Close Heavy In Street; Sales Reach 4,200,000

NEW YORK, May 7 (AP)—Price trends shifted frequently in today's stock market as trading became more orderly and further readjustments after its recent upheaval were completed.

After moderate extension of yesterday's gains at the opening, the market was subjected to heavy profit taking, but prices stiffened and speculation for the rise was resumed with vigor, only to run into further profit taking and short selling as trading progressed.

A further break in U. S. Steel to below 169 inspired large selling orders in the late trading and many popular shares were depressed to the day's lowest figures. Application for a receivership for Celotex was followed by a drop in the stock to 29¼, a loss of 14 points. Aggressive buying in the amusement issues, particularly Loew's and Shubert, ceased in the final hour when radio broke more than 3 points from the best price. J. I. Case lost 12 points and an eight point rise in Eastman Kodak was cancelled. The close was heavy. Sales approximated 4,200,000 shares.

FIRST STRAWBERRIES

THE DALLES, Ore., May 7 (AP)—The season's first strawberries of the everbearing variety, were marketed here today by H. D. Smith whose farm is in a protected cove just west of the city. The berries, the first reported from any mid-Columbia district, retailed at 25c per pint hallock.

RECENT RAINS AID CROPS AT LADD CANYON

By Mrs. Charles Grandy
(Observer Correspondent)

LADD CANYON (Special)—The recent rains have been very beneficial to crops and gardens. Both fall and spring sown grain fields are growing rapidly.

Mrs. Alec Furgason has been spending much of her time driving to the Grande Ronde hospital to be at the bedside of her sister, Mrs. George Clark, who underwent a serious operation there last week. She is reported to be improving.

A little eight-pound daughter was born to Mr. and Mrs. Frank Rominger at the Grande Ronde hospital May 2. Both mother and daughter are getting along splendidly. Mr. Rominger made his home in Ladd Canyon for several years, but now resides in La Grande.

Mr. and Mrs. Walter Knauff are receiving congratulations over the arrival of a new baby daughter at their home April 28.

Claude Beale and Charles Grandy returned to their homes last Thursday night from Portland where they were called to serve as witnesses in a federal court trial there. While there they had the pleasure of witnessing "Strangler" Lewis wrestle.

Mr. and Mrs. Sherell Ewin and son "Billy" have returned home from a pleasant stay in Portland with relatives and friends. Mrs. Ewin accompanied Mr. Ewin's parents home after having visited here and Mrs. Ewin drove down later for her. His younger brother, Herbert, stayed here with him and returned home with him.

Mrs. Charles Grandy was hostess to the Get-together club at her home on May 1. After the usual business meeting, Mrs. A. S. Furgason and Mrs. L. W. Drumsmith each conducted a contest. Evidently it was Mrs. Roy A. Munsell's "lucky" day as she won both prizes. Mrs. Grandy served a two-course luncheon near the close of the afternoon. Mrs. Frank Poole will be the next hostess to the Get-together club May 15, taking the place of Mrs. Alec Furgason.
