

Social Club To Hold Its March Meeting Friday

By Mrs. L. E. Hill
ELGIN, Ore. (Special) — The Eastern Star social club will hold its March meeting at the home of Mrs. F. Z. Terpany Friday afternoon, March 7. At this meeting a complete report of the bazaar in its various departments will be given so the president, Mrs. Otis Buchanan requests every member to be present, if possible.

A number of wheat growers in this part of the country attended the meeting in La Grande Saturday at which Mr. Shumway, of Milton, explained the new farm board plan. Among those farmers from here were Joe Haligaeth, Rex and Leo Koutlet, Bernal Hug and others. A missionary service was held at the Presbyterian church on Sunday evening. A pageant on America's opportunity for missionary service to the nations of the world was given by Mrs. Fred Hall's class of boys. The primary department sang "You in Your Small Corner and I in Mine." Mrs. Williams' class of girls then presented a candle lighting ceremony using Biblical quotations referring to "Light." During the service the lights in the church were extinguished, the only light coming from candles burning in each window and about the pulpit. Hymns sung by the choir also aided in the effectiveness of the exercise.

Mrs. J. H. Kinney returned home last week from a two months visit with her children in Washington and in other points in Oregon.

Julius Hug and son, Leonard, drove to Portland last Saturday. They spent a few days there and then drove to McMinnville where they visited at the home of Mr. and Mrs. Joy Laughlin. Mrs. Laughlin was Miss Ruth Hug and has lived in Elgin until last fall when she moved with her husband to McMinnville. The Hugs returned last Thursday from their trip.

At their last meeting the Pythian Sisters of Elgin decided to send dist towels and dresser scarfs to the Pythian home at Vancouver, Wash. There are several children in the home from Elgin and there have been some older people there at other times.

W. M. Teter is preparing to move to Southeastern Oregon in the vicinity of Parma, Idaho. They plan to leave the latter part of this week, making the trip by truck. The family has lived for several years on the foothill road northwest of Elgin and will be greatly missed from the community.

C. R. Little, manager of the local MacMarr store, attended the managers' convention in Walla Walla last Sunday.

The Otis Buchanan family plans to move to Alsea about the middle of this month to make their home there for an indefinite time. Mr. Buchanan had been manager of the Butler grain warehouse before moving here and had been employed by Mr. Merritt at the grain warehouse here. They have made many friends during their residence here who regret their leaving.

Mrs. J. J. Wagoner, of Summerville, came to Elgin Saturday and assisted with the bazaar on that day.

Clement McKinnis and two daughters, of Summerville, were in La Grande on business Saturday.

Elgin's basketball team lost both games with Enterprise players on Saturday night.

At the bazaar on Saturday, Mrs. Anna Cason, teacher at the Willow creek school at Ilwaco, won the first prize, a china berry set. Mrs. Henry Hug, of Elgin, the second, an ice tea set and Mrs. Ida Sanderson, of Summerville won the third, a water set.

The Cecil Howard family of La Grande spent Sunday at the Julius Hug home.

Mrs. Walter Stringham and Mrs. C. R. Little and son Billy drove to La Grande Monday on business.

Laurence Spencer, of Summerville, made a business trip to Elgin last week.

The members of the Presbyterian church held a pot luck supper followed by a social evening in honor of Mr. and Mrs. C. F. Foster who plan to leave soon to establish their home elsewhere. They expect to make a trip to the Willamette valley where they will visit relatives and also to go to Yakima, Wash., for some time. While here they have been very prominent in the work of the church as have their two daughters, Faye and Donna who are now attending college.

Mr. and Mrs. Ben Bendshadler of Clifton Flat drove to La Grande Monday afternoon. Mrs. Bendshadler will stay for some time with her sister, Mrs. Claude Holbrook. Mrs. W. F. Hug, her mother who has been staying there for the last week came home with Mr. Bendshadler. Mrs. Bernal Hug and Mrs. Lynn Hill made the trip also.

Mrs. Earl Chandler and Mrs. E. E. Harman went to La Grande on Tuesday on business connected with the Women's club of which Mrs. Chandler is president. Work is expected to begin soon on the swimming pool which the club is sponsoring.

Frank Hoover, of La Grande who has been employed as grader at the Poodosa pine box factory in Elgin, sustained several broken bones in his hand and forearm as a result of his arm being caught in the roller at the factory. This happened Monday morning and he was taken to La Grande for X-ray examination immediately.

Mrs. John Shilton, Mrs. Francis Miller and son Kenneth, were Sunday visitors at the Earl Chandler home.

Mr. and Mrs. J. W. Brown are moving to their old home this week from the house recently purchased by Mrs. Laura Elliott.

Mrs. W. F. Weiss returned to the country on Sunday afternoon. She had been in town about a week.

PORTLAND MAN PRESENTS \$15,000 TO STOCK SHOW

PORTLAND, Mar. 5 (AP)—O. M. Plummer, secretary of the International Livestock exposition, announced Tuesday that T. B. Wilcox Jr., of Portland, has donated between \$12,000 and \$15,000 for a new poultry and pet building to be erected on the exposition grounds. The new structure will adjoin the J. C. Bonney building and will balance the building arrangement. Construction will start in a few days and the building will be completed by June. It will be dedicated at this year's exposition. Wilcox is president of the Oregon Poultry and Pet association.

Don't neglect a COLD

DISTRESSING cold in chest or throat—that so often leads to something serious—generally responds to good old Musterole with the first application. Should be more effective if used **once every hour for five hours.** Working like the trained hands of a masseur, this famous blend of oil of mustard, camphor, menthol and other helpful ingredients brings relief naturally. It penetrates and stimulates blood circulation, helps to draw out infection and pain. Used by millions for 20 years. Recommended by doctors and nurses. Keep Musterole handy—jars and tubes. **To Mothers—Musterole is also made in milder form for babies and small children. Ask for Children's Musterole.**
