PORTLAND WINS A GAME, 5 TO 2

Six Hits in Ninth Inning Give Beavers Necessary Runs for Victory.

By The Associated Press
Portland won a game yesterday. The Missions were the victors. The score was 5 to 2.

Material in the ninth inning the Missions were leading 2 to 0. Until the seventh game had been in pitching duel between Ted Miller and Johnny "Duke" Walters, who pitched catches, outfielders play, third base and hits with equal skill. The Missions scored once in the seventh and once in the eighth. Then came the fatal ninth. Six hits did the damage. Beavers crossing the plate five times.

It remained for Hollywood to stop Seattle's spectacular climb. Spotting the Indians four runs in the first inning, the Stars proceeded to climb out a victory in a fashion characteristic of their championship behavior last year. It was a free-hitting contest, and when the smoke of battle cleared, it found the movie city nine on the long end of a 13 to 7 count.

No-Hit, No-Run Game
Jimmy Zinn, veteran San Francisco right-hander, today had entered that exclusive section of the baseball hall of fame reserved for pitchers of no-hit, no-run games. The masterful hurling was done at Sacramento against the Senators and resulted in an 8 to 0 victory for the Reds. Just seven batters on bases, four by walk, two through errors by (Crosby) and one hit batter. The batter who was hit, Myril Hoag, was the only Sacramento man to get beyond second base and he was held on third.

Zinn fanned only one man, but only seven balls were knocked out of the infield. Their defeat, however, did not remove the Senators from the league leadership, Oakland again defeating Los Angeles. Hunching several of their 11 hits in the first and seventh innings while the Angels were scattering their eight through six innings. The Angels edged through a 4 to 2 victory. The Angels did all their scoring in the last stanza. They obtained second place in the standings.

RELIEF FROM CURSE OF CONSTIPATION

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause." But immediate relief has been found. A tablet called Roval Ordeffia has been discovered. This tablet attracts water from the system into the lazy, dry, evacuation bowl called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose. Stop suffering from constipation. Chew a Roval Ordeffia at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store. —Adv.

and cold weather, the Brooklyn victory straightened out the National League standing a trifle. All but two of the games in National League and all in American League were postponed. As Brooklyn went into third place, Cincinnati dropped into a tie for fifth while the St. Louis Cardinals, victorious for the eighth successive time, came up to take fourth. The Cardinals moved into the first division by beating the league leading New York Giants yesterday by a 7 to 1 count as Al Grahnawski and Herman Bell gave just four hits. Bell earned the major share of the laurels and received credit for the victory when he took up the pitching job in the fifth inning and allowed just one hit in five games. Grahnawski had yielded the three runs in the third when he walked the bases full and allowed Bill Terry to hit a double.

Pondosa School Closes Friday; Seven Graduate
By Mrs. M. F. Raymond
(Observer Correspondent)
PONDOSA, Ore. (Special)—School closes Friday after a successful term. There are seven students to graduate from the 8th grade.

The third anniversary and election of officers of the Medical Springs Women's club was held at the school house Thursday afternoon. Officers for the coming year were elected as follows: Mrs. W. H. Dunson, president; Mrs. L. M. Ludy and Mrs. T. E. Hansen, first and second vice presidents; Mrs. Leonard Whitten, secretary, and Mrs. E. E. Whitten, treasurer. A silver berry spoon was presented to Mrs. M. F. Raymond by the members in appreciation of her work as president of the club for the past 18 months. Who's who in baby land was a contest much enjoyed during the afternoon. Each member was asked to bring a baby picture of themselves; the pictures were numbered and hung on the wall and the members guessed who the different ones were. Mrs. D. E. Nelson guessed the greatest number and was presented with a prize. A large birthday cake with three candles was served with other refreshments by Mrs. S. E. Fallow, Mrs. T. E. Hansen, Mrs. V. E. McKinney and Mrs. John Peffe.

Mr. and Mrs. Chester Thompson returned from a short business trip to Portland Tuesday. They drove their car down and back. Mr. and Mrs. Fred Raymond and children were weekend guests of M. F. Raymond and family. M. F. Raymond, who has been employed at Maxville for the past nine weeks, was home over Sunday.

The dance given by the baseball team Saturday evening at the school house was a financial as well as social success. About \$22.00 was raised, which will be used to buy equipment for the team. A practice game was played Sunday on John Miles' field on Powder river.

"A Bag of Fresh Air Dreams" a good health play, was presented by the Primary association at the school house Friday evening. About 20 children between the ages of four and 12 took part and were well trained in songs, dialogue and dances. A small admission was charged and proceeds were sent to the children's hospital in Salt Lake City. The Union Stake officers from La Grande attended.

Mrs. Carl Johansen, manager of the Pondosa hotel, and her daughter, Clara, left for a pleasure trip to Salt Lake City Wednesday to be gone about 10 days. Mrs. Mary Murray is running the hotel during Mrs. Johansen's absence.

O. C. Whitten, who makes his home with his son Frank and family, returned to his home Monday after visiting his daughter, Mrs. Edward Wanker, at Oswego for the past two months.

Miss Mona Conlogue, whose school at Lewis Cove closed Friday, spent the weekend with her sister, Miss Marie Conlogue.

Mrs. J. C. Wise, of Imbler, is spending the week with Mrs. M. F. Raymond.

R. J. Wanker and F. E. Whitten went into the hills Monday and inspected the drift fence on the range and returned Tuesday. Leonard and Lester Leslie and Leith Kline, who have been employed by the Hines Lumber Co. for the past three months, returned the first of the week to move their families to Seneca. They did not wish to take the children away until they had finished their school year.
