Triumph for American
Prof. H. S. Hopkins of the University of Illinois is said to be the first American to discover a chemical element. He discovered Iltium.

Painless Death
The term "euthanasia" means the putting to an easy and painless death babies that are hopelessly defective and people who are suffering intensely with incurable diseases.

Mark Twain's View
"When I recollect the treasure of friendship that has been bestowed upon me, I withdraw all charges against life," said Mark Twain, according to the American Magazine.

Crater Lake Supreme
While there are other crater lakes, there is none which compares in size with Crater lake, which fills the great caldera where once Mount Mazama raised its peak.

Be Chary of Bitterness
"We would restrain many a bitter word," said Bi Ho, the sage of Chinatown, "if we could foresee the tears of future bereavement."—Washington Star.

Bird Flies High
The condor probably ascends to greater altitudes than any other bird. It is believed that it sometimes struggles up to a height of four miles.
