Big Spurt in Second
Frame Brings Victory—
Huskies Trim Vandals

CORVALLIS, Ore., Feb. 8 (AP)—

University of Oregon's fast basketball quintet, taking a big spurt in the second frame, defeated Oregon State, 34-27, here last night. It was 12-12 at half time. But the Huskies, shortly after the second frame started, went on a scoring spree and soon ran the score up to 24 to 17. It was one of the fastest games of the season to date. Fouls were frequent. Both Eberhart and Jones of Oregon were put out of play. Seventeen were charged with fouls. Oregon and 15 against the Vandals. Oregon made more of its free chances good, however, scoring 12 points by that route to the Vandals' 9.

The victory gave Oregon an even break in conference games with four victories and four defeats, while Oregon State drops down a notch with four and six.

The third game of the present series will be played at Eugene tonight.

HUSKIES WIN AGAIN

MOORE, Ida., Feb. 8 (AP)—The leading University of Washington basketball team increased its lead another game in the conference race here last night when they defeated Idaho, 35 to 25, in a hotly contested game. The score stood 14 to 12 in the Huskies favor at the half. With 12 minutes to go the Vandals were leading, 21 to 18, but the Huskies settled down and soon took a safe lead. Another game will be played here tonight.

SEEKS APPROVAL OF MATCH

CHICAGO, Feb. 8 (AP)—Scotty South, matchmaker for the Olympic arena, Detroit, expressed hope today that he would be able to induce the national boxing association to approve the Mickey Walker-Leo Lomax fight set for Detroit February 14.

The N. B. A. had refused to sanction the match on the ground that Walker's suspension in Illinois had not been lifted.

Chastain Improves
His Ring Standing

CHICAGO, Feb. 8 (AP)—The standing of Clyde Chastain, young Dallas, Tex., boxer among the list of middleweight title challengers, today was considerably enhanced by a 16-round decision victory over Harry Ebbets, Brooklyn puncher. Chastain used Jack Dempsey's six-year record as the Coliseum last night as an opportunity to pound out a warlike decision over the eastern fighter, after being floored in the first round for a count of eight. Chastain opened up in the second round, and from there on until the ninth, had the better of the going. Ebbets made a great finish but could not overcome the Texan's advantage.

White Serious As
To Comeback Plans

CHICAGO, Feb. 8 (AP)—Charlie White, 27 years old and six years retired from the prize ring, apparently is serious about making a comeback effort.

White, whose famous left hook came within seconds of winning him the world lightweight championship from Benny Leonard in 1920, has been granted a boxer's license by the Illinois state athletic commission and may make his return in a six-round bout on Promoter Jack Dempsey's card at the Coliseum Feb. 21.

Commission physicians who examined White said he is in excellent condition. He weighed 143 pounds, 10 pounds more than the lightweight division limit when he was campaigning as a contender.

EUGENE HIGH WINS

EUGENE, Ore., Feb. 8 (AP)—The Eugene high school stepped into the leadership of the A League of this district by virtue of their 27-25 defeat of the Corvallis high school here last night.

PENDLETON WINS
HARD GAME FROM
TIGERS, 21 TO 13

(Continued from Page One)

Iowa, so far undefeated in basketball, will come to La Grande Saturday.

The Tigers are improving, both in defense and offense, with each week and local fans are expecting the players to continue to improve as tournament time nears.

Quite a number of centers accompanied the team to Pendleton, consisting of both townspeople and students.

Carnera's 70-Second Victory

That does it! To new heights rose the mighty Sic. Primo Carnera of Italy—skyscraper among pugilists—when, as pictured above, he lumbered to a corner while "Big Boy" Peterson, of Minneapolis, vainly tried to rise before referee Jack O'Sullivan counted him out. Madison Square Garden, New York, was jammed with curious fans who were entertained with just 70 seconds of fresh fighting. Peterson went down three times in rapid succession before the gigantic Italian completely dazed him with a right hook to the jaw.

Kamela Hopes
That Worst Of
Winter Is Over

Mrs. C. E. Thornburg (Observer Correspondent)
KAMELIA (Special)—It has turned so mild and springlike that the residents are wondering if it could be possible that the worst of the winter is over. Rain early this week and over last weekend made us look on the snow and it is rapidly disappearing. Spring does not usually begin in Kamela until the middle of April. The winter pipes have finally been thawed out, and those who have had to carry water for a month or more are getting on the washing and household duties they left undone for want of water.

Mr. and Mrs. Denver Charlton are new residents of Kamela coming from La Grande. Mr. Charlton is one of the extra engineers here at present.

H. Chausroski of La Grande returned here Wednesday after working in Kamela for a few days.

Edith Higgs was aggressively surprised on Wednesday by a visit from her step-father, G. J. Hornbush, and his half-brother, Marvin. Mr. Hornbush's home is in Leek, bridge, Alberta. He came to Oregon to attend a brother's funeral in Albany and then while in the vicinity came to Kamela. Mr. Hornbush is the owner of a stock ranch in Canada, so he was unable to stay very long here. Mr. Higgs had not seen them for eleven years and warmly recognized Marvin who was his little four year old brother then.

Hilford Davis, of La Grande, is working in Kamela at present. Lillian Schubert, Alta Wigginworth and Eleanor Hawes, who constitute the seventh grade in school here, have all three been absent most of this week because of colds. They returned on Thursday.

