# HUSKIES IN LINE FOR HOOP TITLE

## Washington Goes Ahead by Drubbing Idaho—Orangemen Down Rivals

PORTLAND, Ore., Feb. 10 (AP)—University of Washington continues to lead the northern division of the Pacific coast basketball conference. By winning both weekend games from University of Idaho, the Huskies were firmly entrenched in first place with excellent prospects of again winning the championship.

Oregon and Oregon State divided a two-game series, the Webfeet winning at Corvallis, 34 to 27, but losing the second at Eugene by the close margin of 28 to 25. At one time in the second game Oregon held a lead of 25 to 16, but the Orangemen staged a desperate rally in the last five minutes to score 12 points, while Oregon was held to a single field goal and one converted foul throw. Both Oregon teams take the road this week, Oregon to play Washington State at Pullman Friday and Saturday, while Oregon State plays Idaho at Moscow the same nights. Washington State drew a bye last week and plays four games this week, two against the Huskies and two with Oregon.

The standings follow:

**Northern Division**

| | W. | L. | Pct. |
|---|---|---|---|
| Washington | 7 | 3 | .700 |
| Washington State | 4 | 4 | .500 |
| Oregon State | 5 | 6 | .455 |

| Idaho | 3 | 5 | .375 |

**TROJANS LEADING**

SAN FRANCISCO, Feb. 10 (AP)—The southern division basketball race of the Pacific coast conference has narrowed down to Southern California and California, but the Stanford and University of California at Los Angeles quintets will have a large hand in deciding which team will take the championship.

Southern California handed the Stanford Cards a 36 to 24 defeat Saturday night to retain its place at the top of the standings with a record of five games won and two lost. Meanwhile, however, the California quintet was taking a double victory from U. C. L. A. to advance into second place with 4 won and 3 lost, and to get within hailing distance of the leading Trojans.

Both California and Southern California have two games left on their season's schedule, the Bears taking on the Stanford Cardinals in both encounters and the Trojans meeting the U. C. L. A. Bruins twice. If the Bears succeed in winning both games from Stanford they will have a chance for a tie at the title if U. C. L. A. can rise up and hand their southern rivals a drubbing.

California and Stanford, traditional rivals in all forms of athletic competition, meet once February 15 and again February 22, while the southern schools repeat the same schedule.

The standings:

**Southern Division**

| | W. | L. | Pct. |
|---|---|---|---|
| Southern California | 5 | 2 | .714 |
| California | 4 | 3 | .571 |
| U. C. L. A. | 3 | 4 | .429 |
| Stanford | 2 | 5 | .286 |

Felsheim, editor of the Bandon Western World, was elected president of the 12th annual Oregon Press conference at the closing of the 12th conference Saturday at the University of Oregon. George S. Honorable mention for the award which is being given this year for the first time, went to the St. Helens Mist, edited by Ira B. Hyde Jr., and the Washington County News. The University of Oregon chapter of Sigma Delta Chi, national journalistic honorary, is donor of the cup.

**Editorial Policy Urged**

An analysis of the editorials and editorial policy of the upstate press was given by R. G. Callvert, editor of The Oregonian at the morning session. Great improvement in the past decade in this phase of journalism was noted by Mr. Callvert, who warned editors to keep their editorials short, and be sure they were set in readable type.

Resolutions thanking the University of Oregon, and Eugene, for its hospitality to the delegates were adopted at the conclusion of the conference. A short session of the State Editorial association was presided over by Harris Ellsworth, editor of the Roseburg News-Review, and one of the vice presidents in the absence of George Aiken, editor of the Ontario Argus, president. Arne Rae, field manager, gave his semi-annual report. The following committee on rate revision was appointed: Frank Jenkins, Eugene Register; W. F. G. Thacher, University of Oregon; Simeon P. Winch, Portland Journal; Frank B. Appleby, La Grande Evening Observer, and Arne G. Rae, field manager.

All delegates were entertained at luncheon in the new men's dormitory at noon, and were guests of the university Saturday night at the University of Oregon-Oregon State college basketball game.

# *BAKER GIVES WALLOWA "5" FIRST DEFEAT*

BAKER, Ore., Feb. 10 (AP)—The Wallowa high school basketball team suffered its first defeat of the season here Saturday night when it lost to the Baker Bulldogs 18 to 15. It was Wallowa's third defeat in their last 45 games with Eastern Oregon teams. Baker held the lead during the entire game, and only twice did Wallowa threaten to overcome this lead. Three Baker players, Joslin, McKim and Howard, tied for high honors with eight points each.

