“I went to the Canned Goods Fair, The prunes and the tunes were there—”

HAVE you, too, heard the Canned Goods Fair? The little tinny “band” organ and jazz music, so popularly welcomed here by the delirious set?

To some theatre interests this is a heart-warming clamor. It means economy for them, hence greater profits.

To persons of refined musical taste, it is intolerable and invidious—an affront to the intelligence and taste of the theatre-going public. They see in the tinny and jazz music for want to Canned Goods Fair.

If you, dear reader, are one of those who recognize that something made sound cannot take the place of live orchestras and organists in the theatre, GREAT YOURSELF TO A RIGHT OF BELIEF. SIGN THE COUPON BELOW. Then mail it!
