**SMITH AND JONES BOTH IN TOURNNEY**

Sensational Young Pro and Great Amateur May Meet at Augusta.

AUGUSTA, Ga., Mar. 29 (AP)—The sensational young pro, Horton Smith, and the great amateur, Bobby Jones, were among 120 or more on hand for the 1930 southern open golf tournament. There will be two rounds today at the Augusta country club and two rounds tomorrow at the Purcell Hills-River course. Jones, beaten by one stroke in his first meeting with Smith at Savannah in February has been here four days, testing his shots over the two courses. Smith got here late last night to try out the course.

Yesterday Jones and Ed Dudley of Wilmington, Del., beat Al Espinosa of Chicago and Gene Sarazen of New York, 3 and 2. Jones shot a 65, one over the course record and two under par. Dudley had a 76, Sarazen a 74 and Espinosa a 77.

FINEBURST, N. C., Mar. 29 (AP)—The 23rd annual Women's North and South golf tournament today drew a field of more than 100 of the nation's best known unknown women as challengers for the title now held by Glenn Collett. Her challengers include Maxine Gresham, Virginia Van Wie, 35, 31, 2, Hill and Helen Blake.

The 16 low scores in the qualifying round will begin match play tomorrow, the final round being Friday. The pincheur course number three, selected for the tourney, is 4165 yards long and has a par of 71.

Listening to the wife's voice over the phone has different effects upon different husbands. One man may say—All right, hang up the receiver and start reading a newspaper. Another may hang up the receiver grab his hat and run. No two people are alike.

As Commander Byrd might have it: Well, if you know of a better pole—hop to it.

**AL SINGER TO HAVE CHANCE TO "GET EVEN"**

NEW YORK, Mar. 29 (AP)—In nearly sixty fights, Al Singer, lightweight idol of the Bronx, has been beaten only five times, and only once has he been stopped. He will get a chance to avenge that knockout when he meets Ignacio Fernandez, Filipino, at Madison Square Garden Friday night.

Early last year, Singer, then in the midst of a great winning streak, met Fernandez at the Garden and, surprised, dropped. He fought in the third round. The Filipino drove home a right that sprang Singer on the canvas and ended the fight then and there.

In a dozen matches since then Singer has been beaten only once. Kid Chocolate, Cuban, featherweight, gaining a close decision over him.

Singer, Dundee, Baltimore, welterweight, and Ben Jony of New York, clash in the ten round semi final.

Tuffy Giffiths meets Jack Gagnon of Boston, at Philadelphia tonight.

**Pantages Horse Wins Sunday Race**

AGUA CALIENTE, Mex., Mar. 29 (AP)—Alexander Pantages of the Agua Caliente stable, Los Angeles, today took his place with Victorian and Geyser in the hall of fame of the Agua Caliente race track.

The horse, which took second in the Agua Caliente handicap a week before yesterday won the Agua Caliente cup race, the 116,000 added feature of the closing day of the track's first racing season.

Alexander Pantages covered the two miles in track record time, three minutes, 25 seconds, and was followed in by Scintilla, the favorite, entered by the Agua Caliente stable and Wirt G. Bowman, racing for A. A. Harlan, in that order.

A field of six went to the post.

**20 Players Held As Real Threats**

ST. AUGUSTINE, Fla., Mar. 29 (AP)—Mickey Cochrane, sparkling catcher for the Philadelphia Athletics, says there are about 20 American leaguers who are always a threat when on base. Those most likely to try to steal, he says, are: Walker—Lester and Combs; Washington—Blair, Gaslin, Myers and Hines; Boston—Lockwood and Barrett; Chicago—Clegg, Hummer, Field and Metzger; Cleveland—Morgan, Ponsessa and Jamieson; St. Louis—Blair and Mann; Detroit—Gehring and Johnson. Of the Athletics, Cochrane lists Miller as the most dangerous on the path.

**Barney Friberg Is Given Boost**

WINTER HAVEN, Fla., Mar. 29 (AP)—Barney Friberg, utility man with the Phillies, is the most valuable player in the National League, Manager Shotton declared today.

"I said the same thing last season," Shotton stated, "and I still think so. He can play any position on a team and play it as well if not better for a time than any other man in the league."

Shotton intimated that Friberg may get the call for second base over Captain Thompson, who was late in reporting for practice.

**Babe Herman Back With The Robins**

ST. PAUL, Minn., Mar. 29 (AP)—Babe Herman, who has been back in the fold and sits well with the Brooklyn Robins.

