IN the Dynamic New Erskine, seventy eager horse-power is unleashed to the limit by a new full-power muffler, pioneered by Studebaker. Rubber-cushioned in a long, low-slung chassis, a great Studebaker-built engine provides more power per pound than any other car under \$1000.

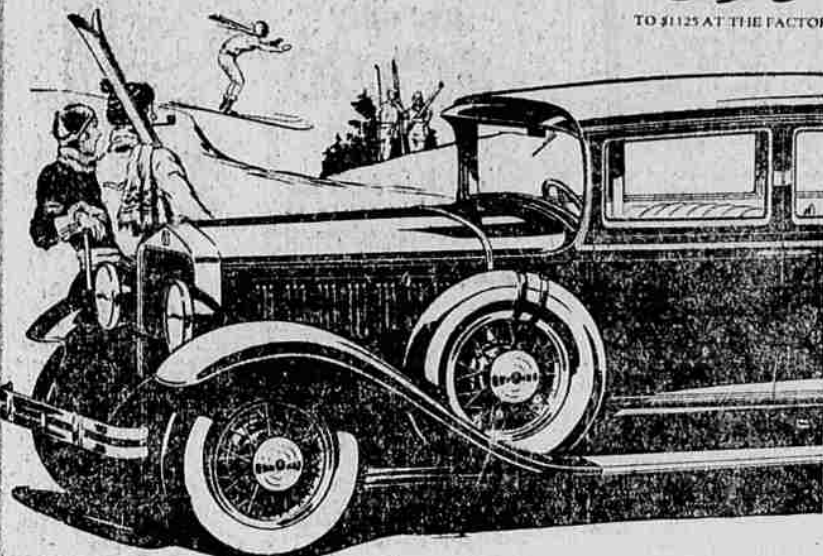

It is a BIG—and beautiful—car! It is impressive in style as in spirit. It is replete with fine

car features—114-inch wheelbase . . . Duo-Servo 4-wheel brakes . . . Hydraulic shock absorbers . . . Self-adjusting spring shackles . . . Fuel pump, gasoline filter; oil filter; force-feed lubrication . . . Thermostatic cooling . . . Crankcase ventilation . . . Ross cam-and-lever steering . . . Waterproof ignition.

### Movie Stars Want To Stay Married

LOS ANGELES, Feb. 5 (AP)—Highly intimated that Grant Withers and Loretta Young, film players, will not calmly submit to an amicable annulment of their recent Arizona airplane wedding, was contained in an announcement early today by George U. Becker, step-father of Miss Young, that the girl is missing from her mother's home. The bride's parents revealed today that Withers apparently looked with distaste upon the annulment, and has countered with a murder to the action.

### DISEASE NOT DIAGNOSED; SIX SERIOUSLY ILL

PORTLAND, Ore., Feb. 5 (AP)—Five members of a Tillamook county family remained in a serious condition in a hospital here today

suffering an unidentified malady. A sixth member was reported to have been buried Monday in Tillamook.

Those in the hospital here are: Mr. and Mrs. Archie C. Browning of Blaine, Ore., and their children, William 12, Aaron, 11 and Dorothy, 4. A twin sister of William was the one reported buried.

Physicians, who attended them and said all their conditions were serious, also said that Browning told them the entire family was suffering from a skin disease. He said Mrs. Browning mixed a solution of sulphur because "we had heard that was good for the skin."

The information relative to the mixture of the ingredients was vague, physicians said.

"The family was so ill none could attend the funeral of the twin sister."

LEAPS TO HIS DEATH  
BUTTE, Mont., Feb. 5 (AP)—Mike Mitchell of Portland, Ore., jumped to death today from the ninth floor of the new Plinien hotel here.

GRANT'S PASS, Ore., Feb. 4 (AP)—Pinned beneath a tree he had felled, Charles A. Tucker, 23, fought a desperate but vain fight for life in the woods in a remote part of his homestead near Selma, Ore., all day Monday.

Neighbors found him late last night. He had fought himself loose from the trap, but was dead when found. His last efforts were spent in dragging forth a notebook and pencil from his pocket and addressed a last message "to his wife and child."

Funeral services probably will be held here.

A boy in Mexico recently shot his teacher. Pupils who do that in Chicago have to remain after school hours and write "I must not shoot my teacher" 100 times.

### J. F. Hall Takes Presidency Of Community Club

By Mrs. L. E. Hill (Observer Correspondent)  
KLAM, Ore. (Special)—The Community club held its regular monthly meeting and dinner at the Elgin cafe. There were 18 members present and the incoming president, J. F. Hall and the secretary, Dr. H. B. Smith were installed.

Clarence Merritt, owner of the Elgin Grain Storage company here, made a business trip to Enterprise Tuesday.

