SCHAAF BEATS LOUGHRAN IN PHILADELPHIA

PHILADELPHIA, Apr. 29 (AP)—Tonight Loughran's heavyweight championship aspirations have received another severe jolt, this time at the hands of Ernie SchAAF, 21, in a sensational 10-round battle here last night. One of the judges scored Loughran as the winner and the other voted for a draw.

The verdict of Referee Lou Houck precipitated a noisy demonstration on the part of the fans. Police were called to disperse the crowd, which stormed about the center of the arena for several minutes after the final gong. Most of the fans declared that Loughran should have gotten no worse than a draw.

Coming on the heels of his knockout at the hands of Jack Sharkey last summer, the defeat in the opinion of experts, has lowered Loughran's heavyweight prospects materially.

A year ago Loughran, then holder of the light heavyweight title, won a decision over SchAAF in Boston. But last night he found the Boston job a greatly improved fighter. Loughran, still the clever boxer of old, excelled in that department, but SchAAF was by far the better fighter.

There were no knockdowns, but there were many hard blows exchanged and both men were bleeding from cuts on the face and over the eyes.

Closing Weak In Exchange Today

NEW YORK, Apr. 29 (AP)—Stock experienced another sharp setback today when the rally, which started soon after the opening, failed to follow through. Selling pressure was particularly severe against the copper and rails.

More than a score of which were hammered to new low levels for the year. Weak spots also cropped out in nearly all other leading groups, the declines running from

Holding Up Purse Of Kid Chocolate

TORONTO, Apr. 29 (AP)—Officials of the Ontario Athletic boxing commission today were holding up the purse of Kid Chocolate, Cuban featherweight, as a result of his showing last night against Johnny Erickson of New York.

Chocolate was awarded the decision after the ten round bout by vote of the two judges, but Referee Lou Marsh declined to cost his ballot. The Cuban gave Erickson a thorough trouncing and almost knocked him out in the last rounds, but the officials were dissatisfied with the Cuban's showing in the earlier rounds.

Referee Marsh warned Chocolate's manager, Luis Gutierrez, between rounds to order Chocolate to open up. Gutierrez said the Cuban had injured both hands in the first round and was determined to extend himself when he could win easily anyway.

The majority of fans appeared satisfied.

RUPTURE SHIELD EXPERT COMING TO LA GRANDE TUESDAY, MAY 6

At the Foley Hotel From 10 a. m. to 4 p. m. Evenings by telephone appointment only. ONE DAY ONLY No Charge for Consultation

Mr. C. E. Redlich, the successful expert says:

"The 'Perfect Retention Shield' holds the rupture perfectly, no matter what position the body assumes or how heavy a weight you lift. They give instant relief, ease the pain, and strengthen the weak tissues (the real cause of rupture) so that they frequently recover their previous natural retaining power, needing no further outside support. Stomach trouble, back-ache and constipation often caused by rupture promptly disappear. Truly remarkable and prompt results have been obtained not only with recent and not fully developed ruptures but also with old, long neglected ones.

Ingenious, recently perfected devices are now holding ruptures firmly which heretofore never had been retained.

No elastic belts nor filthy leg-straps are used.

I guarantee the durability of my absolutely sweat and moisture proof, sanitary appliances.

75% of ruptured children recover completely through expert mechanical treatment according to statistics.

Do not waste your money on widely advertised mail order contraptions. You cannot fix yourself.

Strawberries In Good Supply And Quality; Peas Up

PORTLAND, Ore., Apr. 29 (AP)—Egg and butter prices were without change today.

Reviewing the fruit and vegetable situation, the Portland bureau of the U. S. department of agriculture says:

"California strawberries were in liberal supply, and of good quality, with no hold-overs from last week. Movement was good, at \$2.50 per 2 1/2-pint crate, to retailer. Cauliflower prices advanced to \$2.25 per crate, an account of declining supplies. California shipments are decreasing.

"The market is still overabundant with local radishes, and retailers bought at 15¢ to 20¢ per dozen bunches.

"First supplies of new-crop northwestern head lettuce are now being received at Seattle and Portland. Cool weather is retarding further strawberry receipts. From Oregon producing districts.

"Peas are advancing in price, from their abnormally low levels of last week."

FLIERS DESCRIBE ECLIPSE OF SUN

(Continued from Page One)

fastest the shadow came on the clouds below. It passed beneath us so rapidly we could hardly perceive it. Turning our plane we photographed it as it disappeared.

Shadow Luminous

"The shadow appeared to be luminous and bluish purple and its diameter was about three-fourths of a mile, with its edges clearly defined.

"A snowstorm was raging below the plane at the time of the eclipse, and the exhaust fumes from the plane froze and left long trailing streaks in the sky."

The eclipse caused a noticeable drop in temperature to the scientists on the ground. As the sky darkened the air became chill, and an unearthly silence awed the spectators.
