

The victory boosted the Yanks into fourth place.

The Boston Red Sox five-game winning streak was halted by St. Louis, 2 to 1 in 10 innings. Lascaris gave the Browns only four hits in the first nine innings but was reached for a single, double and a sacrifice fly in the tenth.

**Athletics Win**

The Athletics maintained a half-game lead over Washington for first place by trouncing Cleveland, 12 to 7. The Mackmen knocked Clint Brown out of the box in the second inning with a five-run attack and kept up the charge against three other Indian pitchers. It was Brown's first defeat.

Dickie allowed only five hits in Washington trounced Chicago, 12 to 7. Goose Goslin led the attack with two doubles and a single while Sam Rice hit safely in his 22nd consecutive game.

**Sandwich Golf Matches Begin Next Thursday**

**SANDWICH, Eng., May 12—(AP)—**All players who will figure in the Walker Cup golf matches here Thursday and Friday have arrived at Sandwich, the British complement being filled by the arrival of Cyril Tolley, who made his first appearance on the Royal St. George's course today. Tolley has been golfing in France since his return from the United States.

He went out in a four-ball match with Roger Wethered, Herbert Harris and Francis Oulmet, Boston veteran.

James got together an all-American foursome with himself, George Voket, George Van Eln and Roland MacKenzie for some serious practice designed to find ways and means of overcoming the pitfalls with which Sandwich's famous course is plentifully supplied.

**KANSAS CHIEF OF DEMOCRATS IS WOMAN, 32**

**TOPEKA, Kas. (AP)—**A 32-year-old mother of three children is leading the democrats of Kansas, Mrs. Carl V. Rice of Parsons, who succeeds John Wells as state party leader, already has 14 years of political experience behind her.

She has held several offices in the democratic organization and is widely known in the third congressional district.

Her political career began in 1920 when she was elected secretary of the Labette county democratic committee and four years later she became chairman of the democratic women of the third district.

Next, in 1928, she was elected vice-chairman of the state democratic committee at the same time Mrs. Wells became chairman. Now Wells has resigned to manage H. H. Woodring's campaign for the nomination for governor, and Mrs. Rice has succeeded to the reins of office. Wells has expressed "utmost confidence" in her leadership.

Patriotic interests also have engaged Mrs. Rice. She has been president of the third district American Legion auxiliary, on the state executive committee, and is a member of the Daughters of the American Revolution and Ladies of the G. A. R.

Her natural interest in children has led her to the presidency of a parent-teacher association in Parsons.

**TEXANS AND HARVARD ON 1931 GRID BATTLE**

**AUSTIN—**With prospects bright for a powerful football team during the next two years, the University of Texas has scheduled some stiff tests including an inter-sectional game with Harvard.

The schedule for 1931, in complete while only open dates remain on the 1931 program. The only out-of-state school to be met in 1930 is the University of Oklahoma. In 1931, however, three schools outside of Texas will play the Longhorns. They are: University of Missouri, Oct. 2, at Austin; Harvard, Oct. 24 at Cambridge; and the University of Oklahoma at Dallas.

**MULTI-MILLIONAIRE DIES**

**PANTA ROSA, Cal., May 12—(AP)—**Leonard Howarth, 64, multi-millionaire and a leading figure in the timber and mining industries of the Far West, is dead today at his home, The Macdonald, southwest of Berkeley, Cal. Death occurred last night from a heart attack which followed a general breakdown in health last March.

Howarth was reported to be one of the wealthiest men in northern California.

Capt. Charles Kingsford-Smith, veteran of many daring flights, is making preparations to attempt to fly his famous monoplane, Southern Cross, across the Atlantic from Croydon field, England, to Long Island, N. Y.

**Tom Turner On Way East to Buy A Few Players**

**PORTLAND, Ore., May 12 (AP)—**Thomas L. Turner, president of the Portland baseball club, left here Monday for the east on a trip which he said probably would result in the purchase of some new ball players to bolster the Beavers' lineup, center position holders in the Pacific Coast league.

Turner refused to supply his name but intimated his sudden departure for the east was prompted by the showing Portland made against the warring Indian tribe from Seattle last week. Seattle took both ends of the doubleheader here Sunday and won the series six games to one.

"Better get out all the pictures of major league ball players and be ready to use them," Turner told sport writers before he took the morning train.

