Cheney Normal Checks E. O. N. Rally And Wins Final Score 36 to 30, With Local Quintet in Furious Scoring Spree in Last Half Of Game.

Cheney Normal school, taking advantage of raucousness in the first half, scored ten easy Eastern Oregon Normal quintet here last night 36 to 30 in a game that was full of thrills in the final half.

At the end of the first period, the score stood 21 to 2 in favor of Cheney, but a furious rally in the second saw the La Grande collectors counting 10 points while the visitors scored nine, bringing the tally to 20-23 and putting the locals in a position to win.

The Normal team seemed slow and unsure in the first half, with basket-shooting, passing and general floor work mediocre. In the last half, however, apparently inspired by the injection into the lineup of Carden and Price at forward, made the lead too great to overcome.

I. C. C. ACTS ON RAILROAD PROPOSAL LA GRANDE JUBILANT La Grande was jubilant this morning when it learned that the proposed Snake River railroad had been refused. A. W. Nelson, president of the chamber of commerce, issued the following statement: "Now that the emergency is over we might as well admit that the Snake river road was a nightmare to La Grande. Its seriousness was greater than most of us would openly grant. The chamber of commerce has been leading the fight for Eastern Oregon and spent large sums of money in the campaign to defeat the road.