William Jarrard, of Burns, spent Sunday at the Joe Jones home in Elgin. Mr. Jarrard has been in Burns for several months, but owing to the closing of the lumber mills for a couple of weeks, he made the trip here to visit his daughter, Mrs. Glenn Jones and his young grandson, who are still at the Grande Ronde hospital.

A number of farmers from Cricket Flat are putting up their summer supply of ice. They used a drag and saw for cutting the blocks in the river and hauled the ice on trucks to the farms. Ben and Oscar Handshaker have their supply nearly completed.

Mrs. Glenn Jones and son Glenn Jr., came home Tuesday from the Grande Ronde hospital. They will be with Mr. and Mrs. Joe Jones for a few weeks before returning to the Stange camp above Hildard where Mr. Jones is employed.

Mr. and Mrs. Scott E. Harris and Mrs. Harford Reed drove to La Grande Monday.

Mrs. Manley M. Arent and daughter, Elaine, spent the week-end at Baker with Mrs. Arent's mother. They drove over on Saturday morning and returned on Sunday night.

The Elgin men's volleyball ball team plays a game at La Grande before the championship game is to be played with Baker. The game will be played on Tuesday evening.

The Owe girls basketball team played Elgin girls on Monday night. Elgin won 23 to 19.

Mrs. W. F. Hug has been in La Grande with her daughter, Mrs. C. P. Holbrook, who is recovering from an illness of several weeks. Mrs. Hug will remain with her until she is able to return with her to Elgin.

Mr. and Mrs. Frank Vandervoort have as their guests at present their daughter and son-in-law, Mr. and Mrs. Wilfrong, of Washington, George Hutter, and William Townsend drove to La Grande Saturday. Mr. Adair came back with them after attending the county Masonic meeting on Friday night.

Mr. Julius Huff, who has been visiting since Christmas with her daughter, Mrs. Joy Laughlin at McMinnville, returned last Friday. While on his way home with her son, Leonard, in Portland, Leonard and his young son, Don Donovan returned with Mrs. Huff and will make an indefinite stay with his parents here.

Art Fields, formerly of Elgin but later employed in Wallowa county, is reported as being at the Willowa hospital suffering from an attack of blood poisoning in one of his feet.

Mr. and Mrs. Hernal Huff entertained a few friends at their home Monday evening, that being their 10th wedding anniversary. Dr. and Mrs. D. P. Harriman and sons, Earl and Harold, Mr. and Mrs. Lynn Hill and sons, Frederick and Lloyd, Mr. and Mrs. Huz, Bernal Jr., Phillip, Betty Jane, Hug and from Handshaker, made up the party. A buffet supper was one of the pleasant events of the evening.

Instead of the sun tan complexion, "strawberry and cream" is to be the popular that this year. Which puts an entirely different face on the matter.

### BANK CHAINS SPREAD EAST IN NORTHWEST

MINNEAPOLIS (AP)—The eight-month-old chain bank movement in the northwest enters 1930 with two powerful chains and numerous smaller groups organized.

There are 20 of the latter in Minnesota alone. The two great chains have aggregate resources of \$76,000,000 and many bankers see in the movement a chance for the northwest to become more independent of the financial centers of Chicago and New York.

The Northwest Bancorporation, the first of the two largest chains, was started in January, 1929, and now has resources of almost \$45,000,000. It includes 77 banks and six trust companies.

The other, the First Bank Stock corporation, has resources of \$30,000,000 and includes 61 banks and other financial institutions. It was organized in August.

OLD DOG BEGS \$20.000 BEFORE FORCED TO QUIT

LONDON (AP)—London Jack, the black, curly-haired retriever which for seven years has been

collecting coins for charity at Waterloo station, is retiring on account of blindness.

He is ten years old, and during his long (for a dog) career as a charity worker he has persuaded travelers to drop an aggregate of more than \$20,000 into the box attached to his collar.

Several of the big league clubs are reducing the number of spring exhibition games to save their staff for the regular season.

During October a woman in Montana wrote—"My first bottle of Kruschen Salts lasted almost 4 weeks and during that time I lost 18 pounds of fat—I feel better than I have for years."

Here's the recipe that banishes fat and brings into blossom all the natural attractiveness that every woman possesses.

Every morning take one half teaspoonful of Kruschen Salts in a glass of hot water before breakfast.

Be sure and do this every morning for "It's the little daily dose that takes off the fat." Don't miss a morning. The Kruschen habit means that every particle of poisonous waste matter and harmful acids and gases are expelled from the system.

At the same time the stomach, liver, kidneys and bowels are toned up and the pure, fresh blood containing Nature's six life-giving salts are carried to every organ, gland, nerve and fibre of the body and this is followed by "that Kruschen feeling" of energetic health and activity that is reflected in bright eyes, clean skin, cheerful vivacity and charming figure.

If you want to lose fat with speed get an 8-oz. bottle of Kruschen Salts from the Red Cross Drug Store or any five druggist anywhere in America with the distinct understanding that you must be satisfied with results or money back.
