## SCHMELING WILL WIN HE BELIEVES

### German Heavyweight in Superb Condition for Fight With Sharkey.

By Edward J. Neil  
German heavyweight in superb condition for fight with Sharkey. The German heavyweight, Max Schmeling, is in superb condition for his fight with Jack Sharkey. Schmeling is a young man without a complex, inhibition or sign of unruly temperament to his lengthy name. As he sits in the living room of his well guarded cottage, playing over and over German phonograph records, he doesn't even talk a good fight. Yet one week from tomorrow night in the Yankee stadium, this 24-year-old Teuton who has scaled the heavyweight heights in two short years, will battle Jack Sharkey for the highest prize fistiana has to offer. He will fight the best he knows how, calmly, carefully, evenly but at a terrific pace, and if his best is not enough—well, he is still 24 years old and life even in a fistie sense will lead long before him. Max may lose to a better man. He frankly admits that may happen, but he doesn't think that man is Sharkey.

### Superb Condition

Colored an Indian brown by the sun in his outdoor workouts, the young German is a picture of superb condition as he toils in his easy chair, happy to talk of fights in his halting English literally sprinkled with German phrases when the subject gets complicated and thoughts come too fast. His high cheek bones, shaggy black eye brows, deep color, and animation leave an indelible impression of Jack Dempsey when the old man-mauler weighed 187 pounds and was eager to tear the world apart with his iron fists.

"I hope I beat Sharkey," he said with a smile and a wave of both hands. "I do not know. No one knows. If I get my chance, I win. If not I lose."

### Almost a Fatalist

To Schmeling, almost a fatalist in his attitude toward the coming contest for ringdom's highest stake, this statement covers the entire situation. By "chance," which he pronounces "shenks," Schmeling means the opening or situation that will give him the upper hand and pave the way to victory. The blows may come his way—or they may go to Sharkey.

"If Sharkey wins, I congratulate him. The same way I would congratulate myself if I win. But why should I lose?" he asked.

"Sharkey is a good boxer, yes? He hits, punches good with left hand, no; well, maybe I make him discouraged if he can't hit me with his best punch. That is important."

### No Fight Plan

"I do not know how I fight Sharkey. In my training camp I have 25 sparring partners. I fight them all. They have different styles. No matter what style Sharkey fights, I am ready for him."

"Sharkey is a good boxer, yes? They say I can't hit a good boxer with my right hand. They say he will defend against my right all the time with his left and I never hit him. That is foolishness."

### JONES RETAINS TITLE

SALLEM, Ore., June 5 (AP)—Henry Jones, of Provo, Utah, retained his welterweight wrestling championship Wednesday night when he defeated Gus Anderson here two out of three falls. Jones took the first fall in 22 minutes with a cross leg hold, with Anderson coming back to take the second with an arm stretch in 14 minutes. The deciding fall went to Jones in short order when he clamped on a reverse Japanese arm bar after two minutes.

## Carnera To Meet Christner Tonight

DETROIT, June 5 (AP)—Primo Carnera, who hasn't been able to find anyone his size to "pick on," will enter the ring tonight in Floyd Musumeci's arena at the state fair grounds with K. O. "Christner," the Akron, Ohio, "trouble man," the most formidable opponent he has encountered in his long American fistie tour. Christner kept his feet in bounds with some of the best heavyweight and the best tonight may provide a check on the actual power behind the punches of the Italian giant.

## King of Spain Is Champion With Gun

MADRID, June 5 (AP)—King Alfonso, many times crowned champion trap shooter of Spain, is equally skillful with rifle, revolver or shotgun, at still or moving marks. The gallery always bets heavily on the king, not merely out of curiosity but because he is almost a sure winner in any company. And takers are hard to find for the same reason.

### CANCELS STAGE PERMIT

SALLEM, Ore., June 5 (AP)—The public service commission today canceled the operating permit of the Lincoln stages of Oregon. The lines have been operating between Oregon and California. Recently it ceased operation for 24 hours without notifying the commission, which is against the law.

## Big Scores In Major Leagues On Wednesday

By Hugh S. Fullerton Jr.  
The Cincinnati Reds has become one of the leading experimenters of the National league as well as one of its leading traders, and he has prospects of good results if he can mold the material he now has into a co-ordinated baseball team.

The Reds, as they are now, seem to have everything but the ability to make their hits count. They get plenty of blows, 84 of them in their last seven games, and frequently have good hitting to go with them, but they lose the close decisions and games in which they have the best of the hitting.

Howley shook up his lineup again yesterday, putting Pat Crawford in the lineup and making Bob Meusel lead off. The result was good enough to produce 14 runs but not a victory. Their opponent, the New York Giants, got but 12 blows, but six of them came in succession from the first six batters in the opening inning and started the Giants off to a 6-1 lead on an 8 to 5 victory.

### Cubs Win 18 to 10

The hit totals made by the Reds and Giants, big as they were, appeared small when the Chicago Cubs got into action and they trounced the Boston Braves, 18 to 10. The Cubs hit 20 times for 34 bases, setting six doubles, a triple and two homers.

The Cubs finished only two games behind Brooklyn as the Robins literally threw away a game to the Pittsburgh Pirates by a 12 to 6 score. The Robins made eight errors, most of them on bad throws, and nearly every blunder meant a Pittsburgh run. This result left the Pirates only a game behind the St. Louis Cardinals, who lost the day's only mound duel in the National league to Philadelphia, 2 to 1. Ray Henze gave the Cards only four hits, Chick Hafey's homer bringing the one run.

