base in the seventh, really adding to the contest. The Sox got only eight hits in 14 for the Tigers but made full use of them.

The St. Louis Browns could get only two hits off the offerings of Pete Jablonski, American ace, Lon Reault, and Cleveland won, 3 to 1.

Philadelphia Wins
Wildness on the part of Mack-Fayden and Morris and fielding errors by O. Miller and Reagan enabled the Philadelphia Athletics to score four runs in the ninth without a hit and beat the Boston Red Sox, 5-4.

In the National league, the New York Giants lost their first game of the season, bowing to Brooklyn 6 to 4 when Harvey Hendrick doubled with the bases filled in the ninth. The defeat broke Bill Walker's string of 11 straight victories.

Four home runs, two by Gabby Hartnett and the others by Charley Root and Cliff Heathcote, enabled Chicago's Cubs to beat the Pittsburgh Pirates, 7-4. Root was touched for 11 hits but tightened up in the pinches and fanned nine times.

The St. Louis Cardinals took advantage of eight bases on balls and whipped Cincinnati, 8 to 3. Clarence Mitchell, card pitcher, suffered an ankle injury in the fourth inning and had to retire. Bill finished for the winners.

The Phillies concentrated their hitting in the fifth, sixth and seventh innings to beat the Boston Braves, 7 to 4.

Portland Splits Double Header With Missions

By the Associated Press
While the other clubs in the league enjoyed their regular Monday holiday, the Portland Ducks and Mission Reds put in double time at the Portland ball yard yesterday. The tennis split a doubleheader, the home guard taking the first game, 5 to 4, and the visitors winning the second, 2 to 1, thus completing their seven game series.

Featuring the day's play was Ted Jillette, brother of Herman, who is the senior pitcher on the Mission club. Ted held the Ducks to eight hits and in addition to leading ball secured three hits.

Curly Folbertan turned in the Portland victory, holding the opposition to nine strikes.

Seals Doped in Win
This week ends the Seals' episode at San Francisco in their first series of the year. The Senators are in second place, but, unless a fix or shortcoming that has trailed them for years has left them, they probably will find themselves lower in the percentage column at the end of the week. For the past several years the Seals have had little difficulty trimming the Sacramento club.

Carl Zamboni's hard hitting and fighting Oats beat the Los Angeles club at Wrigley field. Zamboni has been a delight of players as there is in the league, and the ropes with the southern club should be close and exciting.

Huskies Point For National Title—Track Vets Boost Squad's Threat

SEATTLE (AP)—The national collegiate championship is the goal of the University of Washington track team this season.

The Huskies placed second to Ohio in the big meet at Chicago last year and are considered just as strong, if not stronger this season.

Paul Jessup, Washington's 6-foot 6-inch weight man, is fast becoming a national figure in the shot-put. Jessup's best mark last year was 50 feet 2 1/2 inches. In early indoor practice this season the former Husky football captain has reached 50 feet 6 1/2 inches with indications of bettering that mark out-of-doors. Saturday Jessup put the shot 50 feet 8 1/2 inches and the discus 158 feet 2 1/2 inches in the meet with Stanford.

Other veterans are Julius Hamstedt, weightman; Crosby Pendleton, dash star; Gordon Hobbs, running mate of Jessup in the half; Elbert Selbert, two-mile and Talbot Hartley, 48-second man in the quarter mile.

Nine of the 10 athletes who competed for Washington are back for duty, including two title holders and a former champion.

Steve Anderson, collegiate low hurdle champion and Ed Gemm, half mile title winner, have been working on an indoor track for several weeks and are fast approaching top form.

Anderson also won the National A. A. U. high and low hurdles at Denver last summer. Anderson at present is recovering from a sprained ankle.

Huruf Kiser, 1928 collegiate mile champion, is back and points to his percentage at the expense of the Indiana club.

The Portland Ducks entertain the Hollywood Stars in a seven game set.

At Portland, first game: R. H. E. Missions 4 9 9 Portland 5 13 6 Green and Baldwin, Woodall and Pullerton.

