La Grande people felt the need of plenty of fire and covers last-night, with the mercury down to seven above and a bitter wind whipping over the Grande Ronde valley, making the cold more intense and making it difficult for householders to keep rooms warm that fronted the face of the storm. The seven-above mark was the

that fronted the face of the storm.
The seven-above mark was the coldest in 11 months, and at 7:30 o'clock the increury had climbed three degrees higher, with proxpects of not surpassing yesterday's high of 22 above. Yesterday was the coldest day in La Grande since last winter, with a temperature range of only 11 degrees.

Transients are finding the weather more than ordinarily disagreeable, and several "sleepers" are being accommodated each night in

Ing accommodated each night in the city jail. Last night there were nine and the night before 10 took advantage of the city's hospitality. Children Happy, Adults Shiver Children find little to deplore about the weather, with coasting conditions excellent, but adults found much to brittelze in the possimistic prediction of the weather man issued today. Tonight and tomorrow will find continued cold and the forecast for next week is for changeable weather with temperatures generally below normal.

ally below normal.

Old Man Winter, in one of his most studiorn altitudes, continued to linger by the Oregon wayside, and although tempered by sun. Portland's weather yesterday found the mercury hovering consistently about the 25-above mark. Early today it dropped to 20 above.

Medford Below Zero
Medford had the coldest weather in 11 years with the mercury three degrees below zero. Outlying districts reported from five to eight.

tricts reported from five to eight

In Salem, citizens were digging deeper into wardrobes for warm parments to ward off the chill of a low temperature range that touched a minimum of nine degrees above last night, one degree colder than the previous night when the mercury dropped to the lowest point in Six years. Farmers reported their thermometers reading as low as five and six above during the early morning. In Salem, citizens were digging the early morning. Meacham, near La Grande, was

one of the coldest points in Oregon this morning with an official mini-mum of four below, one-degree less than Medford.
