One of the main reasons why Harvard and Princeton, despite conciliatory, undecisive negotiations, will not resume football relations for some time to come is that Harvard has no late-season open date on its gridiron schedule until at least 1933, if then.

Only recently, the Crimson announced its football slate so far ahead of 1932, with Penn State, Dartmouth, Brown, Army, Holy Cross and Yale filling the last five Saturdays. Presumably, it has commitments beyond that.

Harvard, freed of any permanent hook-up outside of its traditional climax with Yale, has broadened its football policy since breaking with Princeton after the 1925 season. A two-year agreement with Michigan ends with a game at Cambridge this fall. So far, the University of Texas will be a newcomer to the Crimson schedule. Perhaps by 1933, Harvard may shatter precedent so far as to arrange a home-and-home agreement with one of the big Pacific Coast colleges, such as Army and Stanford.

**Three Records Broken In Meet At Eugene, Ore.**

EUGENE, Ore., May 26 (AP)—University of Oregon athletes were back on their old stamping grounds today with the satisfaction of having trounced Oregon State in the 13th annual dual track meet between the two institutions. Oregon won the meet 77 to 54, forfeiting the last event on the program, the relay. The Staters lost their chance for a record in the relay by this forfeiture as their crack foursome has been stepping the mile in less than meet record time this season.

Three records were broken, all by University men. Dickson established a new mark of 152 feet 11 1/2 inches for the javelin, beating the distance of Art Tuck, Oregon State, set in 1921.

Dale finished the 200 in 22 seconds, still a tenth of a second off the mark set in 1922 by Oberhauser, Oregon.

Ed Mueller beat his own record of last year by tossing the discus 150 feet six inches.

Clare McKennon won the 440-yard dash in 58 3/4 seconds.

Talbot Hill, sensational miler, took it easy in the meet and came loafing behind Steel, schoolmate, who placed first.

War Charles, in Near East (AP)—Introduction of chart water into the sea out of credit by Dr. William F. Albrecht, of Johns Hopkins, is the subject of controversy. The chart water, which is the table salt, has been used in the past by Indo-Europeans, who with this then new weapon, established a military aristocracy.

Connections are made at Salt Lake City to and from Denver, Omaha, Kansas City, St. Louis, Chicago, New York and all Eastern Cities.

**MAHAFFEY WINS FOR ATHLETICS**

**Game Follows 12-Inning Scoreless Tie Played During the Morning**

By Harp S. Fullerton Jr. (Associated Press Sports Writer)

The current rookie crop in the major leagues has been unusually good, producing a number of young sluggers who have been causing the older players a few things about hitting the ball, but it has not been particularly rich in good pitchers. In fact it is some time of an event yesterday when two of the younger generation of hurlers turned in good games on one afternoon.

Leroy Mahaffey, of the Athletics, who has been tried out in the majors before but did not make the grade, was the one winner of the day. Making his first start for the world's champion, he turned back the New York Yankees in a neat fashion, stopping their batting spree with a seven hit game to win, 3 to 2. Mahaffey, who came up this year from the Portland Pacific coast league club, perhaps recognized a kindred soul in Ducky Cooke of the Yankees, for he allowed Cooke two hits, including a home run, which aided his average considerably.

Leon Chagnon of Pittsburgh pitched well in the second game of the Pirates' double header, but he could not cope with the experience of his rival, Red Lusch, and the Cincinnati Reds broke their losing streak with a 4 to 3 victory. Lusch himself secured the winning run in the ninth inning. The Pirates gave Cincinnati its tenth straight defeat in the ten inning opener by a 6 to 5 score.

The rest of the day's pitching triumph went to veterans of at least several years standing. Adolphe Lajoie, one of the amateurs of the National League, held the New York Giants to four hits in ten innings as Brooklyn won, 4 to 3, for its 12th victory out of 25.

Oswell Marshall started the game for La Grande and Bud Boord finished it.

**Annual Oregon Golf Tourney On At Eugene**

EUGENE, Ore., May 26 (AP)—The annual Oregon State amateur golf championship tournament with 42 women and 132 men from clubs in Oregon, Washington, California, Texas and Nebraska participating, started here today over the Eugene country club course with the fair matchie welders raising the curtain with their qualifying rounds.

Competition in both divisions promised to be keen. Dr. O. P. Willing, present title holder, and Don Moe, Oregon boy wonder, are absent from the tournament this year, both having been selected on the Walker Cup team. With their absence, the state title belongs to any who can shoot below par golf.

Vincent Dolp and his brother, Frank, both of whom have held Pacific Northwest titles, are looked upon as the favorites in the men's section, while Mrs. R. E. Iva, defending champion, is looked to retain her title.

Archib Stewart and Earl Peterson, both of Seattle, are two of the out of state contenders. California is represented by three men and one woman: George Shaw, Los Angeles; R. S. Fyfe, Lake Lucerne; Dr. G. M. Linnrock, Mill Valley; and Miss Betty Bowden, Sacramento.

