Speedy leasing of Muscle Shoals to responsible parties, guaranteeing adequate production of fertilizer, and its operation for such purposes by the government itself.

Establishment of such tariff rates as will preserve the American market for the American producer.

Further study of the use of radio in elections and strict federal supervision of all radio broadcasting.

Retention of federal control of public lands, surface as well as mineral rights, rather than turning same over to the states.

Larger appropriations for weed control and to wipe out the burden of expense to the farmer which weeds annually impose.

Expansion of the national extension service for the benefit of agriculture.

Heartly cooperation among all bonafide farm organizations in a program of genuine assistance to agriculture and the rural people.

The Grange Opposes continuation of "daylight saving" time in any section of the United States, or any other substitute for standard time.

Observer 52nd Anniversary On Last Day of Jan.

Mr. and Mrs. A. B. Daniel, honored residents of the Cove, were permitted to celebrate their 52nd wedding anniversary last Friday at their home—an event which does not always fall to the lot of a husband and wife. Both Mr. and Mrs. Daniel are comparatively well, still are quite active and enjoy life as well as contribute much to the lives of others.

Mr. Daniel is a native of Illinois, where he was born in Whiteside county. Mrs. Daniel's native land was Bavaria, having been born in Wartburg and coming to this country when a child of six years of age. After their marriage January 31, 1878 in Whiteside county, Illinois, Mr. and Mrs. Daniel lived in the middle west for a good many years, but many occasional trips of longer or shorter duration to the west. They came to reside here permanently in 1914. They are the parents of four children, Mrs. Bertha Proctor who has recently come to the valley from South Dakota to spend the winter, Mrs. Ivy Feldman of Portland, Alfred Daniel of Long Beach, California and H. H. Daniel of Muddy Creek. There are a number of grandchildren.

Additional lettermen who reported to Coach Newman are Bill McKelip, brood jumper; Martin Ellis and Sid Johnson, sprinters; Elton Phillips and Ron Johnson, quarter; Paul Young and Alex Milton, half mile; Vern Gilmore and Chuck Webb, distance; Cliff Cordy and Ken Martin, hurdles; Cliff McLan, pole vault; Vera Eilers, javelin.

Oregon State's schedule for season follows: April 26—Oregon relays at Eugene. May 3—Washington relays at Seattle.

Heavy losses to the team this year are Cotton Whiteback, holder of the northwest javelin record, and Neal Smith, star vaulter, both of whom have finished their three-year competition. One bright spot to balance these

INCOME TAX FACTS

Failure to receive a form does not relieve a taxpayer of his obligation to file an income-tax return and pay his income tax within the period prescribed—on or before March 15, 1929. If the return is filed on the calendar-year basis, he must file with most individuals forms may be obtained upon request, written or personal, from the offices of collectors and deputy collectors of internal revenue. The tax may be paid in full or in quarterly installments, due on or before March 15, June 15, September 15 and December 15.

Persons whose net income for 1929 was derived chiefly from salary or wages and was not in excess of \$5,000 should make their returns on form 1040-A. Persons whose net income was derived from a business or profession, including farming, or from the sale or rent of property, although the amount was less than \$5,000, are required to use the larger form 1040. The use of form 1040 also is required in the case where the net income was in excess of \$5,000, regardless of whether from salary, business, profession, or other sources.

The filing period ends at midnight March 15, 1929. The returns should be filed with the collector of internal revenue for the district in which the taxpayer lives or has his principal place of business.

BENNY BASS BEATS ABAD

ST. LOUIS, Feb. 4 (AP)—Benny Bass, junior lightweight champion in several states, roundly trounced Davey Abad, the Panama flash, in less than four rounds here last night. Retired J. Harry Little declared Bass the winner on a technical knockout. Bass went ahead to the canvas eight times during the fast and furious twelve, six of them in the final stanza. Bass's title was at stake.

SICK

Yes she was sick of her old broken up dinnerware which was just a culmination of odds and ends. She looked about for something new and clever that was not expensive and found it at Richardson's Art and Gift Shop in the pretty Green Gables Pattern which only cost her an average of \$1.00 a month for a period of a year. An open stock pattern of distinctive design, and reasonable price.
