Civil War Vets Unable to Join In Ceremonies

By Mrs. L. Z. Terrall (Observer Correspondent)

UNION (Special)—Despite the general downpour of rain on Decoration day there was a good attendance at the program held at the gymnasium in the afternoon. The usual march to the bridge where short ceremonies were to be held had to be dispensed with and the children didn't get to decorate the graves. For the first time in many years Union's two remaining Civil War veterans, Sam Haynes and Ed Hall were not able to attend the exercises and the Rev. R. C. Lee in his address made special comment on their absence. Following the program the Women's Relief Corps assisted by the American Legion auxiliary served a wonderful chicken dinner to about 45 people including the legion, national guard and band boys. Many out-of-town people visited Union that day and left the cemetery well decorated with floral mementos.

Several members of the tennis club from Union went to Haber yesterday to participate in the tournament to be held there. Rain interfered considerably with the afternoon's program.

Word came Saturday of the death of Otto Schuck's brother in Baker that afternoon.

On Sunday Mrs. Hoffman's parents, Mr. and Mrs. E. J. Murphy, and her sister, Mrs. Jane Temple and sons, Roy and Ned, drove over from Penitentiary for the day.

Mr. C. Jones from the entomology department of O. S. C. assisted by Cedric Gale placed two cheese cloth cages in the cherry orchard at Mrs. Bell Wright's last week as an experiment to determine the best time to spray for the cherry fruit fly. The maggot that lies in the soil where it has dropped from the tree this season before emergence as a full grown fly in May or early June and this is the time to stop their activity. Flies began to rise from the ground very soon after the cages were set up.

News comes to Union of the birth of a son on May 28 to Mr. and Mrs. Frank Holcomb at Newburgh, Idaho. The child is named Harold Kay Mayfield.

Mr. and Mrs. Herbert Evans and son, of La Grande, Mr. and Mrs. E. P. Coburn and children and Mrs. Lee Feyer drove over to Wallowa Lake to spend Sunday a week ago.

They will travel on the Old Oregon Trail and visit places of interest along the way. They have no particular destination in mind but plan to spend the month of June traveling. With good luck they think they may be able to include Florida in their itinerary.

Butter, Egg Prices Same As Thursday

PORTLAND, Ore., June 2 (AP)—Butter and egg prices opened the week at levels in effect when the markets closed last Thursday for the three-day holiday. Both products appeared weak under an accumulation of supplies, although the demand over the holiday period was reported as brisk.

The fruit and vegetable market was unchanged with the exception of new potatoes, which were cheaper at 4 to 4 1/2c a pound. Strawberries are of better quality and slightly easier in price.

SIX KILLED IN GANG WAR OVER SUNDAY
(Continued from Page One)

has any particular gang record, police said.

The body of the ride victim, found early today behind the Miller-vaux avenue bank, indicated that the slaying had occurred about 12 hours before. The body, however, was not in the alley half an hour before it was discovered. On this point the watchman who found it was positive. The body lay on a piece of carpet on the ground, probably from an automobile. A belt was around the chest, drawn tight under the armpits, and the killers are believed to have used it in pulling the body to the place where it was found.

Though Druggan and Mrs. McGinnis refused to talk about the shooting, police were convinced another person was in the group at the time of the attack. This man, they were told by a waiter at the resort, loaded Druggan and the woman into an automobile. Two hours later the pair were delivered at the University of Chicago hospital 40 miles away. The man left before he could be questioned.

Druggan and Mrs. McGinnis were each wounded four times. Samuel Ministerio, 38, died later in a hospital. He failed to tell police the identity of his slayers or the reason for the attack.

PIVE KILLED IN DETROIT
DETROIT, June 2 (AP)—Gangsters' guns, breaking into activity after several weeks quiet, took five lives in the metropolitan area during the week and two of the victims being policemen who were shot down from an automobile which they stopped in their investigation of a hit-and-run accident.

The fifth victim, an Italian who was not immediately identified, was sent to his death with four bullets in his head and body at daybreak today. Police connected this killing with the shooting of two Italians in a fish market Saturday afternoon.

The policemen were believed to have been killed by rum runners. Two men were held in connection with this crime.

HERE'S WHY THE HUNDREDS OF THOUSANDS OF USERS have not spent a cent for service

FLAWLESS mechanism—sealed in steel—makes the General Electric Refrigerating unit trouble-proof and service-free. Thousands of persons in hundreds of cities have seen it actually submerged in water—operating perfectly day after day. No other mechanical refrigerator could withstand such a grueling test—a test which has dramatically shown why no other—out of hundreds of thousands—has ever paid a cent for service.

General Electric Refrigerator gives you a perfect mechanism, permanently oiled, properly placed and hermetically sealed. Dust, dirt and moisture cannot get inside the steel-walled unit. Nothing—not even complete submersion in water—can halt faithful operation. This refrigerator serves you quietly, efficiently and unflinchingly.

The cabinet, striking in modern beauty, is all steel, porcelain-lined and easily movable. It may be placed anywhere. Food-storage space is far greater. A free-vision base permits easy sweeping and true kitchen cleanliness. On top efficiency makes a small motor adequate—assuring unusually low operating cost. Leadership has been earned by an outstanding record of service-free performance in hundreds of thousands of homes. Let a refrigeration specialist show you the model that best meets your particular needs. Prices are low—terms reasonable.
