The Golden Text will be, "Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him, and the world passeth away, and the lust thereof; but he that doeth the will of God abideth forever." (1 John 2:15, 17).

Among the citations which will comprise the Lesson-Sermon will be the following from the Bible: "To be carnally minded is death; but to be spiritually minded is life and peace. Because the carnal mind is enmity against God." (Rom. 8: 6, 7).

The Lesson-Sermon will also include the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, "The first idolatry was faith in matter. The schools have rendered faith in drugs the fashion, rather than faith in Deity. By trusting matter to destroy its own discord, health and harmony have been sacrificed." (p. 146).

Eat the waffle QUICKLY while it's crisp.

A WAFFLE has only one perfect moment—when it has just been baked. And vegetables have only their few perfect moments... when they have just been picked. Afterwards they are good, yes; but never quite so sparkling, so crisp or sweet or tender, as when fresh from their growing.

Have scarlet tomatoes dangling in a garden of your own. And lima beans—that you needn't pick till the minute you need them. Have all the kinds of vegetables you like—have them the best vegetables—and have them fresh, by planting Ferry's purebred Seeds. Just as fine dairy herds are bred for the blue ribbon class, so are Ferry's Seeds bred for superior size, abundance, color, flavor. Having a good garden is easy with these.