**Eight American Women Golfers Remain in Race**

**FORMBY, Eng., May 12 (AP)—**Eight of the 12 Americans in the British women's championship golf competition survived the morning play while four were eliminated.

Miss Glenna Collett, New York; Miss Virginia Van Wie, Chicago; Miss Leo Federman, New York; and Miss Stewart Hanley, Detroit, were through for the day as they won third round matches and will play fourth rounds tomorrow morning.

Miss Maureen O'Connell, English wood; N. J. Miss Helen Hicks, New York; Miss O. E. Hill, Kansas City; Miss Edith Quier, Reading, Pa., had to play two rounds today.

Miss Hicks was the first to handle the two obstacles, winning morning and afternoon matches by the same score, seven up and five to play.

Miss Louise Forrester, Youngstown, Ohio; Miss Peggy Wadlow, Buffalo, N. Y.; Miss Fyfe Saffel, Wheeling, W. Va., and Miss E. P. Lenthall, Pasadena, Cal., were defeated in the second round.

Tomorrow morning's play in the fourth round will bring together Glenna Collett and Molly Gourlay, American women's champion, and Eugenie Manly, British champion. Miss Gourlay defeated Miss Collett in the international matches preceding the championship.

**Coast Leaguers Facing Crucial Series in Week**

**By The Associated Press**

This week promises to bring about further changes in the standings of the coast baseball circuit. The league leading Los Angeles Angels meet Oakland's Athletics at Oakland, Sacramento's Senators, who were removed from the top rung of the ladder last week by the Angels, clash with the San Francisco Seals at Sacramento, Seattle encounters Hollywood at Los Angeles and the Mission Indians on Portland's trailing Beavers-Ducks at San Francisco.

Judging by past performances of the coast, the Indians should have no trouble with Portland. However, Sacramento and the Seals will fare in their series as a matter for conjecture. The Seals were given little chance at the start of the season but last week found them in the lead and this week they are only one full game behind the leading Angels.

Seattle is another organization that is continuing the effort. The Indians were considered no great threat to permanent chances when the season opened, but lately they have been plucking away in great fashion and indications are that they will continue to improve their standing. Against Hollywood their present strength should be well demonstrated.

**U. S. STARTS 'PLANTING' OF SEVEN BILLION FISH**

**WASHINGTON (AP)—**In the spring the fancy of the United States bureau of fisheries turned to a national distribution of fish and fish eggs.

Going underway in April, the distribution total for streams and rivers throughout the country is expected to reach nearly seven billions of fishes and eggs before November rolls around.

Co-operating with the bureau and its 45 national hatcheries scattered over the country are 400 state hatcheries.

**New Golf Ball Used Yesterday In N. Y. Tourney**

**NEW YORK, May 12 (AP)—**The new and lighter golf ball has passed its first tournament test with something like flying colors.

The test of the new ball, which will go into general use the first of next year, was made in an 18-hole sweepstakes competition at the Fairview golf club, White Plains, yesterday. Use of the new ball was made obligatory and the test had the sanction of the Metropolitan Professional Golfer's association.

While there was some complaint that the new ball did not putt well and was difficult to drive from the tee in a heavy wind, Joe Turnesa, of Hansford, N. Y., had no pretensions to make. Joe won the event with a fine 70, made up of two 25's.

Turnesa's evidence was to the effect that the new ball was good for putting, that it played well out of traps, that it was just as easy to get direction with and that it carried tremendous distances with the wind behind it. He agreed, however, that it made golfing against the wind a trial and a tribulation.

**McFarlane's Opinion**

Willie McFarlane, who had a 77, declared the ball interfered with his putting but admitted that it was easier to play from the rough. Bobby Craikbank, although his best also was a 77, declared the ball was a great improvement over the old one and asserted it would put a premium on wood play from the fairway where he thought it belonged.

Specifically Turnesa's performance on two holes seemed to disclose the strength and weakness of the new ball. At the 248 yard sixth, with a stiff wind behind him, Turnesa reached the green with his second, something he said he never had been able to do before at that particular hole. On the other hand, at the 429 yard tenth, where he had to drive into the wind, Joe failed to reach the green with his second although he has done it regularly with the old ball.

