Cremation or Vault Entombment is available through your Local Funeral Director

When one we love in life has stepped beyond eternity's veil, cremation and vault entombment are the two incomparably better ways to give that reverent, protected rest which is their due.

No matter where you live, the facilities of the beautiful Portland Crematorium are available. Your own funeral director can make all arrangements; services can be conducted in your own city, or if desired services can be held in our chapels without extra charge.

See your own funeral director for details, or write to us for our free brochure that explains it all

Pain In Your Shoulder?

Use Tysmol for Relief

Knife-like jabs of pain in the vicinity of the shoulder blade are generally due to neuritis, brought on by exposure to draughts or sudden changes of weather. In some cases there is stiffness or soreness in the muscles, making it difficult to raise the arm.

The safest and easiest way to relieve such an attack is to apply a small quantity of Tysmol over the affected area. This soothing, healing preparation is quickly absorbed through the pores and carried to the throbbing, aching peripheral nerves. The pains usually stop at once, and in a very short time the last trace of soreness should disappear.

Tysmol is absolutely harmless—free from dope. It is recommended for all forms of nerve pain, whether caused by neuritis, neuralgia, sciatica or rheumatism. Sold by leading druggists. Always on hand at Glass Drugs, Inc. —Adv.
