NEW YORK, Nov. 20 (AP)—Six cable repair ships were groping the bed of the North Atlantic off the coast of Nova Scotia today for cables broken on Monday by the earthquake along the seaboard.

Ten or more of the connections between America and Europe were severed by the upheaval among the hills and valleys of the ocean's floor.

An author married a rich widow the other day. One good way to achieve success at the writing game.

Can Any Store Sell at Lower Prices Every Day?

In San Francisco, in Chicago, in Montreal, in Dallas, in New York, stores claim to sell lower than other stores. Perhaps some stores in La Grande have claimed to sell lower than any other store. Can any store sell at lowest-in-the-city prices every day in the year? It cannot! If any store would meet all of the low prices of all of its competitors on all the different items sold—soon there would be no store.

Of course, every sensible person knows that no store in La Grande has lowest-in-the-city prices every day in the year. But FALK'S do have fair prices every day in the year . . . and low prices . . . often lowest in the city . . . quality for quality . . . style for style! Our pledge . . . now . . . as always . . . low prices on dependable merchandise! This store was founded on the principle of selling good merchandise at low prices. For 61 years this store has done exactly that. For 61 more years this store will do exactly that. This principle of fair dealing is ingrained so deeply in this institution that it can never be altered. And that means a lot to you. Means a lot to you because you can buy dependable quality merchandise of fashion correctness here at low prices. Tomorrow. And always!

BUT MOST IMPORTANT OF ALL

At Christmas, and it's not far away now, you want five things:

- 1 Dependable quality — you find that here, of course.
- 2 Large assortments. FALK'S stocks are now complete for Christmas.
- 3 Smart, new merchandise. And FALK'S have merchandise of that type — now ready for your Christmas gift-choosing.
- 4 Courteous service. You expect that here—and will get it, naturally.
- 5 Low prices. FALK'S prices are low. Values are honest. Now . . . and always!

And so, because of (1) dependable quality; (2) large assortments; (3) correct fashions; (4) courteous service; and (5) low prices, thousands will do their Christmas shopping here!
