Giants, Senators Steal Glory In Major Leagues

By Hugh S. Fullerton Jr.
(Associated Press Staff Writer)

John McGraw and his New York Giants once more are starting out to upset the baseball dope. The Giants suffered severely from bad spring training weather and seemed due for a lot of early beatings. Whereupon they stepped to the front by winning seven successive games and now are the only undefeated team in either major league.

The Giants have shown everything a club needs to win a pennant. The first three games were close, but effective pitching and fine fielding gave them the edge. Then they started hitting and still retained the other points of advantage. Four Giant pitchers have gone the full distance in the seven games while the other three could hardly have lasted.

Giants Beat Robins

The Brooklyn Robins became the seventh victims of the Giants yesterday as the New Yorkers hit the deliveries of Bill Clark and Johnny Morrison for 14 solid blows which produced a 10 to 4 score.

The Pittsburgh Pirates, chief threat to Giant supremacy in the National league, continued their brilliant progress by defeating the champion Chicago Cubs for their eighth straight victory.

The Boston Braves likewise broke out as heavy hitters when Burleigh Grimes made his debut as a left pitcher and made 17 blows good for a 13 to 4 victory over Philadelphia.

The St. Louis Cardinals used their blow effectively, combining them with seven walks to beat Cincinnati 10 to 5.

Senators Continue to Win

Washington's surprising Senators continued to strengthen their hold on the top rung of the American league ladder by defeating the world champion Philadelphia Athletics for the third time in succession, 11 to 0.

The Chicago White Sox and St. Louis Browns produced some surprising results in a hard fought battle that went to Chicago by a 2 to 1 score. A record which had stood for 25 years without being seriously threatened, was equaled in this game when Clancy White Sox first baseman, went through nine innings without a putout or an assist.

The Detroit Tigers broke a losing streak of seven games duration by hammering Wes Ferrell of Cleveland for five runs in the first inning and taking the first game of the series 7 to 1.

Stimulated by the Boston Red Sox proved better than Babe Ruth's home run of the year although the homer came with two on base in the ninth inning and the Sox gained an 8 to 7 victory over the New York Yankees.

The normal neighborhood play of young children is not always perfectly attuned to the needs of the individual child.

The especially high-strung, sensitive child is more quickly fatigued than his playmates. It is when he is tired that he goes into difficulties.

The child who is forced to play with a group of children other than himself, though he may succeed in keeping on with them until the end of the time, his moments when the strain is too much, when he plays baby or comes running home to mother.

The wise mother watches for signs of strain in her child's play and draws him away from the group before things come to a crisis.

It is for such times that it is helpful to have in reserve a plan where the child may play quite by himself, where for an hour or more he may be free from the tension of personal equations and completely absorbed in congenial play material.

One mother of my acquaintance fenced off a corner of her back yard for the use of her three-year-old on just such occasions as these. Here was a swing, a large box of odd-shaped pieces of wood, a sand pile, some smooth planks and several strong, wooden boxes.

It was in this private playground that she would find him when his mood may be more quarrelsome or tenacious than usual. She found the place a blessing too as a refuge from those adult visitors who think that they must make a fuss over children.

There are times when even the hardest, most cheerful of youngsters is better off by himself and his home should provide him with a sanctuary to which he may retire.

Oaks End Week At Ladder Top

Hollywood Takes Last
Three From Seattle —
Main Stops Portland.

By the Associated Press

The only safety for a pitcher these days is in the dugout. A perusal of the Oakland-San Francisco box scores last week offers almost proof of this fact.

The Oaks made 62 runs on 108 hits, while the Seals made a similar number of runs on 84 home hits in the seven game series.

It is not a record of some kind for Coast league ball, then, for recreation park denizens are cautioned to forget the present slugging for the light pitcher's battles of yesterday.

Oaks Take Series

The Oaks took the series from the Seals by one game as the result of splitting yesterday's double-header. Kenzie Lombardi, big pitcher of the Oaks, single-handedly wrecked the Seals' chances in the morning by driving in eight runs on five hits including two home runs. The score was 13 to 2.

In the afternoon the Seals edged out a victory over their transbay rival, scoring a run in the eighth inning to win 4 to 3.

The Oaks finished the week at the top of the Coast league percentage column, one-half game in front of the Sacramento Senators. The Sacramento and the Los Angeles club split a double header played at Wrigley field. The Angels captured the first game, 5 to 4, while the Senators bagged the second affair, 4 to 3.

Stars Win Three

Gene Vitti's Hollywood Stars came back to life after losing four games in a row to the Seattle Indians. The Stars took the last three games of the series from Gene Johnson's troupe. Vante Page, a young right hander, held the Indians to one run and six hits in the first game, winning by a count of seven to one.

In the second half of the day's program Emil Yoo, former big league hurler, scored an impressive 7 to 2 victory. The Stars pounded Hubbell, who started for Seattle at the mound in the second inning when they scored five runs. After playing four and one-half innings of even baseball the Missions and the Portland Ducks were compelled to suspend further playing for the day because of damp weather. "Dutch" Leiber and Carl Sims were tied up in a duel when the game was called.

At Portland:

First game called and 4 1/2 innings; rals; score, Missions 1, Portland 1. Second game called 6 1/2. Double header today.

At Seattle: first game: H. H. E. Hollywood 7 2 2
Seattle 1 6 4
Page and Severett; Callan, Lumbardi and Cox, Borrauld.

Second game: H. H. E. Hollywood 7 10 11
Seattle 2 0 1
Yde and Basher; Hubbell, Kunz and Collins.

At Los Angeles, first game: Sacramento 5 7 2
Los Angeles 2 8 2
Flynn and Wirtz; Delaney and Slier.

Second game: H. H. E. Sacramento 6 8 1
Los Angeles 4 9 1
Jones and Koehler; Burns, Walsh, Holling, Hoecht and Warren.

(Seven innings by agreement.)

At San Francisco, morning game: Oakland 12 15 2
San Francisco 7 10 3
Durst and Lombardi; McDougal, Montgomery, Gaston and Berry.

Afternoon game: H. H. E. Oakland 7 12 2
San Francisco 8 12 2
Duglia, Pearson and Ricci; Jacobs, Davis and Gaston.

Body of Bomber Found Swinging To Florida Tree

TAMPA, Fla., Apr. 28 (AP)—The body of John Hodaz, suspected of bombing a Plant City home, was found swinging from a tree ten miles northwest of Plant City today by N. M. Davis, a wood cutter, Sheriff H. T. Joughin said. The body bore numerous bullet wounds.

Deputy Sheriff Tobe Robinson said he arrested Hodaz, who is a native of Hungary, in a rooming house here last night, and was taking him to Bartow, Fla., for safe keeping when accosted and overpowered by the mob south of Plant City.

Robinson said Hodaz was handcuffed when he was taken by the mob and that his members fired four shots into the ground near his car after telling him to leave the scene quickly. He said the mob surprised him and pressed him against his body before he could resist.

Old Keen, a strawberry grower, reported to authorities that he had been taken from his home at Plant City yesterday by four men posing as officers who demanded information regarding the whereabouts of Hodaz. Keen said he was severely beaten with a leather strap.

Hodaz, according to Robinson, confessed planting dynamite on the premises of H. N. Willford, but denied any connection with the bombing of the home of E. L. Walker at Plant City in which Mrs. Walker was seriously injured last Thursday.

The trip taken by some of the students in the Imbler grade school and high school recently was enjoyed by all. While there, they viewed a private museum and the Whitman college save the students a short talk. They also visited the state game farm of Washington.