**OREGON TEAM TAKES LEAD; TRIMS HUSKIES**

**EUGENE, Ore., May 12 (AP)—**University of Oregon's baseball team took the lead in the northern division of the Pacific coast conference yesterday when they defeated the Washington Huskies here, 7 to 6, in an eleven inning battle. Three costly Washington errors in the seventh inning contributed to their defeat. The score:

Washington	6	10	7
Oregon	7	9	6
Batteries:	L. Gaw, McDonald, Putnam and Brannon; McDonald and Gabriel.		

**CRACK GOLFER GONE; BIG TITLIE OPEN**

**KVANSTON, Ill. (AP)—**With Lester Hoisted gone from the collegiate golf ranks, the western conference tournament this year is an open affair for all the ten schools. The meet will be at Northwestern May 26-27.

Hoisted almost single handed won the title last year for Minnesota. He was graduated last spring.

Judging from their early season work, the Illinois golfers will make a strong bid for golf laurels. Fred Lyons and Dick Martin are the Illinois Aces. Lyons won the western junior championship last year. Michigan and Northwestern also will provide stubborn competition.

**ARMY FOOTBALL PLAYER MARRIED**

**Cagle, All-American Back, Faces Dismissal From West Point Academy.**

**WEST POINT, N. Y., May 12—(AP)—**Cadet Christian Keener Cagle resigned today from the United States military academy after presenting a certificate saying that he was married. The resignation was requested by Major General William R. Smith, superintendent of the academy, and was forwarded at once to the war department at Washington.

**NEW ORLEANS, May 12 (AP)—**Records in the court at Gretna, Jefferson parish, Louisiana, today revealed that Christian Keener Cagle, the "red head" Army football star, and Miss Marion Mantorf Nalle, a pretty Auburn haired girl of New Roads, La., were married on August 25, 1928.

The marriage was performed by George J. Pruthi, justice of the peace at Gretna, who went back through his records of the last seven years and located the certificate.

Each gave their age as 24 years. Cagle gave his address as New Orleans and his bride's address as Baton Rouge.

Witnesses to the marriage were Garnett H. Todd and Daniel Whitney.

The marriage certificate shows the bride's father is deceased. Her mother is Mrs. Valentine Herbert Nalle.

Mrs. Cagle left yesterday on a visit to New York.

**EXPECTS DISMISSAL**

**WEST POINT, N. Y., May 12—(AP)—**Immediate dismissal of Christian Keener Cagle from the military academy was forecast today by army officials, following news dispatches confirming reports of the Army football captain's marriage nearly two years ago, in violation of West Point regulations.

Academy officials, including Major General William R. Smith, the commanding officer, reported immediately to take official action or make any statement, but indications were Cagle would be called summarily to account.

Information concerning Cagle's marriage in Gretna, Louisiana, Aug. 25, 1928, continued in an Associated Press dispatch, was the first detailed information received at West Point. It was understood that following an investigation of rumors, Cagle had explicitly denied being married.

Marriage by any cadet is strictly prohibited by the regulations and, after every leave or furlough, is obligated to sign a certificate guaranteeing he has done nothing in violation of the rules.

He was recalled "Cagle over rough" by a Christmas holiday furlough in 1928 and was disciplined by assignment to three months extra guard duty.

**STRANGLER LEWIS WINS**

**SEATTLE, May 12 (AP)—**Strangler Ed Lewis defeated Dr. Karl Sarpolla two out of three falls here last night. Sarpolla got the first fall with his flying body slam in the second fall, which left him an easy victim for Lewis' headlocks for the final fall. Doc Anderson, Salem, Ore., defeated Jack Krueger, Port Orford, light heavyweight, in the preliminary.

**W. S. C. WINS 14-7**

**MORGON, May 12 (AP)—**Washington State college went on a battling spree to defeat Idaho today, 14 to 7, here yesterday. Five Idaho pitchers were used. Score:

Washington State	14	14	4
Idaho	7	8	4
Batteries:	Nelson, Jones and F. Mitchell; Lindsay, Spangly, McCall, Smith, Jacobs and Price.

Earl Harry (Dutch) Clark, about whose athletic exploits around the Rocky Mountain area considerably has been written, will be graduated this June from Colorado College with high honors in scholarship as well as a collection of 12 varsity letters, one of the greatest all-around stars ever developed in the Far West. Clark has three letters in football, one in basketball, four each in track and basketball to show for his activities. He has turned down a number of letters offers from other institutions to return to his alma mater as a coach next season, assisting W. T. (Daddy) Van Graaff in football and taking full charge of the basketball squad.

