

MANY GREET EASTER SUN OVER VALLEY

Churches of La Grande
Hold Appropriate Speak-
ing, Musical Services.

CANTATAS GIVEN SUNDAY EVENING

Church Schools Also Take
Part in Day's Program
With Pageants and
Other Exercises.

The Easter sun rose yesterday to find the Grande tundra valley waiting with only an occasional cloud to halt the sunbeams, and some of the pessimists predicted rain. Among the early risers to greet the Easter Sun were those who attended the Epworth league service at 7:30 in the Methodist church, the U. E. meeting at the Presbyterian church and the 6 o'clock communion at the Episcopal church. Pageants and other programs were presented by the church schools in honor of Easter and were followed by church services.

Two cantatas were presented last evening, "The Lion King" by the Ladies' Triad choir at the Presbyterian church and "Joyous Belles of Easter" by the Lutheran choir at the English Lutheran church. Both were well attended. The personnel of the first was given in Friday's paper, following are those taking part in the latter: soprano, Miss Helen Jensen; alto, Mrs. A. G. Stutzinger; tenor, Fred Mathes; bass, Joe Miller, the Rev. L. A. W. Jones. Miss Juanita Stutzinger accompanied the program and played "Tramper" by Schumann as a prelude. Those having solo parts were: Fred Mathes, tenor; M. J. G. Stutzinger, alto; Helen Schilling, Claudia Stutzinger and Mrs. J. Schilling, soprano.

Large Congregation
The other service at the Presbyterian church, its interior attractive with white lilies, crimson roses and other flowers, was held in the morning when the Rev. J. George Watz spoke on "Appreciation of the Christ." Every seat was filled by the large congregation present.

The Rev. Indson T. Perkins conducted his final services in La Grande yesterday morning and evening at the M. E. church. Mr. Perkins has been here for several weeks with his family, from Hyderabad, India officiating at the Methodist church in the vicinity left by the death of the Rev. V. E. Hill. At 4 o'clock in the afternoon the annual services of the Knights Templar was held.

Dr. Hagen Speaks
Dr. T. H. Hagen, director of religious education for the Oregon Baptist state convention spoke Sunday morning and evening at the Baptist church. "The Desire of the Nations" was the subject of the morning sermon. In the evening he preached on "Christ's Resurrection." Special cantatas were sung and a birthday offering was presented following.

SIETZ WINNER OF TOURNEY HERE SUNDAY

With a large number of golfers on the course, a sweepstakes tournament was played at the La Grande country club yesterday, the members playing against par.

C. R. Sietz was first with a 99. His handicap of 22 gave him a net of 67, putting him seven up on par. He received an award of three golf balls.

Paul Meyers was second with an 88, a handicap of 16 and net of 72, two up on par, and received two balls.

C. W. Binger, who carded 87, and Dr. Ray Murphy, who also carded 87, finished one down to par, and were tied for third. They will play off the tie in the near future, it is reported.

Next Sunday two teams of the full membership of the club will compete, headed by Mr. Sietz and Herman Sierist, the losing team to furnish the winners with a dinner. Scores made during this match will be of a qualifying nature, and will determine places on the men's ledger, with the men to challenge each other for positions. It is announced that golfers must hold out all puts in this competition, with no conceding.

Buckaroos Win In Triangular Meet Saturday

La Grande Second and
Mac-Hi Third — Tigers
Trying to Schedule Meet
With Baker.

The La Grande high school track team encountered an unusually keen competition in the triangular track and field meet at Pendleton Saturday, which was won by the Buckaroos with the Tigers second and Milton-Freewater third, seven points behind La Grande.

The final score follows: Pendleton 57 1/2, La Grande 48 1/2 and Mac-Hi 47 1/2.

The Tigers took five firsts, Mac-Hi took three and Pendleton six. However, Pendleton's point supremacy was built up by better performances in second, third and fourth places.

La Grande was shut out in the half mile and the broad jump, both won by Pendleton men. There were no clean sweeps, however.

Nowland Wins Hurdles
Nowland romped home in 16 4-5 seconds in the high hurdles, with Gilmore of Mac-Hi second, and Torrence of La Grande third, accounting for seven Tiger points. The La Grande team also scored seven in the 220-yard dash, with Beery first and Conley third. The La Grande team took the relay in 1:28 1-5 with Pendleton a close second. The Pioneers did not enter a team.