John Higgs has also returned to school after several days illness.

Mr. and Mrs. C. D. Kelley spent Thursday in La Grande.

Mr. and Mrs. P. H. Barnes and Mrs. E. Chert drove to La Grande on Thursday.

Guests for dinner at the C. O. Schubert home here on Wednesday were Mr. and Mrs. C. E. Thornburg and son Ian, and Mr. and Mrs. Lloyd Stumbo from Montana who were visiting in Kamela on route to Portland.

Send Delegates
To Boise Meeting

By Mrs. A. G. Conklin (Observer Correspondent)
BOISE, Ore. (Special)—R. S. Comstock and T. H. Johnson will be delegates to a dairymen's meeting in Boise Monday evening. The main object of the conference is to discuss the dairy situation and make provision for marketing the surplus production. Mr. Shilline, a member of the Federal Farm board will be in attendance at the conference.

The Mt. Fanny Grange will hold its monthly meeting at the Grange hall Saturday evening. This meeting should have been held a week ago but was deferred because of the absence of R. W. Seavers, master of the grange.

Several people are still ill of influenza. Mr. and Mrs. George McDannel are both ill and Mrs. McDannel is also suffering with an infection in her face. Mrs. A. G. Conklin has been ill all week with influenza and sinus trouble.

WASHINGTON, Feb. 8 (AP)—European countries during 1920 purchased nearly \$1,000,000,000 more of goods from the United States than they sold to the United States in the same year. The relationship of American exports and imports to the principal geographical divisions of the world for 1920 was disclosed by commerce department statistics on foreign trade.

Canada was the best customer among nations for the United States during 1920, and in addition was the largest single source of imports which the United States received during the year. Total exports to Canada from the United States for 1920 were \$948,501,227 against \$914,712,215 the previous year.

ST. JOSEPH, Mo., Feb. 7 (AP)—Jack Dempsey was here Tuesday to enforce a boxing curfew. Local managers of the program announced he would visit St. Joseph, Mo., on Thursday. The board for the "home for little wanderers" declined to receive a prizefighter, but did not wish to be rude, so announced Monday the home was under quarantine because of smallpox. Dempsey stayed away.

Yesterday one of the children became ill. A physician diagnosed the disease as smallpox. The house now is quarantined.

PHILIPINO BEATEN

PORTLAND, Ore., Feb. 7 (AP)—Filipino resorts here were being given special police attention today in accordance with the orders of Police Chief L. V. Jenkins as the result of an attack by eight white men upon Vicente Canada, Filipino, last night.

BUCKS RETAIN LEADERSHIP

SEATTLE, Feb. 8 (AP)—Bobby Rowe, the little dynamic manager of the Portland Buckaroos, was not entirely satisfied with the 2 to 2 tie result of the Portland-Seattle hockey game here last night but Victoria's surprising victory over the Vancouver Lions made him forget his protest.

SON OF WALSH SIGNED

NEW YORK, Feb. 8 (AP)—Another son of big Ed Walsh has crashed the major leagues in the hope of emulating the pitching feats of his father.

Robert E. Walsh, 22 years old, six feet four inches in height and tipping the beam at 295 pounds, has been signed by the New York Yankees. His brother, Ed Walsh, Jr., already is pitching for the Chicago White Sox. Both boys landed at the big league district from the University of Notre Dame.

DID YOU KNOW THAT—

Jack Johnson, the old heavyweight champion, thinks Phil Scott is a dandy fighting man. He saw Phil take a lot of abuse from Campbell, mykes, and weather. It like a soldier and a scholar should. Johnson says Phil is clever, and as for gameness, he claims that he (Jack Johnson) never was hot for gameness in the ring, but always kept the other guy from hitting him on the square. "The trouble with prize fighters," says Ed Arthon, "is that they never learn anything." Al Marston will study next year while receiving a Boston university. Ted Blanton, first baseman of the Indians, is said to be recovered from that football operation.

Sport Slants
by **ALAN J. GOULD**

Town's mostly made up football schedule for 1920 reveals a number of the main reasons why it will be distinctly to the advantage of the Huskies to regain good standing in the Western conference. Except for Nebraska, which again has shown its willingness to meet all comers by looking its neighbors, Iowa's white lists no natural rivals. The Huskies hardly can have much in common with Centenary, George Washington, Bradley Tech or even with Penn State, Detroit and Marquette, although the latter trio at least will furnish rugged gridiron entertainment.

Iowans who resent what they regard as a holler-than-thou attitude among the other Western conference colleges probably prefer to have the Huskies proceed on their own. The fact remains, however, that Iowa's natural rivals are in the conference. It is only necessary to contrast her new football slate with that of the last year, including games with Ohio State, Michigan, Illinois and Minnesota to make this clear. As a result, Iowa will be satisfied in the long run to swallow a few bitter pills and again make it a Big Ten.

The "brother act" has had many variations in boxing. A well known Mid-Western boxer fought against aspiring local boys under a variety of names. A prominent Southern punch-tossing used the family chauffeur as an opponent while on tour. In New England recently was discovered the more realistic case of twin brothers, both boxers, one of whom assigned the other to take his place and also his licking.

Bruce Caldwell is to another chance to make the Cleveland team about the football future of Alder this season.
