

Football First, Then Shires Next

CHICAGO, Dec. 13 (AP)—George Traffon, center of the Chicago Bears, who will make his professional football bow against Charles Arthur Shires at White City Monday night, apparently is quite unimpaired by the reputation as a knock-out established by the great one.

Traffon plans to take the Shires out along with all other routine business, and will take his final workout Sunday afternoon by playing center for the Bears against Bennie Friedman's New York Giants.

The fact that Shires knocked out Dan Daly of Cleveland, in less than a round last Monday night, according to Traffon, has not helped him to forget that Friedman's Tony Plansky and the rest of the Giants are tough, and receive his immediate attention more than does the impending encounter with Shires.

Central Missouri counties have asked the bounty on wolves from \$1 to \$20 because breeds of the animals have increased.

Would you undertake making frosting for a cake as Tall as you are?

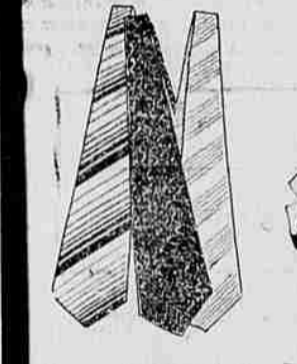

Of course not! There would be too much to handle—it would get out of control. It's the same in roasting coffee. That's why Hills Bros. roast only a few pounds at a time by their continuous process—Controlled Roasting. The flavor is perfectly controlled always. No bulk-roasting method can produce the flavor and delicious taste of Hills Bros. Coffee.

SKY WILL SHOW PICTURES ON SCREEN HALF-MILE UP CHICAGO (AP)—Picture screens half a mile above earth, made of artificial clouds, are planned for display lighting at the Chicago world's fair.

Walter D'Arcy Ryan, director of the Illuminating Laboratory of the General Electric company, says that colored pictures 200 feet square will be projected upon these clouds.

The clouds will be made by use of smoke projectors.

The average cotton yield in acre in Mississippi during the five-year period from 1923 to 1928 was 212 pounds of lint, an increase of 71 pounds over the 141-pound average from 1919 to 1923.

COULD SHE BE WRONG? EVANSTON, Ill., Dec. 13 (AP)—The familiar motorist cry, "pull over to the curb," rang in the ears of the woman motorist who ran the red light at Fountain square last night.

"I think there must be some mistake," the lady said.

"Why, you're Mrs. Bartlett, the mayor's wife," he exclaimed.

"I certainly am," said Mrs. Bartlett, and drove on.

"Nevertheless," said Officer Scribn, later, "I can't help but feel she was wrong about the stoplight."
