## Five Pairs of Twin Lambs Out of 18 "Woolies"

By Mrs. A. G. Conklin (Observer Correspondent)

COVE (Special)—It is lambing time at the Fletcher ranch. As yet only 15 lambs have arrived and of this number there are five pairs of twins. Their flock numbers 150 ewes so their busy season is not really begun. Vic Nizer is employed there to assist during the lambing period.

The high school girls played bas-

ketball with the Sacred Heart academy Tuesday evening in La Grande and lost 34 to 24. Both boys and girls played North Powder at Cove Friday night.

H. S. Constock and T. B. Johnson were representatives from Cove to the cooperative dairy meeting in Boise Monday evening. They were nine representatives from Eastern Oregon. Mr. Shilling, of the Land o' Lakes Cooperative association, who is the dairy representative of the federal farm board, was the principal speaker. Mr. Constock visited his parents, Mr. and Mrs. John Constock at Natapa while he was away. He reports the roads very icy on the return trip Tuesday morning. He said he saw

several cars skidded off into the ditch.

Many of the sick at Cove are recovering. Miss Beas Kelley, who has been at the Grande House hospital, was brought home Wednesday.

Delmar Richards, son of John Richards, who has been ill for a week or ten days, was taken to the Hot Lake sanatorium Wednesday.

Mrs. A. L. Becker has as her house guests her father, John Troy, of Pleasant Valley, and an uncle, Michael Troy, of San Francisco. They are spending only a few days after which they will return to Pleasant Valley where her uncle has been visiting since Christmas.

Mrs. Stuart French came down from North Powder Tuesday and spent the night with her parents, Mr. and Mrs. John Richards.

Miss Esther Anderson and Miss Edith Johnson, who are employed at Hot Lake sanatorium, are having a short vacation at their homes here.

Mrs. Eva Milman is recovering from a fall when she injured one of her hands very painfully.

Mr. and Mrs. G. E. Barker came home Monday after a delightful week spent in Portland and vicinity. While in Portland they visited Mrs. Barker's parents, Mr. and Mrs. T. A. Brown. They also drove to Salem to visit the home of Mr. and Mrs. Ray Barker.

The possibility of receiving an interior coat of paint, R. P. Musick is doing the work.

Charley Hancock is sawing down the long row of cottonwood trees that have adorned the front of his premises for so many years. The trees will be made into wood and the stumps will be taken out and the sidewalk built there. While the stumps were a decoration and many people hate to see them so, yet they were also a nuisance, as dead branches were blown off in every high wind which made it dangerous to passersby.

Betty Presto, small daughter of Mr. and Mrs. Louis Presto, had her tonsils removed a few days ago.

Mrs. G. E. Bierbach has been spending several days in La Grande with her sister, Mrs. G. Klippenstein. She spent Sunday and returned Thursday.

Miss Lois Martin was ill at her home here Monday and Tuesday and unable to attend to her school at Highland where she is teaching.
