You want to drive all the suffering out of the system—and keep it out.

Broad minded pharmacists will advise Allenra because they know of the countless number of people it has helped.

Kitzmiller Back In Harness With Webfoot Eleven

UNIVERSITY OF OREGON, Eugene, Nov. 14 (AP)—A big blue bear which stalked the Oregon football campus the first part of the week stood shorn of its fierceness today with the return of Johnny Kitzmiller, the "Flying Dutchman," to uniform.

McKean is taking no chances, however, and yesterday's practice saw Johnny Lonsdale, Kitzmiller's understudy, booting punts and holding passes throughout the session.

Fave Mason, captain, and Bobby Robinson probably will comprise the backfield, the Oregon front said.

The line, McKean declares, will be practically the same Saturday or in the past with the exception that Ray West may replace Jerry Little at guard.

National Corn Husking Bee To Be Great Event

PLATTE CITY, Mo., Nov. 14 (AP)—Down in the fertile Missouri river bottoms of Platte county approximately 20,000 persons will gather tomorrow to watch a sporting event. There will be no stadium, no cheer leaders, no pom-poms or colors, but excitement will be at fever heat along the sides.

Most of the twelve contestants have a liberal sprinkling of gray hairs, for the art of bounding 'em off the bang-board at record speeds comes only with arduous years in the field.

It's the sixth annual "world series of the corn fields," the national corn husking contest.

Not even the extravagance of an inter-sectional football game can outdo the element of the picturesque in the national husking bee.

The contest lasts 60 minutes and a bulletin board and loud-speaker set will keep watchers informed of standings throughout the "game."

The National Broadcasting company has strung wires from Kansas City and listeners in kitchenettes of New York or San Francisco will be enabled to get a "frank-by-frank" account, beginning at 11:45 a. m. Central standard time.