One of the most remarkable features of Clark's career is that he scaled extraordinary heights of accomplishment in spite of poor eyesight. Clark was reluctant to admit it and the fact was not generally known that it did not start short his career. Bill Muligan, former sports editor of the Colorado Springs Gazette-Telegraph, told me that after one basketball game, early in college, Dutch did a lot of dodging and dribbling that seemed unnecessary. When it was mentioned to him afterwards, he admitted it was due to the fact that every opposing player looked like two or three men to him!

After watching the athletes perform at Franklin Field, Tommy Longman has decided it is a good place in which to train for his fields. He has trained Lawson Roberson, Pennsylvania's head track coach, to condition him for his ring work. For his heavyweight work, Longman might get a few tips from Barney Bestler, Tom's all-around strong man.

**Don't Worry About Brush Marks**

Amateur painters generally find enamels and lacquers difficult to handle because they have to be brushed just so, or ugly laps and brush-marks show.

But there is a brand new color finish that requires no painting skill. It is called FLEX, and is a product of the General Paint Corporation.

FLEX is entirely different from any paint or finish you have ever used for it's neither an enamel nor a lacquer. You don't need to be fussy in applying FLEX. You can brush it on in any direction—it dries quickly and you have a beautiful, lustrous finish that does not show a trace of a lap nor a single brush-mark.

You can buy FLEX from your usual source and in twenty brilliant colors. Two or more of them can be mixed to produce any shade you want. You'll find FLEX a wonderful help in refinishing any room or furniture that needs brightening up.

It has been a long time since major league baseball got away to as hilarious a start as it has for the year. It is the marking the end of the decade of slout. AFTER THE HARE began hitting home runs in record quantities.

The pre-season dope has been kicked all over the premises by the performances of such teams as Washington's Senators and New York's Giants. These two clubs were world's series rivals six years ago but neither received much of a tumble in the advance figuring, especially the Senators. Neither may be 1-2 when September rolls around but a good start is a large part of the battle. Games won in April count just as much as those won in May, June, July, August and September.

The pitchers took the upper hand for the getaway but the slugger found the range before a fortnight of campaigning. Since then the carnage has been terrific with one day alone witnessing an average of nearly 18 runs, 28 hits and six pitchers for each of seven games played.

The attendance and gate receipts boomed in spite of bad early season weather. The Yankees and 32, in the only two games they were able to play in April drew \$100,000. The Giants played to capacity houses in Philadelphia and Brooklyn, where it was necessary to lock the gates hours before game time. And 18,000 turned out in a snowstorm in Pittsburgh for an attempted in-

**By Herbert W. Barker**

(Associated Press Sports Writer)

The New York Giants have tangled for the first time this season with their chief rivals, Chicago and Pittsburgh, and the home team got to John M. Goswami, team-buster beyond dispute.

on the crest of a terrific hitting streak, the Giants rode roughshod over both the Pirates and the Cubs, taking three games out of four trips each of the two rival western clubs. The net result was to give the Giants a firm grasp on the league leadership.

During their last eight games with the Pirates and Cubs as opponents, McGraw's sluggers have pounded out 121 hits, including an even dozen home runs, and scored 76 runs. The average per trio was 9.25 runs and 15.13 hits.

**Game is Clinch**

It remained for the final game of the series with the Cubs to provide most of the fireworks.

The Giants won 14 to 12. Nine home runs were hit, three by the Chicagoans and six by the Cubs.

Beating Brooklyn, 6 to 6, Pittsburgh not only broke a four-game losing streak but created a triple tie for third place with the Robins and Cincinnati Reds as their companions. Ervin Branscum gave up only six hits while the Pirates collected 11 off Lindley and Morrison.

The Reds pounded out Philadelphia, 7 to 6, for their ninth victory in their last 12 games. The Phils tied the score in the eighth on Klein's double and Whitney's single but the Reds came back in their half of the same frame to score the winning run on Sukerforth's triple and Allen's sacrifice fly.

George Pipras turned in the best pitching performance in the American league when he allowed the Tigers only three hits and hurled the Yankees to a 7-0 win. Lou Gehrig hit his sixth homer of the year in the sixth.
