

# Pacific Coast cateresses serve SNOW FLAKES

"I always serve Snow Flakes—they are so refreshing, delicious."—Mrs. L. L. Richardson, Santa Barbara, California.

"Snow Flakes are always fresh, oven-crisp."—Mrs. M. L. Wright, Berkeley, California (at left).

"I can depend on Snow Flakes—they are always fresh and crisp."—Mrs. Lavinia Donahue, Seattle, cateress.

"I prefer Snow Flakes—they have a delicious flavor and are always fresh and crisp."—Mrs. Elizabeth Donahue, Portland, cateress (at left).

## ... because they are always fresh and oven-crisp ..

Successful cateresses serve Snow Flakes with their appetizers. These dainty, flaky soda wafers have a delicious true-wheat flavor, a sparkle of salt, and an oven-crispness that insures the thorough enjoyment of cocktails, soups and salads.

To maintain uniform goodness of Snow Flakes, we own and operate our own wheat fields in a favored Blue Stem district of Eastern Washington, and mill this choice wheat ourselves, by a controlled process.

Then, that you may enjoy to the utmost this appetizing, true-wheat flavor, we have perfected baking and distribution methods so Snow Flakes always reach you fresh, oven-crisp.

We bake Snow Flakes daily in our six great coast baking plants. We pack them fresh from the ovens in tight sanitary cartons, seal their flaky crispness in heavy wax wrappings. As a final protection, we sell them under our definite "Guarantee of Freshness." Get Snow Flakes today! You'll like the economical family-size package.