Other Tiger firsts were made by Hilbert in the pole vault and Roe in the low hurdles. Roe beat out the tape in 27 2-5 seconds, fast time for this early in the season.

In the high jump Knapp took second for La Grande. Nowland, who leaped 5 feet 3 inches here last week, tied with three others for third, his jump being affected by a shorter takeoff.

Beery, with a first in the 220 and second in the 440, scored eight points. Nowland was next with 5 1/2 and both Hilbert and Roe chalked up five.

Two La Grande Men Elected To Masonic Offices

With the exception of L. L. Snodgrass, who was to visit with Mr. and Mrs. Ed Ford at Treadport for a few days, all of the La Grande men who attended the Masonic meetings in Corvallis last week have returned home. L. H. Innesch arrived Thursday and George T. Cochran, who was elected grand high priest of the Royal Arch Masons, returned Friday. J. Donald Meyers was another La Grande Mason who was given a state of work. He was appointed grand warder of the Grand Commandery, Knights Templar of Oregon.

It was also stated today that no further action will be taken on the plans for the erection of a building for the J. C. Penney Co. by the Masonic Building association until Mr. Snodgrass returns to La Grande.

Richard Lyman On O. S. C. Honor Roll

OREGON STATE COLLEGE
COLUMBIA, Apr. 21—Richard Lyman of La Grande, sophomore in pharmacy at Oregon State college, was one of the 89 students placed on the scholastic honor roll as a result of his scholarship during the past term. To gain this honor a student must have no grade less than "B" and must carry not less than 15 credits of work.

The registrar's report, which made public Lyman's attainment, showed that sophomore and junior students outnumbered the other two classes on the honor roll.

Under the Norbeck amendment, annual immigration from European countries would be reduced from 150,000 to 125,000. The old quota basis allowing Germany and the Scandinavian countries larger percentages of the quotas would go back into effect. Both McNary and Stelwer of Oregon voted for repeal.

NATIONAL ORIGINS APPEAL FAVORED

Senate Votes for Repeal
of Basis for Immigra-
tion Restriction.

WASHINGTON, Apr. 21 (AP)—The senate today voted for repeal of the national origins provision of a year ago, but congress this refused to act upon it.

The bill by Senator Harris, democrat, Georgia, proposing to apply quota restrictions to immigrants from Central and South America, must still be approved by the senate and acted upon by the house.

Under the Norbeck amendment, annual immigration from European countries would be reduced from 150,000 to 125,000. The old quota basis allowing Germany and the Scandinavian countries larger percentages of the quotas would go back into effect. Both McNary and Stelwer of Oregon voted for repeal.

Present Contest Winners Wednesday

Because of an unavoidable delay in the counting and re-checking of votes, the presentation of prize winners in the Miss Maltese contest, which ended Saturday night at 9 o'clock, will be held on Wednesday evening instead of tomorrow night, it was announced today.

The presentation will take place at 9 o'clock Wednesday night at the Arcade theatre, with the various contestants in the race to be present.

The Eastern Oregon Normal school baseball team will play the city employes in a practice game at the high school field at 4 o'clock this afternoon. The game was previously scheduled for tomorrow afternoon but had to be moved up a day in order to secure use of the grounds.

The Mountaineers will leave Wednesday night for Thursday morning for Caldwell, where they will play the College of Idaho Coyotes in their second collegiate game of the season.

Census Figures Not Available This Afternoon

Unavoidable Delay in
Checking and Count—
La Grande Will Show
Healthy Increase.

Although Raymond O. Williams has hoped to be able to make an estimate on the population of La Grande as of April 1 before 1:30 o'clock this afternoon, unavoidable delay in completing the count and in checking prevented the issuance of an estimate by that time.

Mr. Williams, who is assistant census supervisor for the Pendleton-La Grande district, arrived here from Pendleton yesterday morning spending the remainder of the day and today in checking the count. Four enumerators have completed their districts but the fifth, who has the largest district and who has had unforeseen difficulties in listing the families, was not expected to be finished with the work until this afternoon.

Enumerators Efficient
Mr. Williams stated that the enumerators in La Grande have performed their duties very efficiently and that the percentage of persons missed in the count is very small. Many of those who were skipped during the first two weeks have been enumerated over the weekend and some of them are being counted today.