George Rollins of Stanford, Texas, and Mrs. A. C. Loucks, Omaha, Neb., complete the 'out of state' entrants.

Actual play in the men's division will start Tuesday with a 36-hole medal test. The women will play an 18-hole qualifying round.

**Reds Crash Through**

Leon Chagnon of Pittsburgh pitched well in the second game of the Pirates' double header, but he could not cope with the experience of his rival, Red Lusch, and the Cincinnati Reds broke their losing streak with a 4 to 3 victory. Lusch himself secured the winning run in the ninth inning. The Pirates gave Cincinnati its tenth straight defeat in the ten inning opener by a 6 to 5 score.

**City Employees Nine Defeated by Elgin**

After taking an 8 to 1 lead over Elgin in the sixth inning, the City Employees baseball team were unable to stop two batting rallies at Elgin yesterday afternoon, and lost 12 to 10. Elgin scored seven runs in the seventh and came back with four more in the ninth to win.

Oswell Marshall started the game for La Grande and Bud Boord finished it.

**Bobby Jones In Third Round Of British Tourney**

ST. ANDREW'S Scotland, May 26 (AP)—Bobby Jones, American open champion, advanced to the third round of the British amateur golf championship today by defeating St. Roper, Woburn Park, three up and two to play.

Jones had to shoot inspired golf to win from his sturdy English opponent, who played the 72-hole hole in 36 strokes through a combination of nine straight fours. Bobby, however, covered the first nine holes in 33 strokes, including four birdies and an eagle.

Thompson, playing cautiously to his brilliant opponent because he was forced to now at the 14th.

Jones' opponent, George Vaisey, a Walker cup teammate in the third round of the New Yorker, defeated Edward Tipler, one up, in 19 holes several hours before the Atlantic finished his match. Both Vaisey and Jones had eyes in the first round.

Harrison H. Johnston, amateur champion of the United States, won his first "round match" from Richard Darvill, two up and one to play but had to win another in the afternoon to qualify for the third round.

**SACS BEATEN BY ANGELS 9 TO 6**

Former Portland Player Turns Back Yankees Sunday 10 to 3.

By The Associated Press

Four Conchobachans, including some unique encounters, yesterday put the Sacramento team in a position such that it will have to stop lively to keep ahead in the series. The Sacs lost their first series of the season when the Angels beat them 9 to 6, in the afternoon, after the teams had played an 11-inning twelve inning 9 to 6 tie in the morning.

Tommy Pretzold, of the Sacs, and Vernon E. Hoeltzel for the Angels put up a pitcher's duel that kept the batter's both teams from registering a tally in the first contest, which was played at Stockton. In the afternoon Hoeltzel was knocked out of the box after starting for the Angels, but his two batters with three on in his fourth proved a decisive factor.

The other two first division clubs, San Francisco and Oakland, split a doubleheader in the morning, taking four out of the seven games of the week's series. Curtis Davis pitched well for the team and hit a three bagger in this second inning as his team took the measure of Edwards and won the first game, 3 to 1. In the afternoon Pete Dinkla allowed the Sacs 12 hits while his team-mates got only eight, but the Sacs used their better advantage to score a 5 to 4 victory at this expense of Mills and Turpin.

The Missions took their sixth out of the week's eight games when Seattle in the morning, 14 to 7, in 13 innings, but were shut out, 7 to 0, in the nightcap. The Indians started the morning fray with a 7 to 0 lead in the first three innings, but the Reds tied it up at nine all in the seventh. Knott and Burbee knocked homers for the Indians in the first of the ninth, and a four run lead made it look like a Seattle game, then George Burns, Mission first sacker, knocked out a homer with one strike, which with one more Red fly ball tied the score, at 13 all. The Missions took the winning run

**HOUSEWIVES CAN LOWER FOOD BILLS BY USE OF SUGAR**

**Sugar Makes Inexpensive Wholesome Foods More Appetizing**

Although most foods rise in price seasonal periods during the year, the price of sugar varies but little, and is always low. The cost of sugar to housewives in the United States is much lower than it is in any other country.

The value of sugar in reducing food bills is quickly apparent. Wholesome desserts, which can be inexpensively made, round out the simplest meal in a satisfying way. The same is true of jellies, jams and relishes. Sugar, of course, is one of the chief ingredients in these foods.

When sugar is used as a seasoning in cooking essential vegetables, their appetizing qualities are thereby increased. Try a dash of sugar to a pinch of salt in cooking carrots, turnips, beans, tomatoes, and other vegetables—canned or fresh. The sugar blending with the salt and vegetable juices is delicious.

Stewed fruits become most inviting when sugar is added. And sugar tinkled on breakfast cereals develops their flavor in a taste-pleasing way.

The opportunity to buy ice cream and bakery products at the "store around the corner" should not be overlooked. These delicious, wholesome desserts are sold at a price within the reach of all. A bit of sweet makes the meal complete. The Sugar Institute.
