**St. Louis Fifth But Manages To Win Her Share**

By Hugh S. Fullerton Jr. (Associated Press Sports Writer)  
The St. Louis Browns are fifth in the American league pennant standing, but with the aid of Walter Stewart they get a share of victories.

The club is suffering from weak hitting and weak pitching, ranking at the bottom of the league's club batting averages, but Stewart has developed into a consistent hurler and usually a victorious one. He has taken part in nine games, finishing one of them, and has completed seven of his eight starts. His current record is six victories and three defeats as he proved quite effective against the Cleveland Indians yesterday to give St. Louis a 5 to 4 victory.

**St. Louis' Record Perfect**

St. Louis' record of the Boston Braves has finished eight games in a row for the only perfect record in either major circuit, but otherwise the Browns hurler is doing quite well. His nearest rival in his own league are Milton Gaston of the Boston Red Sox and Ted Lyons of Chicago, who have six complete games apiece. Very few pitchers in either circuit have completed as many as four games.

**Pirates Trim Cubs**

—The Pittsburgh Pirates tightened their hold on third place, increasing their margin to two full games by beating the Chicago Cubs, 5 to 4, while the fourth place New York Giants dropped their second in succession to Philadelphia, 9 to 5. The Pirates ran into more hard luck as a second pitcher in two days was sent to bed just before he was due to start. Ervin Beane was lost to the team through a severe attack of grippe. On Thursday Steve Swisher came down with appendicitis.

Attires of love and war popularity are supposed to allow of some latitude.
