A DEFINITION

Why is a girl's lover called her suitor? Because he does or he doesn't.

Before You Buy Shoes.. Read This

BUCKINGHAM & HECHT INFORMATION BULLETIN

Choose wisely when you buy shoes, for nowadays you wear them a long time. Don't be in a hurry, but be sure you get the most value for your money. The name BUCK-HECT on a shoe is your guarantee.

The idea that price must be reasonable, quality of the highest and that fit and comfort are wanted by the majority of shoe buyers is one strictly adhered to by Buckingham & Hecht in 1930—as in every year since the company's founding in 1857.

BUCK-HECT Boots and Shoes are made in the West, of wonderful leathers, to meet service requirements of the West.

Your Feet Will Feel Good in a Pair of BUCK-HECT SHOES

BUCK-HECT High cut—built for endurance and softness. They carry you through every time. They look and wear "like a million dollars."

When you go to your dealer's, with the thought of new shoes in mind, be sure to have him fit you with a pair of BUCK-HECTS. Most good dealers have them, or can get them. You are sure to like the "easy feel" (Indian-tan process with oil tanned into the leather), the good looks and best of all, the very reasonable price. A wide variety of styles—for hard service or dress wear. For men and women. Made by BUCKINGHAM & HECHT, San Francisco.

BUCK-HECT Work shoes that work. Quality built in. Comfort and satisfaction all through the day. Boys' sizes, too.

BUCK-HECT Modish footwear for women, misses and children. Fifth Avenue styles. Priced to satisfy you.

BUCK-HECT Dress shoes that mark distinction to the wearer. All of Buckhect quality with 1930 style. Also in boys' sizes.
