

There will be no happy New Year by the man haunted by ghosts of unpaid Christmas bills.

"My dear, I'm simply working myself down to a nub for the Charity association. Just this morning I sent twelve bottles of my Christmas bath salts to the starving Armenians."

Little Anna received three dolls among her Christmas gifts. Her abundant supply caused her to become slightly careless, and one day the arm came off of one, exposing the sawdust stuffing.

"Why, you dear obedient dolly! she exclaimed. 'I know I had told you to chew your food fine, but I didn't think you would chew it so fine as that.'"

Bride: "Gee, mama, I'm awfully worried about Harold — he has such terrible attacks of indignation."

Bride's Mama: "Very often, my dear?"

Bride: "Well, about three times a day."

On a cold day it is very easy to borrow a fan.—Chinese Proverb.

BEAUTY SECRET: Your eyes can be made bright and shiny by always having them on something you like.

Son: "Father what is the law of gravitation?"

Dad: "I don't know. They're making so many laws nowadays that I can't keep up with them."

TEST TRAIN RETURNS
WALKER, Ore. (AP) — The Southern Pacific test train, under the direction of Prof. Harry Hubenkong of the Purdue university, conducting tests for the American Railway association, has returned from brake testing operations in the Siskiyou mountain area, near Ashland, and has resumed tests on the level area near here.

UNION READY TO HELP
PORTLAND, Ore. (AP) — James J. O'Shea, national secretary of the National Farmers union, said the union stands ready to establish a co-operative livestock commission house here in producers of Oregon and Washington will promise to patronize it.

Establishment of the commission house here was regarded as almost certain by O'Shea, who plans to take charge of organization work in Washington and Idaho while I. C. Grimes, livestock marketing expert of the national union, will be in charge for Oregon.

DR. HODGE TO RETURN
EUGENE, Ore. (AP) — Dr. Edwin T. Hodge, professor of economic geology at the University of Oregon, who has spent the past half year in geological research in Africa, is expected back on the campus sometime early this year, according to a letter received here from him by Dr. Warren D. Smith, head of the department.

WARD'S YEAR-END CLEARANCE