PORTLAND, Ore., April 21 (AP)—
Two little children were Easter
Sunday automobile victims in Port-
land in two separate traffic acci-
dents. Rosmond Victoria Bernad-
ette, four-year-old daughter of Mr. and
Mrs. Peter Bernal was fatally in-
jured when run down by a truck
driven by Angus Fahy. The truck
driver was arrested on a charge
of having improper brakes and
held under \$1000 bond.

John Ross, 3 1/2-year-old son of

ance, the air circus featuring Sig
Smith and Babe Smith, was held
at a field east of the government
airport yesterday afternoon. Most

announced although a few changes
were necessary.

The plane from which the fliers
did their stunts was piloted by

Sheriff Shot By Federal Employee

HOUSTON, Texas, Apr. 21 (AP)—
Sheriff C. D. Clark of Cal-
houn county, was shot to death
on a street here today by J. T.
Blackwell, an employe of the fed-
eral government.

Deputy Sheriff McClelland said
Blackwell, apparently without
warning, drew a pistol as Clark
passed him on the street, and fired
five or six times at his back. Three
of the bullets struck the sheriff,
killing him.

McClelland said he feeling had
existed between Blackwell and
Clark for some time.

Frank Branch Riley Gives Lecture In Washington Honoring La Grande

Written from Washington, D. C.,
on April 17, a letter was received
here today by Wesley F. Brown-
ton, formerly of La Grande, telling
of Frank Branch Riley's appear-
ance before the Washington Isaak
Walton league. Mr. Brownton was
instrumental in arranging the lec-
ture by Mr. Riley, which was given
in honor of La Grande.

Last evening in the ball room of
the Raleigh hotel before a splendid
audience of Walltonians and their
wives and friends, Mr. Frank
Branch Riley presented his beauti-
ful, illustrated travel-revue "The
Life of the Great Northwest." Mr.
Brownton wrote. The outcome by
far exceeded anticipation. He said,
and Mr. Riley made a very good
impression upon his listeners.

"I have never felt a personality
so magnetic as that of Mr. Riley's
and neither had the many, many
who spoke to Mr. Riley and con-
gratulated him following the lec-
ture and the not too few who spoke
to me about him. Each of his
beautifully colored pictures was a
masterpiece in itself and the effect
that they produced upon the audi-
ence was wonderful. Mr. Riley is
surely the dean of all lecturers and
humorists.

Crowd Enthusiastic
"If you could have seen the en-
thusiasm, not just momentary but
last, that Mr. Riley instilled in his
audience last evening for our glori-
ous Northwest, you as a true Ore-
gonian, would have been cheered
to the breaking point," Mr. Brown-
ton says.

"As steeped in enjoyment as I
was I could not help but think of
the economic value of Mr. Riley's
lecture. He has cut that old bar-
rier of distance, right in half and
has the people of the East eagerly
and enthusiastically grasping for
the beauty and resources of the
entire state of Oregon. I can safely
state that Mr. Riley's lectures are
worth more to Union county alone,
than are the precious offices main-
tained here in Washington by the
Los Angeles county chamber of
commerce for its respective
lecturers."

SCHOOL HEAD HEARING DUE NEXT FRIDAY

SALEM, Ore., Apr. 21 (AP)—
Charges that J. Lyman Steed, su-
perintendent of the Oregon school
for the deaf, discriminating
against some of his teachers in
the payment of salaries, that he is
haughty in his attitude towards
teachers, harsh in discipline, and
that each year there is an exodus
of pupils from the school because
of Steed's methods will be made
before the state board of control
when it gives a hearing next Fri-
day to certain teachers and par-
ents of pupils who are trying to
have Steed ousted.

Steed's side of the case probably
will not be heard until later.
Maurice Werner of Salem, pres-
ident of the state association for
the deaf, said today that the as-
sociation has been watching Steed's
work and has concluded that he
should be replaced. Werner said
the association is not urging the
appointment of any particular per-
son.

Complaint also is made at Steed's
method of instruction. The stu-
dents are retarded in their studies,
Werner says, by the superinten-
dent's insistence that they gain a
mastery of speech and speech
reading before they proceed with
instruction, although he agreed to
use the combined system when he
was employed several years ago.

Wheat Today

CHICAGO, Apr. 21 (AP)—Corn
took the leadership in a lively
downward swing of grain values
today. Stop-loss selling of corn
future deliveries developed, espe-
cially after an announcement that the
corn visible supply showed an in-
crease, despite liberal shipments by
lake from Chicago. Wheat was
affected sharply by assertions
that northwest seeding was well
ahead of the progress shown at
this time last season, and that
there was doubt regarding any ma-
terial reduction of the 1929 acre-
age.

