PRISONERS HEMMED IN

MONROE, Wash., May 15 (AP)—A cordon of guards from the state reformatory here were maintaining a vigilant watch today over a patch of dense brush about a mile from the reformatory walls, confident that they had cut off the escape of two prisoners who with seven others made a daring dash for freedom through a temporary breach in the outer wall late yesterday. The other seven were captured within an hour after their break for liberty.

SAVING TIME DECISION IS DUE TONIGHT

ITCHING BURNING FEET

With Toes Cracked? and Blistered. If so, you're probably just another of over 19 million U. S. adults suffering with a new foot infection which unchecked quickly spreads to sides and bottom of feet—itching becomes intense, blisters break and there's a wet oozing surface which usually forms scabs. Check this contagious and unbearable misery today with Moore's Emerald Oil, a powerfully penetrating and healing germicide which Red Cross Drug Store and all druggists dispense. Itching instantly stops. After 2 weeks feet in healthy condition again—or money back. —Adv.

BEFORE IT'S TOO LATE!

When tempted to over-indulge

"Reach for a Lucky instead!"

Be moderate—be moderate in all things, even in smoking. Avoid that future shadow by avoiding over-indulgence, if you would maintain that modern, ever-youthful figure. "Reach for a Lucky instead."

Lucky Strike, the finest Cigarette you ever smoked, made of the finest tobacco—The Cream of the Crop—"IT'S TOASTED." Lucky Strike has an extra, secret heating process. Everyone knows that heat purifies and so 20,679 physicians say that Luckies are less irritating to your throat.

Coming events cast their shadows before"

TUNE IN The Lucky Strike Dance Orchestra, every Saturday and Thursday evening, over N. B. C. networks.

"It's toasted"

Your Throat Protection—against irritation—against cough

*In the U. S. Public Health Reports of 1923, Volume 38, Page 1271, we find the following: "Among short men less than 5 feet 7 inches in height an excess (in weight) of 20% involves an added mortality of 30% above normal. A 40% excess adds 80% to the mortality." We do not represent that smoking Lucky Strike Cigarettes will bring modern figures or cause the reduction of flesh. We do declare that when tempted to do yourself too well, if you will "Reach for a Lucky instead," you will thus avoid over-indulgence in things that cause excess weight and, by avoiding over-indulgence, maintain a modern, graceful form.
