RUTH AND HACK TIED IN HOMERS

Both Have Total of 16—Philadelphia Defeats Senators Again.

By Hugh S. Fullerton Jr. (Associated Press Sports Writer) Various winning and losing streaks ended in yesterday's ten major league baseball games, but the boys continued to drive balls outside the confines of the parks at an amazing rate.

Twenty-four home runs were hit in the ten games, two less than set in the same number of games May 27. Babe Ruth contributed his 16th homer and Hack Wilson hit two to equal the Babe's total.

The Boston Red Sox ended the season's longest losing streak, turning on the New York Yankees after 14 successive losses in win 7 to 4. Ruth did not knock his homer until two were out in the ninth inning and by that time the game belonged to Boston. The Red Sox completed the first triple play of the American league season. Cincinnati already had given

en the National league its first three-way killing.

Scobell Beaten. The Giants put an end to Harry Scobell's great pitching performance of having completed nine straight games as they took a double header from the Boston Braves 5 to 4 and 16 to 3. Scobell started the second game and left in the third inning as the Giants scored 12 runs in one frame. Walter Bergert got a homer in each game.

The Philadelphia Athletics, blowing Washington for the fourth time in a row and their eighth straight victory, gave Bud Sum Jones his first defeat of the season after he had won six games. The final count was 9 to 4 with a homer by Williams providing the margin of victory. Bob Grove handled the really tough job of the game as he relieved Maharrey in the ninth inning and fanned two of the three men who fanned him.

Walter Stewart of the St. Louis Browns, possessor of another of the American league's best hitting records, could not check the slugging propensity of the Chicago White Sox to earn his eighth victory and 8 to 5. The Chicago victory helped produce a three-way tie in games for fifth place between these two teams and the Detroit Tigers, defeated

2 to 7 by Cleveland. The Indians, punching hits off George Cline to score all their runs in the third inning, moved into third ahead of the Yankees.

League Wins. Adelfa League, of Brooklyn, continued to win for the Robins, securing his fifth straight victory at the expense of the Phillies, 10 to 2. The Robins hit 15 times for 34 bases, five of their blows being homers, and placed themselves three full games ahead of their nearest National league rival.

Chicago moved into second place, running its winning streak to five straight, by trouncing the Pittsburgh Pirates 16 to 4. Guy Bush pitched well and the boys hit better, having Wilson's two homers and one by Hartnett in their 14 blows.

Good pitching was the important factor as the Cincinnati Reds beat the St. Louis Cardinals down to third place with a double victory. The Cards got only 15 hits in the two games, losing by scores of 3 to 4 and 7 to 1. Jake May and Larry Benton hurled the first game for the Reds and Benny Frey the second. Harry Heilmann did the heavy hitting with six hits, two homers for a perfect day.

The point scores were: Washington 56 2-5; Oregon 43 5-15; Washington State 21 5-10; Oregon State 12 1-6; Idaho 10; Montana 2.

Bob Robinson, Oregon, established one of the two new records set in the meet. In the 100 yard dash he posted 12 feet 1 5/8 inches, or five-eighths of an inch better than the 1929 mark of John of Washington State.

A new distance in the javelin was made by Homer Hein, Washington State, who drove the spear 195 feet 3 5/8 inches. The old mark was 184 feet 5 inches, made by Whitlock of Oregon State last year.

McKennon Wins 110. Other winners Saturday were: 100-yard dash: Foster, W. S. C. Time 19.1. 220-yard dash: Foster, Time 23.5.

400-yard dash: McKennon, Oregon (La Grande), time 59.3. Half mile: Taylor, W. S. C., time 1:59.3.

1 Mile: Elser, Washington, time 4:25.8. Hill, Oregon, second, time 5:19.3. Two mile: C. Hill, Oregon, time 12:26.8.

Mile relay: Washington State, time 2:26.8. High hurdles: Anderson, Washington, time 15.4.

WINN BOAT RACE. SALEM, Ore., June 2 (AP)—The Class B five-mile race, feature event in the motor boat races here yesterday, was won by Flying Finn, Astoria, entry, manned by Sarsjovi. The time was 9:52.4. Miss Albany with Johnny Eierstad at the helm was second and Why Not, driven by Hamblen, third.

AUTREUIL, France, June 2.—(AP)—Henri Cochet, the one-time ball boy of Lyons, and Helen Wills Moody, of California, once more have demonstrated their right to rule the world's singles tennis players.

Cochet, beating back the challenge of America's veteran, Big Bill Tilden, yesterday won the French international hard court men's singles crown for the third time, 2-6, 8-6, 6-2, 6-1.

A little later, Mrs. Moody won the women's title for the third successive year by defeating Helen Jacobs, of Berkeley, Cal. in straight sets with the loss of only three games.

Mrs. Moody won 6-2, 6-1 and conclusively demonstrated that she ranks herself among the women tennis players of the world. Miss Jacobs had refused the first round by decisively beating the Spanish señorita, Elena de Alvez, but she never had a chance against "Queen Helen."

In the second set Mrs. Moody reeled off five games in a row and probably would have won at love had not she relaxed a bit after the gallery booed a linesman's decision against Miss Jacobs.

The United States won or shared in three of the five championships decided in the tournament which began on May 19. In addition to winning the singles title, Mrs. Moody paired with Elizabeth Ryan to capture the women's double crown. Tilden and Cecilie Aussem of Germany won the mixed doubles championship.

The first medical book of real consequence is said to have been a folio volume by Aulus Cornelius Celsus, a Roman, printed in 1470 which went through 105 editions and still is read.

but at no cost to them or their colleges whatever, extraordinary publicity has been showered upon the collegiate dash men through the action of international authorities in Berlin reconstituting Eddie Tolan's mark of 9.5 seconds as the new world's 100-yard record.

The result has been to focus the spotlight upon Tolan, his rivalry with George Simpson of Ohio State, the performances of other sprinters and a revival of the starting block controversy.

Whatever sprinting thrills may be in the meantime, the prospects are that the National Collegiate at Chicago, June 6-7, will furnish a grand climax for the speed talent from all parts of the country.

Here's the probable lineup: Eddie Tolan of Michigan, world's record-holder at 9.5 seconds. George Simpson of Ohio State, who ran 9.4 with starting blocks. Frank Wykoff of Southern California, who ran 9.4 without blocks. Cy Leland of Texas Christian, who did 9.4 with the wind.

Hee Dyer of Stanford, who beat Wykoff in a 9.5 race. Claude Braney, who has done 9.4 with the aid of a brisk breeze.

Baseball's Rip Van Winkle, if he had gone to sleep on the advance "dope" about the major league pennant races early in April and then walked up the end of May to scan the standing of the clubs, would still consider himself in a complete daze.

For instance and for fun, take the standing today or yesterday and compare it with the following order in which the clubs were rated at the outset: American League—Athletics, Yankees, Cleveland, Detroit, St. Louis, Chicago, Washington and Boston.

National League—Chicago, Pittsburgh, New York, St. Louis, Philadelphia, Brooklyn, Cincinnati and Boston. To show the thoroughness of the upheaval, there have been a number of days where not a single club reposed in the position the experts reserved for it.

The worst may be yet to come. It develops that one of the enterprising clan of American sporting men has gone abroad—"on the lookout for wrestling and fighting timbers, New York, St. Louis, Philadelphia, Brooklyn, Cincinnati and Boston.
