Merry Evening Is Planned by Lodge

(Observer Correspondent)
ELGIN, Ore., (Special)—The members of Ornette temple are planning a potluck supper to be held at 6:25 on Tuesday, April 1. This is the regular meeting night of Ornette lodge and a very merry evening is anticipated.

Mrs. J. C. Shelton made a trip to La Grande last Thursday. Her nephew Roy Downs of Willows County, came by in his way to La Grande and took her along for a day's visit with her son and family there.

Mrs. David Alexander and son, Curtis, of north of Elgin, came in to spend Sunday with friends. This is the first time Mrs. Alexander has been able to come in for a number of months due to poor health.

Little Milton came home from Sunday school with a little mite box.

Milton—Why do you call it a mite box, mother?

Brother (chirping quickly)—Because you might put something in it and you might not.

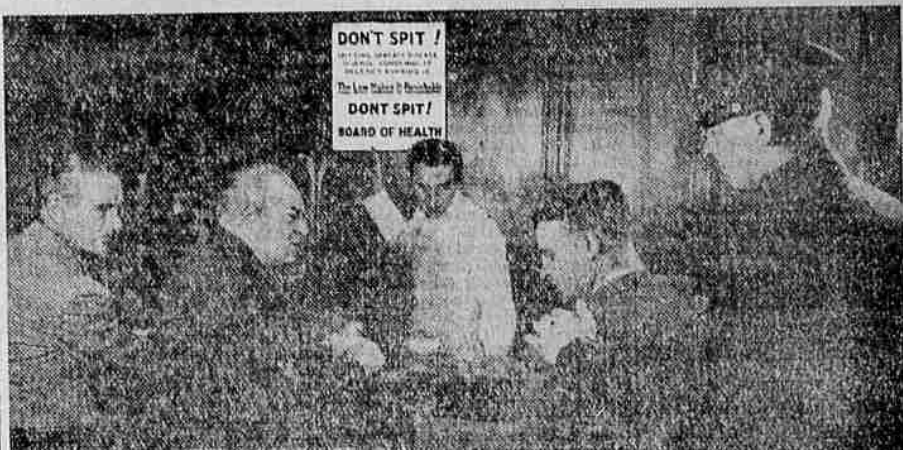

Tourist—Ah me, what a quaint little village you have here. Truly one-half the world is ignorant of how the other half lives.

Spit is a horrid word, but it is worse on the end of your cigar

... the war against Spitting is a crusade of decency ... join it. Smoke CERTIFIED CREMO!

The spitter is a beast. The law says "NO!" to his vile and vicious habit. But, for every spitter caught, there are hundreds who escape... hundreds who still roll cigars with filthy fingers—and spit on the ends! It is a fact that more than half of all cigars made in this country are still made by hand, and therefore subject to the risk of spit!

Certified Cremo protects you against this abominable! Every tobacco leaf entering the clean, sunny Certified Cremo factories is scientifically treated by methods developed by the United States Government during the war. And its purity is safeguarded along every step of the way by amazing inventions that foil, wrap and tip the cigars without the possibility of spit!

Try a Certified Cremo—see how wonderfully good it is! Made of the choicest, tenderest leaves that the crop affords, we claim Certified Cremo's quality is tastier than that of any other cigar. Don't let its 5c price stand in your way. Your physician has in mind a cigar like Certified Cremo when he recommends a mild smoke in place of heavy brands.

Crush-proof... immaculate... foil-wrapped... Certified Cremo is the kind of cigar the late Vice-President Marshall undoubtedly was thinking of when he said: "What this country needs is a good 5c cigar!"
