THE NEW SUPER-AUTOMATIC KELVINATOR

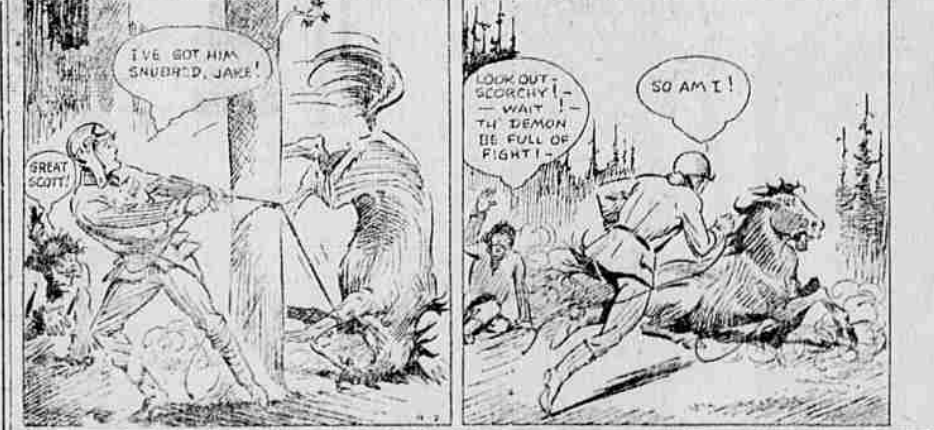

provides 3 degrees of cold for three separate tasks

Think of an electric refrigerator that gives you three temperatures—each independent of the other—for fast freezing, normal freezing and perfect care of foods—and you will realize the great advantages offered you by Kelvinator in its new super-automatic models. Entirely automatic—nothing to regulate—the new Kelvinators are years in advance of existing types. Three complete lines from which to select. See them at our showrooms and learn the attractive terms on which they may be purchased through easy payments on the monthly budget plan.
