# Have you tried FLEX the new color finish?

FLEX is the first practical, quick-drying color finish for the home. FLEX isn't like any paint you ever used. It isn't an enamel. It isn't a lacquer. FLEX has all of the good qualities of both and none of their drawbacks. It is easy to apply for it flows evenly on wood or any other surface. Brush it in any direction and it smooths out without a sign of brush-mark.

Chairs and tables, beds and bureaus, walls and woodwork, lamps and bric-a-brac all can be made more colorful and beautiful with FLEX. And because it withstands wind and weather and wears so well, FLEX makes a wonderful finish