# *ENTERPRISE 5 WINS GAME AT UNION, 19-15*

By Mrs. L. Z. Terrall (Observer Correspondent)

UNION (Special)—The Enterprise boys and girls basketball teams accompanied by a large number of rooters came to Union on Saturday evening to play the Union teams. Both games were exceedingly close. In the girls game the Union girls were leading until just before the end of the session when the Enterprise girls tied the score and the game ended with a tie score of 12-12. The boys immediately took the floor and this game too was very close and exciting. The Union boys led most of the way until almost the end of the game, when the Enterprise boys secured a couple of baskets to win the game 19-15. "Red" Miller forward on the Union team, sprained a wrist and had to leave the game, and whether this injury will keep him out of the remaining games to be played is uncertain.

Miss Helen Hulse spent the weekend visiting at the home of Mr. and Mrs. H. C. Bidwell in Island City.

Miss Virginia Kay went to her home in Weiser, Ore., for Saturday and Sunday.

Mrs. George Winslow and Anna Mae went to Pendleton on Saturday to visit her parents, Mr. and Mrs. J. G. McConnell. She will return on Monday.

# *Frenchmen Riot At Vincennes Races*

VINCENNES, France, Feb. 10 (AP)—The race track here today looked as if a tornado had swept it, an appearance caused by the fury of a French racing crowd which didn't like the way yesterday's races were carried out.

Thousands of francs damage was done the track buildings when an immense Sunday crowd, enraged because five horses were left at the post in the first trotting race on the program, burned parimutuel barracks, wrecked the grandstands and raided the bars.

The riot continued for an hour and a half and was quelled only when Police Prefect Jean Chiappe took personal charge and ordered the backers of the races to announce that money, both entrance fees and bets, would be refunded. The mob then quieted and lined up at the various gates to get their money back.

Varying fines of from $20 to $40 for beating the flag and refusing to return at the call of the starter, were assessed against ten jockeys. There were fifteen horses in the race, five being left behind when the other ten started.

# Primo Carnera May Visit West Coast In March

SEATTLE, Feb. 10 (AP)—Primo Carnera, the biggest man in boxing today, both in weight and interest, may visit the Pacific northwest next month.

Arrangements are under way for the Leviathan of the heavyweights to make a tour of the Pacific coast, and if he decides to come west, which seems likely, Nate Druxman and Joe Waterman, officials of the National Athletic club, will show the "man mountain" in a Seattle ring.

Waterman, who has already wired Carnera's manager for the Venetian carpenter's services, said that the proposed show would not be any "Max Schmeling exhibition."

"Of course Carnera will not meet any Sharkeys or Dempseys in Seattle but whoever he is pitted against he will go in the ring to fight," said Waterman. "It won't be any sparring match."

While the proposed tour of Los Angeles, San Francisco, Portland and Seattle is still pending, the club officials have already begun negotiations for a suitable opponent for the 275 pound giant. Their first choice is long Tom Hawkins, Los Angeles negro, who holds a decision over George Godfrey. Hawkins stands 6 feet 5 inches and weighs 240 pounds.

# *SLATTERY AND SCOZZA FIGHT THIS EVENING*

BUFFALO, N. Y., Feb. 10 (AP)—Jimmy Slattery and Lou Scozza, Buffalo boys both, battle 15 rounds here tonight for New York state recognition as light heavyweight champion of the world.

In promising to recognize the winner as successor to the 175-pound title relinquished by Tommy Loughran, the New York state athletic commission ruled that the winner must defend the title within sixty days against Maxey Rosenbloom, clowning battler from Harlem.

Slattery, an outstanding light heavyweight for several years, is favored over his rugged body-punching rival. "Slats," a clever and extremely fast boxer, figures to outspeed Scozza although the championship distance of 15 rounds may prove too long for him. Boxing observers recall Slattery's bout against Loughran here several years ago when the Buffalo flash outspeeded the flashy Loughran for ten rounds but slowed down so much in the last five that Loughran won the decision and retained his title.

Scozza has compiled an impressive record in the last year or so, beating Rosenbloom twice among others. He is not as fast nor as clever a boxer as Slattery but he is more rugged and punches harder.