The American league reversed the procedure of its earlier rival completely and introduced four tight battles, three of them going ten innings apiece, and left the positions of the leaders unaltered. The leading Philadelphia Athletics beat out the St. Louis Browns, 4 to 2.

Washington, in second place, scored three runs in the tenth to beat out the Detroit Tigers, 11 to 8. The Cleveland Indians and New York Yankees remained in third and fourth places respectively, the victims of upsets. The Yankees dropped an 8 to 7 decision to the Chicago White Sox as Johnny Kerr followed the example set for him a few innings earlier by Babe Ruth and won the game with a home run after two were out in the tenth inning. The Babe had tied the count in the seventh, with his eighteenth homer of the year. Ed Morris of the Boston Red Sox proved better in the long run than Willis Hudlin of Cleveland and gave Boston a 5 to 4 victory in another ten inning duel.

## PLANTS TOO CAN TAKE ON THAT MODISH TAN

ROCHESTER, Minn. (AP)—Tanning in human beings is considered to come from ultra-violet rays, but other light rays can cause similar results in plants. Tanning in leaves is defined by Charles Sheard and A. Frances Johnson of the Mayo Foundation in a report to the American Association for the Advancement of Science as a darkening process. It can come, they say, either from ultra-violet rays, or from infrared, that is, heat radiations.

## MAGNETIC COMPASS RELAY SOUGHT BY U. S. NAVY

WASHINGTON (AP)—The navy's observatory is looking for a way to relay readings from a magnetic compass. All navy ships of any size have both gyro and magnetic compasses. The gyro compass always accurately locates the north pole and practical navigators have been developed to transmit readings. Once the magnetic compass is installed it cannot be moved without re-adjustment. Mistake affect its readings.

## ORTMAN PITCHES BEAVERS TO WIN

### League Leading Club Turned Back 6 to 4 by Portland Nine.

By The Associated Press  
The Portland Beavers, having showed awakening signs in the Oakland series, continued to worry the east leaders yesterday by downing Sacramento, 6 to 4, in the first game the weather man has allowed the Sees to play in four days. Ortman, one of the Beavers' most successful hurlers, had the Senators well in hand except for a homer knocked by Ray Hoover in the second with two men on base, and the Beavers were never headed. Smith and Brown worked on the mound for Sacramento without avail.

Los Angeles made its hold on second place more sure by winning its second successive game from Hollywood, 4 to 2. The Stars almost broke their eight game losing streak by a three run rally in the first of the ninth that tied the count at 3 all, but got their ninth straight defeat when Seay allowed two hits which were good for an Angel run. Hallou limited Hollywood to four hits until he left the hill in their ninth inning rally, being relieved by Harlow.

### Gak, Down Seattle

Carl Zamboni's Oaks got tired of being battered around by second division clubs yesterday, and broke up a pitcher's duel in the eighth to down Seattle, 12 to 3. The victory brought Oakland up into a tie for third place with San Francisco, which lost to the Missions in a hard fought affair, 7 to 1.

After watching the Reds roll up a 7 to 2 lead in the first six innings, the Seals knocked Bert Cole out of the box to score four in the seventh, and got another off Ted Duffie in the eighth to tie the score. They were disappointed, however, in the last period when Monroe and Rosenberg eluded two doubles for the winning tally, a season winning 8 to 7.

## UPPERCUT TO EDWARDS' CHIN CALLED FOUL

PORTLAND, Ore., June 5 (AP)—A right uppercut to the chin ended last night's so-called prize wrestling match between Billy Edwards, Kansas City butcher, and Ted Thyne, Portland, when referee Chas. Wiles awarded the decision to Edwards on a foul. The foul ended a match featured by rough tactics and which caused a near riot just before Thyne landed the blow that ended it. Policemen in numbers, spectators, referee and wrestlers all participated in the melee. The wrestlers went through the ropes taking the referee with them. Edwards gained his feet first and jumped on Thyne, landing on his body and face. Rinsiders then jumped into the ring and took pokes at Edwards, some landing. Police finally restored order and cleared the ring. Edwards was the first fall in 28 minutes, 45 seconds with his knuckle headlock. Thyne took the second in 9 minutes 3 seconds with a whip armbreak. The best wrestling of the evening was put on by Abe Coleman, Jewish light heavyweight from New York, and Harry Demetrol, Chicago, Coleman winning a straight falls with a head tackle similar to the one used by Gus Sonnenberg, in the fourth and fifth rounds.

## Tennis Court To Be Operated During Summer

The municipal tennis courts, recently acquired from the La Grande Tennis club, will be in charge of a committee of three appointed by City Manager W. C. Coeus during the summer. It was announced today. The committee members are Harvey Carter, Robert Osterling and Dolph Siegert.

Courts are now being improved, fences are being painted, fountain installation is planned, back boards will be added and locks are to be secured for the use of members.

In order to take care of part of the maintenance cost, dues will be charged this year as follows: senior members, 15; high school players \$2.50 and 25; school players \$1.25. Each member paying dues will receive a master key admitting him to the courts whenever he desires to play.

This system of dues, according to Mr. Coeus, is necessary this year as there was no item in the 1930 city budget for maintenance of tennis courts. Later some other system may be adopted.

Each Saturday morning during the summer from 9 to 12 o'clock, there will be a free period for grade school students who wish to learn the game. They will be in charge of Mr. Carter.

An open tournament is being planned and there may be several grade school and high school meets.
