two seasons of gridiron supremacy remain to be settled today before the 75,000 football enthusiasts who will gather at the coliseum to witness the clash between the University of California chosen and the Trojans of the University of Southern California.

For when the moon of Troy line up against Coach Clarence "Nibs" Price's proud Golden Bears, the play will have direct bearing on the scoreless draw which lurks in the background of a year ago. Moreover, the winner of today's classic stands in good stead to finish the Pacific coast conference season with the championship honors.

Both mentors have teams of better caliber than those sent in against each other at Berkeley a year ago. Man for man, the opposing lines are considered to be almost on a par, with a pretty conflict promised between the forwards.

Smart, deceptive backfield combinations are boasted of by each school, while the two coaches are blessed with an imposing array of reserve material. On the substitutes may hint victory or defeat.

Coach Price has indicated that his gridsters are in excellent condition, while the Trojans are also in top form.

Loyola College Is Victor at Pasadena

PASADENA, Cal., Nov. 2 (AP)—A fast Loyola college eleven turned back the heavier California agriculture college team 6 to 0 in an after dark specialty at the Rose bowl last night. Struts star Lon halfback scored the lone tally two minutes after the fourth quarter opened.

The farmers fumbled away all their chances. The finest play during the game was in the final period when Cliff, who had injured in a creditable game at halfback, dropped the ball on the Loyola 16-yard line when the touchdown seemed but a few plays away.

OREGON FROSH WIN

EUGENE, Ore., Nov. 2 (AP)—Scoring four touchdowns in the second period, the University of Oregon Frosh defeated the Centralia junior college here yesterday 27 to 13. The Oregonians used second string men throughout the second half of the game.

The Centralians took the lead in the first period, but the frosh stamped shortly after the second period began and sewed up the game. The visitors scored in the last in the third period.

WATERS WINS MATCH

EUGENE, Ore., Nov. 2 (AP)—Taking two falls in short order after losing the first fall of the match, Texas Teddy Waters, junior middleweight champion, won his wrestling match here last night from Lim Lamb, Canada.

SPRINTER HURT IN JUMP FROM BURNING HOUSE

LOS ANGELES, Nov. 2 (AP)—Frank Nyoff, University of Southern California champion sprinter, suffered a slightly injured ankle today when fire which destroyed the Alpha Alpha fraternity house on the U. S. C. campus forced him to jump from a third story window. He landed on the veranda roof, and dropped to safety after the flames had cut off his escape by the stairs.

The fire, the third to attack fraternity row within a few days, caused loss of approximately \$25,000 in destruction of the building and its contents, and damaged a neighboring private residence to the extent of \$1,000. The losses were announced as covered by insurance.
