WELL, FOLKS!

I sure am getting in bad here. Just got on good terms with the boss over selling Women's Coats so cheap. Now I've had a spat with the head Milliner, all over a LADIES' HAT. I said I think these hats are marked too high. Mad, I'll say she got mad. The things she told me to do was, well no man could do it. Gee! She grabbed her pencil and marked every hat in the house down. Hats marked $6.50 she marked $3.95 and all others accordingly. I think every man that has to buy his wife a hat will say I was in the right. NOW LADIES, you can buy the best hats in town at HILL'S for the least money.

SEATTLE TRIMS BEAVERS TWICE

Four Teams Win Double Headers Yesterday in Pacific Coast League.

By The Associated Press

Last week saw several changes in the Coast league baseball standings.

Sacramento was displaced as league leader by the Los Angeles Angels. The Aces were close at the Angel's heels as the circuit swung into a new series, however. Oakland and San Francisco retained third and fourth positions, respectively, as a week ago, but their percentages had dropped.

Seattle made the greatest gain, defeating the lowly Portland Beavers six out of seven games. The Indians leaped from a poor sixth place to fifth and boosted their average from .407 to an even .500. They displaced the Missions, who dropped five out of seven games to the Angels here.

Portland strengthened its grip on the cellar while the Hollywood Stars continued next to the bottom, having dropped four out of seven games to the San Francisco Seals.

Four Teams Win

Los Angeles, Hollywood, Sacramento and Seattle all captured double headers yesterday. The league leaders took the Missions into camp here by scores of 6 to 2 and 11 to 6. Steady pitching by Clyde Barfoot was largely responsible for the Angels' victory in the morning contest while the Missions were outslugged in the afternoon encounter.

Hollywood beat San Francisco's Seals 5 to 4 in the opener and 6 to 3 in the nightcap, making it three straight, but dropped the series to the visitors three to four. The Stars won the first game when "Lefty" McDougal, San Francisco pitcher, walked Severeid in the seventh with the bases full, forcing in a run which broke a 4-to-4 tie and eventually spelled victory for the home team. The second game was a hurling duel between Jim Turner, Hollywood rookie, and John Miljus, Seal veteran. Turner helped win his own game by knocking in two runs with a single in the sixth after Hollywood had scored once to knot a 2 to 2 tie.

Nine Runs in Seventh

A wild seventh inning in which Seattle scored nine runs spelled defeat for Portland's Ducks in the nightcap while the first game was a pitchers' battle between Yerkes and Kunz.

Excellent pitching by Ray Keating and Tony Freitas gave Sacramento its two victories over Oakland. Keating whitewashed the Acorns 2 to 0 in the opener while Freitas held the Oaks to five scattered hits in afternoon contest for a 7 to 3 win.

Cleveland Wins From Athletics Sunday 25 to 7

By Hugh S. Fullerton Jr.
(Associated Press Sports Writer)

When a team that has been having a hard time holding a place among the league leaders although it holds the club batting lead and one which has stretched a winning streak about as far as possible get together, something is bound to happen. It did yesterday when the Cleveland Indians entertained the Philadelphia Athletics and an overflow crowd of Cleveland fans.

The Indians have shown plenty of hitting power all season while the Athletics had a bad beating coming to them after winning nine out of ten games. The beating was inflicted to the tune of 25 to 7, by far the biggest score of the major league season. Cleveland started by clubbing Ed Rommel from the mound with five hits and three runs in the first inning and then kept improving this pace, scoring in every inning up to the seventh, and collecting 25 hits. Nine of the blows were doubles and some might have gone for more bases except for the ground rules.

Ferrell Allows 4 Hits

Wesley Ferrell held the world's champions to four hits in his six innings on the mound.

He allowed five runs but his mates beat that in two different innings, getting seven in the fourth and six in the sixth.

Cleveland's batting feat stood out on a day of rather light hitting. The only game that approached it was Brooklyn's 10 to 2 triumph over the Pittsburgh Pirates. The Robins made 18 hits for their successive victory in the series while Lazzy Vance held Pittsburgh to four. The game put Brooklyn in third place in the National league, dropping Pittsburgh into a three-way tie for fourth.

The St. Louis Cardinals made 25 hits but they had to win both ends of a double header from the Boston Braves to do it. The scores were 5 to 3 and 7 to 6 carrying the Cardinals to six successive victories and Boston to as many defeats. Jess Haines pitched his first full game of the year in beating out Harry Seibold in the opener.

Giants in First Place

The New York Giants made their hold on the league's first place safe for the current series with the second place Chicago Cubs by winning their third encounter, 5 to 7. The game, played after a shower had made the field slippery, saw six pitchers yield 29 blows, 17 of them going to the Giants.