Herman, a hardy holdout all spring, finally surrendered yesterday and accepted terms calling for a one-year contract at \$12,000. He asked for \$25,000. With Herman in the fold and Del Hulsewitz recovered from an attack of boils, Manager Wilford Robinson can put on the heaviest hitting team Brooklyn has seen in years.

**BELL MAY BE SUBSTITUTE FOR ANGLEASER**

LOS ANGELES, Mar. 29 (AP)—Lester Bell, who was obtained to do regular third base duty for the Chicago Cubs, may turn out to be a substitute for Clareson Blair.

Blair, the handy man of the 1929 National League championship Cubs, was sent to third base last week when Bell's arm went wrong, and all during the Pittsburgh series his play, both hitting and fielding, was some of the best seen on the club. The Cubs finally got the combination yesterday and today.

While Stripling is only 24 years of age this year but the Philadelphia schoolboy is an old man, measured by ring experience. Willie has had about 275 fights in 10 years as a professional and as the main performer of the Stripling troupe. At Miami Beach, he would have been billed as the "Fighting Stripling Five" with Max Baer, Willie, Herby and Willie Jr. to act as his.

The lack of a title, chiefly in some parts of Dixie, that Stripling still ranks around the top on the list of heavyweight contenders. For instance, Cecil White of Martinsville, Va., writes as follows to this department:

"I do not think I am alone among the fight fans of the South in being unable to understand why you and the rest of the New York square editors ignore Young Stripling in your writings of the heavyweight situation, present and future."

"While he has proved disappointing to us in some of his earlier bouts and we are aware of the fact that there have been many, many better fighters than he, we

also believe he is just as good as any and can take many of the fighters you give so much publicity. Especially does this go for such lions and this includes the great Schmeling you have so highly touted. He whipped Johnny Hise so he is equipped favorably to triumph. Probably you have forgotten that Stripling also gave Johnnie a passing and that many others also have got away with this feat since. Doing this trick twice has been quite different. Sharkey beat Lumbard after getting decisions over Chatter and Stripling that could have been called draws without calling for much protest from fans present, so he is now America's hope. So now you mention names in your latest list of fighters. Do you remember what he did to save himself from a massacre after being dumped on the canvas by Stripling in their Paris bout?"

Stripling has always been a tough heavyweight for anyone to beat. He looked like one of the best prospects a few years ago and the likelihood up to the time of his death, considered Stripling better than Sharkey, who has always been an in-and-outer.

The Stripling family council, however, chose to make a tank-top scrapper out of Willie, for reasons best known to themselves. The result has been to keep him out of the main picture, away from the big business centers of boxing. Perhaps this was all for the best, for Stripling never impressed New York critics as possessing championship caliber. In his one important title bout in the vicinity of Broadway, Willie was soundly trounced by Paul Berenbach, then the light heavyweight champion.

St. Paul's gifts to major league company this year have set a record for any "AA" club this year, in quantity if not also in quality.

The Saints sent their 1929 manager, Bibbes Margrave, along with American Ball, Ben Chapman and Dusty Locke, to the Yankees; Bill Hoelzl, shortstop, to the Cubs; and Archie Campbell, to the Braves. All seven of these graduates seem likely to make the big league grade, most of them stepping into regular jobs.

**Spit is a horrid word, but it is worse on the end of your cigar**

**... the war against Spitting is a crusade of decency ... join it. Smoke CERTIFIED CREMO!**

"It serves him right," we say when the filthy spitter is caught in the act. For spitting is an outrage against public decency. And yet, thousands continue to smoke cigars rolled by dirty, yellowed fingers that tip the ends in spit! For more than half of all cigars made in this country are still made by hand, and therefore subject to the risk of spit!

Certified Cremo protects you against this abomination! Every tobacco leaf entering the clean, sunny Certified Cremo factories is scientifically treated by methods developed by the United States Government during the war. And its purity is safeguarded along every step of the way by amazing inventions that foil, wrap and tip the cigars without the possibility of spit!

Try a Certified Cremo—see how wonderfully good it is! Made of the choicest, tenderest leaves that the crop affords, we claim Certified Cremo's quality is tastier than that of any other cigar. Don't let its 5c price stand in your way. Your physician has in mind a cigar like Certified Cremo when he recommends a mild smoke in place of heavy brands.

Crush-proof... immaculate... foil-wrapped... Certified Cremo is the kind of cigar the late Vice-President Marshall undoubtedly was thinking of when he said: "What this country needs is a good 5c cigar!"