Dairy Specialist Dies In Portland

N. C. Jamison, dairy specialist of
Oregon State college, passed away
in a Portland hospital yesterday of
erysipelas. Although he has been
ill for sometime his death came
as a sudden shock to his friends
over the state.

Mr. Jamison was a frequent vis-
itor to this city and was one of the
principal speakers at the economic
conference held here in January.

Lone Gangster Murders Three Easter Morning

Chicago Police Consider
Crime as Refutation to
The Reported "Peace
Agreement."

CHICAGO, April 21 (AP)—The
Blue Hour saloon, no stranger to
gangster murder, saw a triple slaying
early Easter morning.

One man entered the speakeasy,
tossed a dollar bill on the bar and
ordered beer. Two minutes later
he ran out, the beer untouched,
change from his dollar still on the
bar—and three dead men on the
sawdust floor.

Walter Wakefield, "the fibber,"
lay dead behind the bar. A bullet
had struck him in the head.

Frank Del Re, sometimes called
Frank Drex, 33, also had been shot
in the back, apparently as he
sought to flee.

Joseph Special, 28, partner of
Del Re in the operation of the
groggery, lay dead in front of the
bar. He had been shot in the chest
as the assassin turned to meet his
attack. In one dead hand Special
clamped a knife. In the other,
gripped like a club, was the butt
of a plaster saint.

Capone Disciples
Detectives saw the murders as a
score against the Al Capone gang,
for the three dead men were
Capone disciples. They saw the
crime both as a refutation to the
reported "peace agreement" in
Chicago, and as a challenge to the
Capone overlordship.

There were political and labor
racketeering angles, too, the rack-
eteering possibilities being regard-
ed as particularly significant in
view of persistent word lately that
Capone had ambitions to "muscle"
into labor organizations.

Wakefield, police heard, was a
profane of Dan Conroy, city
commissioner. Conroy, a city
official, had been friendly to Capone.
Wakefield and Del Re were active
in the recent election in Serritella's
successful campaign for commit-
teeman.

A man whose name was with-
held by police said Wakefield, on
Saturday night, had attended a
meeting of the Bread, Crackers,
Meats and Pie Wagon Drivers union,
local No. 734.

"Capone planned to take over
the union through Wakefield," the
man said. "I heard some say fol-
lowing the meeting: 'Well have

Construction In Nation During Quarter Heavy

WASHINGTON, Apr. 21 (AP)—
Secretary Lamont said today
awarding of \$303,000,000 in pub-
lic construction contracts during
the first quarter of 1930 in 37
states indicated that his estimate
of \$7,000,000,000 for the year
would be fulfilled.

A new five-year record for the
first three months was set by the
awards this year.

The commerce secretary said
he expects a steady speeding up
during the remaining three pe-
riods to carry the year's activities
in public works and public util-
ities construction to the total he
forecast several months ago.

This \$7,000,000,000 program
was estimated on a basis of reports
of the government, state govern-
ments and officials of public util-
ities corporations.

It would carry the year far ahead
of last year.

While the \$262,000,000 would
set a new first quarter record,
the secretary said this figure un-
doubtedly would be swelled by
reports from the other 11 states
and from awards upon which re-
ports were not received.

CAPETOWN, Union of South
Africa, Apr. 21 (AP)—The Duchess
of Bedford, flying with two com-
panions, today started back to
England, hoping to complete the
trip in five days and establish a
15-day record for a round trip
between Lympne and Capetown.

She left Lympne airbase Apr.
19, and needed only 199 flying
hours to complete the trip there.
She is 64 years old and only re-
cently took her first solo flight.
Captain Barnard and a co-pilot,
Robert Little, are accompanying her.

Negro Prowler Is Given Ten Years

PENDLETON, Ore., Apr. 21—
Frank Williams, negro prowler
held in the country jail on house
breaking charges, was sentenced to
ten years in the state penitentiary
by Judge Fee Saturday. Calvin
White, his partner, also a negro,
was given seven years in the same
institution. Fred (Sheep) Collins
drew one year in the pen for as-
sault with a dangerous weapon.

Williams created quite a sensa-
tion here by entering various homes
and later escaping from the sher-
iff's office. He was recaptured
again Thursday night in Olney
cemetery with a bullet wound in
his foot, the result of one of two
shots fired by Deputy Gurdane as
he was making his getaway.