Benny Frey, who has taken part in nine of Cincinnati's 22 games, hurled his fourth complete game and won his fourth victory by limiting Philadelphia to seven hits while the Reds pulled out a 5 to 4 win. Three successive walks in the ninth inning forced in the deciding run.

Ed Morris produced the day's best pitching feat as he held the St. Louis Browns to two hits for the second day in succession. The Boston Red Sox won the game, 2 to 1, on Regan's home run. Morris gave seven walks but he struck out nine. An ex-Bostonian, Charley Ruffing, made his debut in a New York Yankee's uniform and helped the Yankees beat Detroit, 7 to 6. Given a good start by Babe Ruth's fifth home run of the season in the first inning, Ruffing barely lasted through the game.

Ted Lyons of Chicago hurled ten innings to defeat Washington 5 to 3, in a fine duel with Ramp Hadley. Three successive hits in the tenth, one a triple by Walwood gave Chicago the deciding runs.

Umatilla Nine Trounces City Team, 15 to 4

The Umatilla Indians, going on a scoring spree in the fourth inning that netted 12 runs, easily defeated the City Employes team here Saturday afternoon, 15 to 4. With the exception of the one inning, during which two city pitchers vainly tried to stem the tide of hingles, the game was well played and evenly matched.

The Indians played at the high school grounds en route to Elgin, where they were scheduled to play yesterday.

This was the first defeat of the season for the city.

Gallagher and Price both hit triples, and City Manager W. C. Crews entered the game for a moment in the ninth, pinch hitting for Nelson.

The score:	R.	H.	E.
Indians	15	19	4
City	4	8	7

Batteries: W. Elk and Tias; Marshall, Beard and Gallagher.

An inquisitor desires to know what the approximate odds will be against Bobby Jones in his forthcoming attempt to win both the British Amateur and Open Golf Championships, as well as to lead the Yankee forces to victory in the Walker Cup matches.

Probably they will be no longer than 3 to 1 against the Georgian in the Open and 4 to 1 against his chances in the Amateur.

Jones will be a bigger favorite in the Open, despite the fact he is facing all comers in this event, because of the general feeling that he is more consistent at medal than at match play. Or, to put it another way, Bobby has demonstrated time and time again his ability to tap Old Man Par on the chin successfully for long counts, whereas he has been a trifle fickle when encountering the hazards of 18 hole matches such as prevail throughout the British Amateur.

The American Amateur championship jumps into 36-hole matches after the first two rounds, with the longer route built to Bobby's order when he gets that far. In England he must tackle them all at 18 holes, unless he reaches the final which is at 36.

On form Jones should win both tournaments. He has been playing more consistently good golf this spring than at any time that his friends can recall. He admits himself that it has been "pretty good." On the other hand he knows the hazards he has to face, as well as the competition.

In both events Jones has some of the best of American talent as well as the British defense to combat. Leo Diegel, Horton Smith and Mac Smith will be among his keenest rivals in the Open. His Walker Cup teammates will be arrayed against him in the Amateur and it is just as well to remember that Bobby did not get past the first round in the American amateur championship last September.

Hubbell is strong, especially Yale's habit of turning out a succession of brilliant pole vaulters.

"It is one event we have no trouble getting material for," remarked Ellis coach Frank Kanaly recently when I asked him what he had in the way of a successor to Sabin Carr and Fred Sturdy, two 14-foot performers. "Sometimes we can hardly find a shot-putter or a jumper around the field, but there are always plenty of vaulters. This Yale tradition is one of the strongest I have ever seen. One of the most promising of the present crop is Bill Cone."

Cone won the pole vault at the Penn Relays at 13 feet but he has yet to show he can fill the championship shoes of Carr and Sturdy.

The East and Far West have been turning out most of the star vaulters for the past few years but Northwestern's Tommy Warneke like the greatest of the college crop now in competition. Tommy did 13:11 at the Drake Relays, barely missed 14:2, a world's record height. He, too, is carrying on a fine tradition. His predecessor at this specialty for Northwestern was Bill Droegemueller, a sensation in 1928 and second in the Olympic championship to Sabin Carr. . . Carr was forced to a new record of 13 feet 8¾ inches to win and he did it on his last chance.

Is the Robot Fooling YOU?

The Paris correspondent of "VARIETY" reports:

"The music-wise Continentals object violently to mechanical music (in the theatre)."

WHAT, then, if Europeans thus prove their "mus.c-wisdom," are we North Americans supposed to be, that we are asked to accept mechanical music — and *mechanical music* only — in the theatre? Music-etoxid, perhaps?

Well, at least 2,000,000 theatre patrons have rejected that characterization by joining the Music Defense League. They mean that they want Real Music, not Canned Music exclusively, in the theatre.

If you value the Art of Music, you too, should be numbered among the "music-wise." Just sign and mail the coupon at the left.
