Local Churches Plan Services For Lord's Day

Missionary Service to be Held at the English Lutheran Church on Sunday Morning

A very inspirational and instructive Missionary service has been planned for Sunday morning, beginning at 11 o'clock at the English Lutheran church. The church school will also be present to take an important part in the service. The pastor will speak briefly on the subject, "Our Far-flung Battle Lines."

First Presbyterian Church

Sunday morning at 11 o'clock the Ladies' Triad choir will sing the anthem, Miss Corinne Baker will sing a solo, Mrs. Harley Richardson will preside at the organ. The minister, J. George Walk, will speak on "The Chemistry of Faith."

Sunday evening at 7:30, Miss Gladys Miller will play the service, the Junior choir will sing the anthem. The minister will speak on "Saul's Judgment of Himself."

Christian Endeavor 6:30 p. m. M. E. Church, South

The pastor, the Rev. Frank Hopkins, will preach both Sunday morning and evening at the M. E. Church, South.

The subject Sunday morning at 11 o'clock will be "Retribution—or, be sure your sin will find you out." Sunday evening at 7:30 o'clock the subject will be "Christ's and John's teachings on hell fire and brimstone."

The Sunday school will meet at 9:45 a. m. and the League (young people) at 6:30 p. m. The church will meet for Bible study Wednesday evening at 7:30 o'clock. Attendance at Sunday school, the League and the preaching services, are in the increase. The church invites all evangelical Christians in the community to attend all its services. Visitors are always welcome. There is a class, with efficient teachers, in the Sunday school for every one of every age, and the young people are attending and enjoying the League.

ART OF SEASONING FOODS TAKES NEW TURN

The Idea Appeals to Cooks With Imagination

The trend in present-day cooking is to emphasize the distinctive flavor of the food rather than change it. Sugar plays an important role in this new departure in cookery. The value of sugar in heightening flavor is most apparent in cooking familiar vegetables such as string beans, carrots, peas, beets, cabbage and spinach. In addition to improving the flavor, the sugar maintains the garden-fresh color of the vegetable.

A dash of sugar to a pinch of salt is a general rule to follow. Some cooks keep a mixture of sugar and salt on hand—equal parts of each, or two parts sugar to one part salt depending upon the taste preferences of the family. For a pleasant surprise try this combination in making French dressing.

Doctors and dietitians are in favor of favoring vegetables and fruit with sugar because it makes these essential foods with their vitamins, mineral salts and roughage more palatable and enjoyable—especially to children. Most foods are more delicious and nourishing with sugar. The Sugar Institute.

At the Baptist church Sunday morning the pastor's theme will be "The Upper Room." For the evening the theme will be "Forgiveness of God."

The young people's topic will be "Faith and What It Does," leader, Nora Sittler. The final chapter of the study book "From Jerusalem to Jerusalem" that the Baptist ladies have been studying, will be presented at the church Thursday evening, March 6, under the leadership of Mr. and Mrs. Godwin. This meeting is open to everybody and will be interesting to men, women and children. The program will begin at 7:30.

Friday, March 7, is the time for the regular missionary meeting of the Women's Society, with election of officers for the year. The meeting will be called at 2:00, the president, Mrs. Wm. N. Shade, presiding. Following the business session, the interdenominational program for the Day of Prayer will be carried out.

The hours for services are as follows: Sunday school, 9:45; H. Y. P. U., 6:30; morning worship, 11; evening worship, 7:30; prayer meeting, 7:30.

First M. E. Church

The subject for the Sunday morning worship at the First M. E. church is "The Religion That Darex." There will be special music. Following the Epworth League devotional meeting we will have the third study in Racial Relations. These studies begin promptly at 7:30 and have been well attended and well received. Prayer meeting will be held in the parsonage next Wednesday at 7:30.

Episcopal Church

Services at St. Peter's Episcopal church Sunday open with church school at 9:45 a. m., followed by the morning prayer at 11 o'clock. Mrs. H. N. Ashby will preside at the console and an anthem will be sung by the choir. The rector will speak on the subject "The First Lent."

