FOR PEOPLE WHO BREAKFAST IN A HURRY

DELICIOUS, PIPING HOT WAFFLES

ONE-HALF CENT EACH

The cost of operating an electric waffle iron on your light meter is less than seven cents an hour, even less after twenty-five kilowatt hours have been used. The electric waffle iron beats so rapidly that

the average cost per waffle is less than one-half cent each.

By cooking your waffles at the table they are fresh, hot, and delicious, and this also saves mother's steps.

"ALWAYS AT YOUR SERVICE"

We Repeat Spit is a horrid word, but it is worse on the end of your cigar

...the war against Spitting is a crusade of decency...join it. Smoke CERTIFIED CREMO!

The man who spits in public places is no worse an offender against public decency than the workman who rolls cigars with dirty fingers and tips the ends with spit.

Why punish the one and yet tolerate the filthy practice of the other? Smoke a cigar made in the most modern, spotless clean manner . . . Certified Cremo. Every tobacco leaf entering the clean, sunny Certified Cremo factories is scientifically treated by methods developed by the United States Government during the war. And its purity is safeguarded along every step of the way by amazing inventions that foil, wrap and tip the cigars without the possibility of spit!

Try a Certified Cremo—see how wonderfully good it is! Made of the choicest, tenderest leaves that the crop affords, we claim Certified Cremo's quality is tastier than that of any other cigar. Don't let its 5c price stand in your way. Certified Cremo is the kind of cigar your physician has in mind when he recommends a mild smoke in place of heavy brands.

Crush-proof . . . immaculate . . . foil-wrapped . . . Certified Cremo is the kind of cigar the late Vice-President Marshall undoubtedly had in mind when he said, "What this country needs is a good 5c cigar!"