Second game: R. H. E. Missions 5 13 2 Portland 1 8 1

SENATORS TAKE NINTH STRAIGHT

Washington Noses Out Yankees While Athletics Defeat Red Sox.

By Herbert W. Barker (Associated Press Sports Writer)

In the fact of expert opinion said they would be lucky to be any higher than seventh.

Walter Johnson's Washington Senators continue to set a dizzy pace to lead the American league.

No one can say, of course, where the Senators will finish but the fact remains that they are playing heads-up baseball, taking advantage of every break and winning consistently. The club has been fielding brilliantly, hitting opportunely and Johnson has shown rare judgment in juggling his pitchers with Lloyd Brown, Irvine Hadley, "Bip" Mathey and Garland Braxton as a "big four."

Senators' Ninth Straight
Yesterday's 4-3 victory over the New York Yankees was the Senators' ninth in eleven games and their seventh in a row. Washington took an early lead, thanks to some spectacular hitting by Shortstop Joe Cronin, and then held on to it in the face of a Yankee rally in the later frames. Cronin drove in three runs with a home run, triple and double. The Yankees drove Marberry out of the box with a two run rally in the seventh but could do nothing with Braxton.

The Chicago White Sox moved up into second place with a 6-7 triumph over Detroit. Carl Reynolds led a home run, triple and single, his homer with Lyons on

Portland O-W. To Send 60 To La Grande Meet

Arrangements for the Portland-La Grande railroad athletic meet here Sunday, May 18, have been completed. It was announced yesterday afternoon. The Portland O-W. unit will be represented by about 60 athletes, and the club for the day's competition includes baseball, golf, tennis, swimming, rifle shooting, trapshooting, horse-shoes and track—practically the same as the events at the annual U. P. system meet.

None of the events, with the exception of the baseball game, will be of the elimination type. The winner of the Portland-La Grande baseball game will play the winner of the Spokane-Walla Walla game and the winner will represent the O-W. at Ogden Aug. 15 and 16.

The golf is in charge of Charles Reynolds and the tennis is in charge of Park Taylor. In connection with the meet the La Grande Gun club will hold a merchandise raffle at Lone Tree, where the rifle shooting will take place.

J. H. Pearce, A. A. U. commissioner in this district, will referee the meet.

WOMEN GOLFERS ARRIVE SOUTHAMPTON

SOUTHAMPTON, England, Apr. 28 (AP)—The largest contingent of American women golfers ever to land in England arrived today when the Hibernian docked at Southampton with Glenn Collett and her team aboard.

Miss Collett, the American women's champion, headed a party of 20 including Virginia Van Wie and Helen Hicks, who she declared, "Are just as good at golf as I am."

Maureen O'neil, the other member of the American "big four" arrived several days ago.

GOLFERS TO SAIL FOR OLD WORLD

Eight Walker Cup Representatives Ready to Leave New York.

NEW YORK, Apr. 29 (AP)—Seven of America's eight Walker Cup golf representatives had gathered here today and the eighth was no further away than Washington.

With their departure on the Mauretania set for tomorrow afternoon, Bobby Jones, captain of the inviolable expedition; Francis Ouimet, Don Moo and Dr. O. F. Willing all arrived in town yesterday to join three other members of the team, Harrison R. (Jimmy) Johnson, national amateur champion, George Von Elm and George Volght. The eighth member of the squad, Roland MacKenzie, is expected from Washington today or tomorrow.

Whatever other members of the team may decide to do, Jones will play no golf here.

"I have been playing much more golf this winter than usual," he said, "and do not feel the need of additional play until we get over there. We will have no team practice or anything of that sort here. There will be plenty of time for that when we get to England."

Expect Real Battle
Jones believes that the Americans will have a real battle on their hands when they meet the British cup players at Sandwich May 15 and 16. "I have seen only the old-timers play but I have the greatest respect for them and I hear the younger players are as good or better than the veterans."

Jones said that the squad would play no other team match in England and that as far as he himself was concerned, he probably would restrict his golf to the Walker Cup matches, the British amateur and open championships and possibly only one other tournament in England.

"I hope to visit France and Germany and possibly Italy between the amateur and open events but will not play much golf," he declared, "possibly an 18-hole match or so."