Island City Church

The Rev. H. I. Hansen, pastor of the Island City Community church, will speak on the subject "Spiritual Bondage and Christian Freedom" Sunday morning during the 11 o'clock hour of worship. Sunday school opens at 10 o'clock and Epworth League meets at 7 o'clock in the evening. The public is invited.

The Gospel Mission

Services at the Gospel Mission open with Sunday school at 9:45 a. m., followed by morning worship at 11 o'clock. The evening service of evangelism is at 7:30 p. m.

Evangelist Ferris A. Dodd will open a revival meeting here the latter part of March.

The week-day service of testimony and preaching will take place Friday evening at 7:45 o'clock.

Christian Church

Church services at the Central Church of Christ will find Mrs. R. E. Putnam in the pulpit Sunday, with the Rev. Mr. Putnam to preach both morning and evening at Union. Church school is at 9:45, morning worship with special music by the choir at 11 a. m., Christian Endeavor at 6:30 o'clock and evening worship at 7:30 p. m. At Union Mr. Putnam's sermons will be "The Palm-Tree Christian" and in the evening "The Powerful Gospel." The revival services he is conducting there began Wednesday and are growing in interest. Tonight his theme will be "The Handwriting on the Wall" and a women's quartet (Mrs. George Anderson, Mrs. Walter Price, Mrs. C. F. McPherson, Mrs. L. R. Purdy) will sing. The meetings will continue each evening except Saturdays until Mar. 16.

WINNOWINGS

The men of the First M. E. church are expecting to serve a dinner in the church to the public on Mar. 14.

The Rev. B. Marcus Godwin, of the Baptist church, will give a paper on "Church and Race Relations" at Monday's meeting of the La Grande Ministerial association, to be held at 10 a. m. in the

Presbyterian study. Mr. Godwin was scheduled to deliver this paper at the February meeting but became ill and was forced to postpone its presentation.

The regular monthly meeting of the Lutheran church council will be held Sunday evening at 7 o'clock at the home of Frank Wurl.

Those who desire to listen to the broadcast "Church of the Air" by the Rev. John Matthews over KXN, Hollywood, may go to 1922 B avenue from 4 to 5 o'clock Sunday afternoon. Everyone is welcome.

The Gospel mission is looking forward to the coming of Evangelist Ferris A. Dodd, the singing evangelist, who will hold a revival meeting in La Grande the latter part of March.

DIRIGIBLES WILL CROSS PACIFIC

Two Giant Ocean Liners Are Being Built for Service Beginning in 1932

AKRON, O. (AP)—Luxuries of the kind found on ocean liners are being built into two new dirigibles here for the Pacific Transport Zepplin corporation.

The dirigibles are expected to begin regular flight schedules across the Pacific in 1932.

Interiors of these ships, as proposed by the designs, will be much like a modern club, possibly on the theory that fear is a barbarous emotion and sophisticated surroundings will conquer it. Passenger accommodations will be entirely within the hull. This makes possible many comfort provisions which are not possible where cabins are suspended from the outside.

There will be 12,000 feet of deck space on each ship which will carry approximately 100 persons. Designs include promenade, equipped with comfortable window seats through which passengers may look straight down through slanting windows.

lounges, a dining salon and smoking rooms, besides large, comfortable staterooms, equipped with berths, dressing table, chairs and desk.

Carrying passengers inside the hull instead of outside is made possible chiefly by the use of non-combustible helium gas, which eliminates much of the danger of fire.

Danger from lightning is also largely eliminated, both by use of the non-inflammable gas, and by binding the entire metal frame of the ship into general contact, part with part.

This contact produces what is really a large model of a "Paraday cage," which can dissipate a lightning charge.

Nothing Settled

Possibly nothing is as unsatisfactory as writing the information editor to settle a hot argument as to whether, for instance, the accent in Trafalgar is on the second syllable, or the first and third, and finding either is permissible.—Detroit News.
