VETERAN PITCHER IN BIG COMEBACK

Harry Seibold Wins Seventh Victory of Season for Boston Braves.

By Hugh S. Fullerton Jr. (Associated Press Sports Writer) The current performance of Harry Seibold, veteran pitcher of the Boston Braves, is one of the most amazing things in the National League struggle...

A decade ago Seibold disappeared into the minor leagues and little more was heard of him until he appeared at the top of the international league list with leading in 1923...

Seibold's leading rival for staying honors in the major leagues, Walter Stewart of the St. Louis Browns, trailed right along behind him yesterday...

Campolo Named As Max-Jack Alternate

NEW YORK, May 28 (AP)—Victorio Campolo, Argentine heavyweight, has been named by Madison Square Garden as the alternate for the Max Schmeling-Jack Sharkey title bout...

Otto Von Porat Blasts Gagnon To The Canvas

CHICAGO, May 28 (AP)—Otto von Porat, long ridiculed as a fighting man without a real fighting heart, has bounded back as one of the outstanding candidates for the heavyweight boxing championship...

The knockout victory was perhaps the most impressive turned in by von Porat since his invasion of America, aiming heavy right hand smashes skillfully at his fast moving target...

The Chicago Cubs moved up to an almost safe place in the National League's first division by winning the remaining contest of the three which survived the rain and cold yesterday...

SECOND DIVISION CLUBS WIN TILTS

Portland Noses out Oakland While Seattle Drubs Sacramento Team.

By The Associated Press Just to show the three present top-notchers in the Coast League can't be too sure of themselves, three second division clubs snatched them yesterday...

Paul Zahmiser, of Seattle, held the Senators in check except for some difficulties in the third inning, and his teammates overcame an early Sacramento lead, plinked a total of 14 runs to the Seas...

San Francisco regained a half game in the standings after its defeat of the day before by being idle while the three leaders were losing, but was tied in standing by the Missions due to the latter's victory over Los Angeles...

Sport Slants by ALAN J. GOULD

Among veteran horsemen, talking of Man O' War, it has always been their contention that the only thing necessary was to stick a boy on his back and let the super-horse run...

Unfathomable so far, the combination had a good running start toward equaling the record of Sir Barton, which won the Preakness Derby, Withers and Belmont Stakes in 1919...

The day before the derby at Louisville, I talked with Mickey Walker about his great shagging match with the late Harry Greb at the Polo Grounds in 1925...

Walker, "I had Harry 'out' in the second round but he fooled me and recovered. He had me going in the fourteenth but I managed to stick. You know, afterward, we met and had a big breakfast together at the same tavern and talked it all over. I think we had a lot of respect for each other."

That evening, by a coincidence, Walker suddenly found himself in the thick of another knock-down-and-drag-out battle, with a substitute opponent, Paul Swiderski, in the annual Derby eve fight affair...

Somehow, well-laid plans went astray for Walker, off his guard completely, had finished training for the bout by playing the ponies for two days at Churchill Downs, getting a manure and taking it easy around the hotel lobby.

The East may not be so consistent in garnering sprint honors but it has a habit of developing most of the country's best mile runners, from Jones, Taber and...

WILBUR COEN ELIMINATED IN NET TOURNAY

AUTREUIL, France, May 28.—(AP)—Wilbur Coen, eighth ranking American tennis player, was eliminated in the fourth round of the French hard court championships today by Baron Humbert de Morpurgo, Italian veteran, in straight sets.

The Kansas City youngster's defeat left Bill Tilden as the only American standard bearer in the men's singles. Morpurgo's victory carried him into the quarter final round.

Only 1,000 spectators, the largest attendance of the week, were on hand for the match.

Miss Ryan, native Californian and residing in England, defeated Yvette Barberis of France, 6-1, 6-2, to reach the quarter finals. Miss Ryan played insufficient tennis and is considered likely to reach the semi-finals where she probably would meet her doubles partner, Helen Wills Moody.

Bill Tilden defeated G. F. Hughes, England's third ranking player, to enter the quarter-finals. The scores were 6-1, 6-10, 7-5, 6-2, the American champion losing a set for the first time in the tournament.

Sensible Way To Lose Fat

Start taking Kruschen Salts—that's the common sense way to reduce—but don't take them with the idea that they possess reducing qualities in themselves.

This is what they do—they clean out the impurities in your blood by keeping the bowels, kidneys and liver in splendid working shape and fill you with a vigor and tireless energy that you'd most eagerly have wanted.

As a result instead of missing yourself in an easy chair every five minutes and getting flabby fat accumulation, you feel an urge for activity that keeps you moving around doing the things you've always wanted to do and need to do to keep you in good condition.

MOTORITE

—the Union Motor Oil that seals in compression

MOTORITE was developed by the Union Oil Company to meet the high speed requirements of our modern high compression motors. It is refined by an electrically controlled, secret refining process that assures a uniform high quality with minimum chance of human error.

38 Rigid Tests In addition to this positive refining control, MOTORITE is subjected to 38 specific checks or analyses before it reaches the crankcase of your high compression car. 200 Extra MILES There is no oil quite like MOTORITE. Tests in standard makes of automobiles prove that you can easily get 200 extra miles out of a crankcase full. Thus with MOTORITE you drain at 200 miles farther than you have been in the habit of doing.

Secure MOTORITE at any UNION OIL COMPANY service station, or where you see the MOTORITE sign. It's only 25c a quart. Use it exclusively with UNION ETHYL for efficient mileage in high compression motoring.

UNION OIL COMPANY

THE UNION MOTOR OIL FOR HIGH COMPRESSION CARS

MOTORITE FACTS at a glance 1. MOTORITE, because of its high viscosity and clinging quality, seals off the compression in your motor and enables you to obtain the full power that the designer of your car intended. 2. MOTORITE resists dilution by 'gelling up' and gasoline in the form of vapor without harming the lubrication efficiency of the oil. 3. MOTORITE possesses a variable viscosity that guarantees the most efficient lubrication in every work load temperature. 4. MOTORITE has a great capacity for carrying away and dissipating heat. On long drives at sustained high speeds it keeps your motor cool. 5. MOTORITE is safer with a super slippery and slow movement friction. 6. MOTORITE deposits less carbon and only the soft, fluffy kind. 7. MOTORITE contains an acid forming properties that might corrode your motor. Used consistently it means fewer repairs.

Don't miss these advantages. Ask for the New High Compression Oil by name—MOTORITE.
